ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "District") on December 11, 2018. Task Order 01 AACMD/ARTA - Cost Verification was approved on December 19, 2018. This Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is Schedio Group's 36th deliverable associated with Task Order 01 of the MSA as it pertains to AACMD.

Per the *Amended and Restated Capital Construction and Reimbursement Agreement* ("CCRA") entered into on December 22, 2021, between The Aurora Highlands Community Authority Board and Aurora Highlands, LLC, a Nevada limited liability company ("Developer"):

> Section N: "It is the intent of the CAB that AH LLC continue to be reimbursed for Verified Costs of the Improvements and AH Advances (collectively Verified Costs of the Improvements and AH Advances are referred to herein as "AH Reimbursements"), and to set forth the terms for such reimbursement." See Article II, Section 2.1 of the CCRA for pertaining to AH Reimbursements.

Per the *Agreement Regarding Coordination of Facilities Funding for ATEC Development Area* ("ATEC Agreement") entered into on December 22, 2021, between the Aurora Highlands Community Authority Board and Aurora Tech Center Development, LLC ("ATEC"):

> Recitals: Section F: "In order for the Property to be developed, the public improvements that are a part of the Long-Term Capital Improvement Plan, which includes the public improvements that will support the development of the Property, (the "ATEC Improvements") must be designed, funded, acquired, constructed or installed."
>
> Recitals: Section G: "It is anticipated that the proceeds of CAB Obligations will include, as issued in the discretion of the CAB from time to time, proceeds to be used to fund the ATEC Improvements."

This Report consists of a review of costs incurred, and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

SUMMARY OF FINDINGS

Schedio Group reviewed $11,130,336.40 of incurred expenses associated with Draw Request No. 58. Of the $11,130,336.40 reviewed, Schedio Group verified $8,893,539.15 as being associated with the design and construction of Public Improvements. Of the verified amount, $3,989,360.89 is associated with TAH CAB/Spine Costs, $1,523,389.60 with AH In Tract Costs, $2,499.50 with AF ATEC Spine Costs ("ATEC Spine"), and $5,079,219.31 with Aerotropolis Regional Transportation Authority Costs ("ARTA"). As costs associated with ARTA are reviewed and verified separately, they will not be included in this Report.

In summary, the total amount verified associated with TAH CAB/Spine Costs, AH In Tract Costs and AF Atec Spine Costs is **$5,515,249.99**.

For a summary of verified expenses associated with the design and construction of Public Improvements for TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs, please see *Figure 1 – Summary of Verified Expenses* for TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs below and attached *Exhibit A – Summary of Costs Reviewed (by Job Code* and *by Vendor).*

DETERMINATION OF PUBLIC PRORATION PERCENTAGE

As final plats are not available for the entire the Aurora Highlands ("AH") development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Total Area as a percentage from Norris Design, the planner for the Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire AH development. Schedio Group and Norris Design reserve the right to revise the project's Public Proration Percentage should additional information become available that would warrant such and either credit or debit the verified amount to date at that time.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

VERIFICATION OF PAYMENTS

As Draw No. 58 will be ratified during an upcoming board meeting, vendors have not yet received payment for services rendered as of the date of this report.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed a site visit on April 6, 2023. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

Various job code changes were implemented between Draw 26 and Draw 58. These job code changes were determined by others (developer, program manager, construction manager, etc.). Schedio Group was not involved in determining the job code changes. Schedio Group has incorporated the job code changes into Draw 58. As a result of the job code changes, historical and current verified dollar amounts have, in some cases, shifted from one job code (project segment) to another job code (project segment), which has caused ARTA's financial obligation to change per the following agreements:

- Intergovernmental Agreement Among The Board Of County Commissioners Of The County Of Adams, The City of Aurora And The Aerotropolis Area Coordinating Metropolitan District Establishing The Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated February 27, 2018

- Intergovernmental Agreement Regarding Design and Construction of The Aurora Highlands Parkway Among Aerotropolis Area Coordinating Metropolitan District and Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated August 12, 2020

Schedio Group has been reviewing, and will continue to review, details associated with the cost code changes. Based on our reviews to date, Schedio Group has no reason to doubt the validity of the cost code changes. Schedio Group reserves the right to revise any verified amount(s) and its(their) respective assignment to a Cost Code or Job Code throughout the review process.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction and verification of costs associated with the design and construction of Public Improvements of similar type and function as those described in the attached Engineer's Report dated April 11, 2023.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report, from September 13, 2022 (date of COA Invoice No. 680879) to April 1, 2023 (date of OxBlue Invoice No. 507033), are reasonably valued at **$5,515,249.99.**

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect, and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for payment from Aerotropolis Area Metropolitan Coordinating District to Vendors.

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs commonly referred to as "In-Tract Expenses" that are eligible to be paid for by the CAB. This Report is the 18th deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered June 24, 2020, states "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer")and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer")and Richmond American Homes of Colorado, Inc. ("Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

SUMMARY OF FINDINGS

To date, Schedio Group has reviewed a total of $67,010,846.17 of incurred expenses associated with In-Tract Improvements. Of the $67,010,846.17 reviewed, Schedio Group has verified $43,024,997.75 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer, to date, is $43,024,997.75.

Per *The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 17*, prepared by Schedio Group LLC and dated March 10, 2023 ("ERVC17"), Schedio Group had verified $42,994,306.28 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was $42,994,306.28.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated April 10, 2023.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report, from January 2023 to March 2023 are reasonably valued at **$30,691.47**.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect, and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of **$30,691.47** related to:

- The Aurora Highlands In-Tract Public Improvements in the amount of **$30,691.47**.

This Report is the 18th deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered June 24, 2020, states "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer")and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer")and Richmond American Homes of Colorado, Inc. ("Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated April 10, 2023.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report, from January 2023 to March 2023 are reasonably valued at **$30,691.47**.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect, and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of **$30,691.47** related to:

- The Aurora Highlands In-Tract Public Improvements in the amount of **$30,691.47**.

The Aurora Highlands Coordinated Metro Districts
Community Manager's Report

Submitted to: The Aurora Highlands Coordinated Metro Districts- Board of Directors
Meeting Date: April 20, 2023, 1:00 pm

- Community Management Items
  - ✓ Updated Attribute map for CLA and TDC to use in the tracking of system development fees. This map includes Lot Adjacency Fees and CARC Fees now.
  - ✓ CARC liaison continues: Working with Bridgewater and Century Communities on submittal processes. RAH has also submitted additional product to their line-up.
  - ✓ Map completed for MD landscape acceptance and warranty tracking for the Community. Work continues with adding assets identified as CAB maintenance obligation, builder obligation, etc, via site plans, into the map. This attribute will also have a document link to track acceptance, warranty, and turnover documents. Still need P-8 school site plans.
  - ✓ O & M Formula created to track expenses vs budget in quarterly increments and working on O & M for Buildout. Creating a model to calculate when fees and property taxes can pay for CAB maintenance obligations. Still collecting assets to ensure accuracy of model.
  - ✓ Mapping tool created to import site plans that will calculate turf, native/hardscapes and then calculate current asset maintenance pricing. One example of how this tool can aid the CAB is with HOA formation: This tool can calculate alleys and then price it to current snow removal costs for the HOA to use in their budgetary planning.
  - ✓ Continuing: Assisting Owners in plan design per the amended Handbook, with the focus on Residents having plans on file for when Winter deferral is over and assisting Residents with coordination of fencing for rear and side lot lines.
  - ✓ Education with Sales Agents for the Notice of Disclosure to Buyers. Revised Notice posted on community website.
  - ✓ Provided updated materials to the Visitor Center for front desk staff to use.
  - ✓ All Election information is up to date on the website for each District.
  - ✓ Coordinated with NE Transportation to aid the Residents with transportation services.
  - ✓ Egg Hunt was a success.
  - ✓ All closings receive a TDC introduction letter, revised to include trash ordering process. Trash schedule, including day of pick up and holiday schedule, is also posted on the website for 2023.

RESOLUTION NO. 2023-04-01

RESOLUTION OF THE AURORA HIGHLANDS COMMUNITY AUTHORITY BOARD AUTHORIZING THE IMPOSITION OF DESIGN REVIEW FEES

A. The Aurora Highlands Community Authority Board (the "**CAB**") is political subdivision and public corporation of the State of Colorado organized November 21, 2019 pursuant to The Aurora Highlands Community Authority Board Third Amended and Restated Establishment Agreement (the "**CABEA**") and in conformity with the provisions of Sections 29-1-203 and -203.5, C.R.S., situated in the City of Aurora, County of Adams, State of Colorado.

B. Pursuant to the CABEA and Section 32-1-1001(1)(j), C.R.S., the CAB is authorized to fix and impose fees, rates, tolls, charges and penalties for services or facilities provided by the CAB, which, until paid, shall constitute a perpetual lien on and against the property served.

C. The CAB is required to operate and maintain certain facilities and improvements and provide certain services for the benefit of and throughout the combined service areas of the Aerotropolis Area Coordinating Metropolitan District (the "**Coordinating District**") and The Aurora Highlands Metropolitan District Nos. 1 through 6 (the "**TAH Districts**").

D. Pursuant to the Master Declaration of Covenants, Conditions and Restrictions for The Aurora Highlands recorded in the real property records of Adams County, Colorado at Reception No. 202000010483 (as amended, the "**Master Declaration**"), Resolution No. 2022-05-01 of the CAB, Adopting the Policies and Procedures Governing the Enforcement of the Master Declaration, and the CAB's adopted Homeowner Handbook: Design Guidelines, Rules and Regulations (as revised 06/01/2022 and may be further amended, restated, and revised in the future, the "**Handbook**"), the CAB has established an administrative system for the review of plans and specifications for design improvements proposed by homeowners within the CAB.

E. The CAB desires to authorize the imposition of reasonable design review fees to offset the administrative costs associated with the review of proposed design improvements pursuant to the Handbook.

F. The CAB finds that the Design Review Fee set forth herein is reasonably related to the facilities, improvements, and services provided, and that the imposition thereof is necessary to provide the improvements, facilities, and services provided for the benefit of the property subject to such Design Review Fee.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE AURORA HIGHLANDS COMMUNITY AUTHORITY BOARD, COUNTY OF ADAMS, COLORADO, AS FOLLOWS:

1. Incorporation of Recitals. The forgoing recitals are incorporated herein as if set forth as material terms of this Resolution.

2. Imposition of Fee. The CAB Board of Directors hereby finds, determines and declares that it is in the best interests of the CAB, the TAH Districts, and their inhabitants and taxpayers to impose a Design Review Fee, as set forth on the attached **Exhibit A**.

3. Effective Date. This Resolution shall take effect on April 20, 2023.
