ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "District") on December 11, 2018. Task Order 01 AACMD/ARTA - Cost Verification was approved on December 19, 2018. This Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is Schedio Group's 39th deliverable associated with Task Order 01 of the MSA as it pertains to AACMD.

Per the *Amended and Restated Capital Construction and Reimbursement Agreement* ("CCRA") entered into on December 22, 2021, between The Aurora Highlands Community Authority Board and Aurora Highlands, LLC, a Nevada limited liability company ("Developer"):

> Section N: "It is the intent of the CAB that AH LLC continue to be reimbursed for Verified Costs of the Improvements and AH Advances (collectively Verified Costs of the Improvements and AH Advances are referred to herein as "AH Reimbursements"), and to set forth the terms for such reimbursement." See Article II, Section 2.1 of the CCRA for pertaining to AH Reimbursements.

Per the *Agreement Regarding Coordination of Facilities Funding for ATEC Development Area* ("ATEC Agreement") entered into on December 22, 2021, between the Aurora Highlands Community Authority Board and Aurora Tech Center Development, LLC ("ATEC"):

> Recitals: Section F: "In order for the Property to be developed, the public improvements that are a part of the Long-Term Capital Improvement Plan, which includes the public improvements that will support the development of the Property, (the "ATEC Improvements") must be designed, funded, acquired, constructed or installed."
>
> Recitals: Section G: "It is anticipated that the proceeds of CAB Obligations will include, as issued in the discretion of the CAB from time to time, proceeds to be used to fund the ATEC Improvements."

This Report consists of a review of costs incurred, and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

SUMMARY OF FINDINGS

Schedio Group reviewed $12,019,083.38 of incurred expenses associated with Draw Request No. 61. Of the $12,019,083.38 reviewed, Schedio Group verified $11,477,854.55 as being associated with the design and construction of Public Improvements. Of the verified amount, $5,850,049.89 is associated with TAH CAB/Spine Costs, $3,132,337.85 with AH In Tract Costs, $81,609.51 with AF ATEC Spine Costs ("ATEC Spine"), and $2,950,065.43 with Aerotropolis Regional Transportation Authority Costs ("ARTA"). As costs associated with ARTA are reviewed and verified separately, they will not be included in this Report.

In summary, the total amount verified associated with TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs is **$9,063,997.25**.

For a summary of verified expenses associated with the design and construction of Public Improvements for TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs, please see *Figure 1 – Summary of*

DETERMINATION OF PUBLIC PRORATION PERCENTAGE

As final plats are not available for the entire the Aurora Highlands ("AH") development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Total Area as a percentage from Norris Design, the planner for the Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire AH development. Schedio Group and Norris Design reserve the right to revise the project's Public Proration Percentage should additional information become available that would warrant such and either credit or debit the verified amount to date at that time.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

VERIFICATION OF PAYMENTS

As Draw No. 61 will be ratified during an upcoming board meeting, vendors have not yet received payment for services rendered as of the date of this report.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed a site visit on July 7, 2023. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

Various job code changes were implemented between Draw 26 and Draw 61. These job code changes were determined by others (developer, program manager, construction manager, etc.). Schedio Group was not involved in determining the job code changes. Schedio Group has incorporated the job code changes into Draw 61. As a result of the job code changes, historical and current verified dollar amounts have, in some cases, shifted from one job code (project segment) to another job code (project segment), which has caused ARTA's financial obligation to change per the following agreements:

- Intergovernmental Agreement Among The Board Of County Commissioners Of The County Of Adams, The City of Aurora And The Aerotropolis Area Coordinating Metropolitan District Establishing The Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated February 27, 2018

- Intergovernmental Agreement Regarding Design and Construction of The Aurora Highlands Parkway Among Aerotropolis Area Coordinating Metropolitan District and Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated August 12, 2020

Schedio Group has been reviewing, and will continue to review, details associated with the cost code changes. Based on our reviews to date, Schedio Group has no reason to doubt the validity of the cost code changes. Schedio Group reserves the right to revise any verified amount(s) and its(their) respective assignment to a Cost Code or Job Code throughout the review process.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction and verification of costs associated with the design and construction of Public Improvements of similar type and function as those described in the attached Engineer's Report dated July 13, 2023.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report, from December 7, 2020 (date of City of Aurora Invoice No. 674054) to July 1, 2023 (date of OxBlue Invoice No. 515074), are reasonably valued at **$9,063,997.25**.

In the opinion of the Independent Consulting Engineer, the above-stated value for soft, indirect, and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for payment from Aerotropolis Area Metropolitan Coordinating District to Vendors.

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs commonly referred to as "In-Tract Expenses" that are eligible to be paid for by the CAB. This Report is the 21st deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered June 24, 2020, states "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Richmond American Homes of Colorado, Inc. ("Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

SUMMARY OF FINDINGS

To date, Schedio Group has reviewed a total of $72,029,831.42 of incurred expenses associated with In-Tract Improvements. Of the $72,029,831.42 reviewed, Schedio Group has verified $47,518,115.60 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, to date, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer is $47,518,115.60.

Per *The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 20*, prepared by Schedio Group LLC and dated June 7, 2023 ("ERVC20"), Schedio Group had verified $44,085,628.16 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was $44,085,628.16.

ΣΧΕΔΙΟ
SCHEDIO GROUP

Regarding this Report, Schedio Group has reviewed $3,931,534.73 of incurred expenses and payments associated with In-Tract Improvements and proofs of payments associated with previously reviewed expenses.

Of the $3,931,534.73 reviewed, Schedio Group has verified $3,432,487.45 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Proofs of payments from prior reports were received and included in the current report, causing the Total Verified Public Amount to be higher than the reviewed amount. Therefore, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer is **$3,432,487.45**. See *Figure 1 – Summary of Verified In-Tract Public Improvements Segregated by Source* and *Figure 2 – Summary of Verified Soft, Indirect, and Hard Costs Segregated by Service Plan Category* below.

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs commonly referred to as "In-Tract Expenses" that are eligible to be paid for by the CAB. This Report is the 21st deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered June 24, 2020, states "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Richmond American Homes of Colorado, Inc. ("Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

SUMMARY OF FINDINGS

To date, Schedio Group has reviewed a total of $72,029,831.42 of incurred expenses associated with In-Tract Improvements. Of the $72,029,831.42 reviewed, Schedio Group has verified $47,518,115.60 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, to date, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer is $47,518,115.60.

Per *The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 20*, prepared by Schedio Group LLC and dated June 7, 2023 ("ERVC20"), Schedio Group had verified $44,085,628.16 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was $44,085,628.16.

ΣΧΕΔΙΟ
SCHEDIO GROUP

Regarding this Report, Schedio Group has reviewed $3,931,534.73 of incurred expenses and payments associated with In-Tract Improvements and proofs of payments associated with previously reviewed expenses.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report, from March 2023 through June 2023 are reasonably valued at **$3,432,487.45**.

In the opinion of the Independent Consulting Engineer, the above-stated value for soft, indirect, and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of **$3,432,487.45**.

The Aurora Highlands Coordinated Metro Districts
Community Manager's Report

Submitted to: The Aurora Highlands Coordinated Metro Districts- Board of Directors
Meeting Date: July 20, 2023, 1:00 pm

- Community Management Items:
  - ✓ CARC liaison continues: Working with Bridgewater, Century Communities and TriPointe on submittal processes and payments. Also coordinating with CLA for $150 per lot payments. Kick off meeting with DR Horton was a success. They are planning for CARC submittal.
  - ✓ Created a comprehensive workbook for TDC/CLA to share CARC fees received, lot fees received, and facilities fees received to streamline these processes.
  - ✓ Continued assistance with Owners in plan design per the amended Handbook, with the focus on aiding Residents with coordination of fencing for rear and side lot lines. We are partnering with the residents that have the 60' wide lots to coordinate correct tie-ins.
  - ✓ ATEC 1 & 2 website information is up to date per statutory compliance requirements.
  - ✓ Coordinated with NE Transportation to aid the Residents with transportation services. We have invited them to the 15th Events.
  - ✓ The July 1st Event was well received by the residents with 580 meals served!
  - ✓ All closings receive a TDC introduction letter, revised to include trash ordering process. Trash schedule, including day of pick up and holiday schedule, is also posted on the website for 2023.
