ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "District") on December 11, 2018. Task Order 01 AACMD/ARTA - Cost Verification was approved on December 19, 2018. This Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is Schedio Group's 55th deliverable associated with Task Order 01 of the MSA as it pertains to AACMD.

Per the *Amended and Restated Capital Construction and Reimbursement Agreement* ("CCRA") entered into on December 22, 2021, between The Aurora Highlands Community Authority Board and Aurora Highlands, LLC, a Nevada limited liability company ("Developer"):

> Section N: "It is the intent of the CAB that AH LLC continue to be reimbursed for Verified Costs of the Improvements and AH Advances (collectively Verified Costs of the Improvements and AH Advances are referred to herein as "AH Reimbursements"), and to set forth the terms for such reimbursement." See Article II, Section 2.1 of the CCRA for pertaining to AH Reimbursements.

Per the *Agreement Regarding Coordination of Facilities Funding for ATEC Development Area* ("ATEC Agreement") entered into on December 22, 2021, between the Aurora Highlands Community Authority Board and Aurora Tech Center Development, LLC ("ATEC"):

> Recitals: Section F: "In order for the Property to be developed, the public improvements that are a part of the Long-Term Capital Improvement Plan, which includes the public improvements that will support the development of the Property, (the "ATEC Improvements") must be designed, funded, acquired, constructed, or installed."
>
> Recitals: Section G: "It is anticipated that the proceeds of CAB Obligations will include, as issued in the discretion of the CAB from time to time, proceeds to be used to fund the ATEC Improvements."

This Report consists of a review of costs incurred and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

SUMMARY OF FINDINGS

Schedio Group reviewed $7,521,228.64 of incurred expenses associated with Draw Request No. 76. Of the $7,521,228.64 reviewed, Schedio Group verified $7,520,231.64 as being associated with the design and construction of Public Improvements. Of the verified amount, $3,431,640.92 is associated with TAH CAB/Spine Costs, $2,422,102.52 with AH In Tract Costs, $534,683.06 with AF ATEC Spine Costs ("ATEC Spine"), and $1m131m805.14 with Aerotropolis Regional Transportation Authority Costs ("ARTA"). As costs associated with ARTA are reviewed and verified separately, they will not be included in this Report.

In summary, the total amount verified associated with TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs is **$6,388,426.51**.

For a summary of verified expenses associated with the design and construction of Public Improvements for TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs, please see *Figure 1 – Summary of Verified Expenses* for TAH CAB/Spine Costs, AH In Tract Costs and AF ATEC Spine Costs below and attached *Exhibit A – Summary of Costs Reviewed (by Job Code* and *by Vendor).*

DETERMINATION OF PUBLIC PRORATION PERCENTAGE

As final plats are not available for the entire Aurora Highlands ("AH") development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Total Area as a percentage from Norris Design, the planner for the Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire AH development. Schedio Group and Norris Design reserve the right to revise the project's Public Proration Percentage should additional information become available that would warrant such and either credit or debit the verified amount to date at that time.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

VERIFICATION OF PAYMENTS

As Draw No. 76 will be ratified during an upcoming board meeting, vendors have not yet received payment for services rendered as of the date of this report.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed a site visit on October 4, 2024. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

Various job code changes were implemented between Draw 26 and Draw 76. These job code changes were determined by others (developer, program manager, construction manager, etc.). Schedio Group was not involved in determining the job code changes. Schedio Group has incorporated the job code changes into Draw 76. As a result of the job code changes, historical and current verified dollar amounts have, in some cases, shifted from one job code (project segment) to another job code (project segment), which has caused ARTA's financial obligation to change per the following agreements:

- Intergovernmental Agreement Among The Board Of County Commissioners Of The County Of Adams, The City of Aurora And The Aerotropolis Area Coordinating Metropolitan District Establishing The Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated February 27, 2018

- Intergovernmental Agreement Regarding Design and Construction of The Aurora Highlands Parkway Among Aerotropolis Area Coordinating Metropolitan District and Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated August 12, 2020

Schedio Group has been reviewing, and will continue to review, details associated with the cost code changes. Based on our reviews to date, Schedio Group has no reason to doubt the validity of the cost code changes. Schedio Group reserves the right to revise any verified amount(s) and its(their) respective assignment to a Cost Code or Job Code throughout the review process.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of costs associated with the design and construction of Public Improvements of similar type and function as those described in the attached Engineer's Report dated October 10, 2024.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that the Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that the Public Improvements considered in the attached Engineer's Report, from June 10, 2024, (date of Knight Industries Pay Application No. 3) to September 30, 2024 (date of Brightview Pay App No. 27), are reasonably valued at **$6,388,426.51**.

In the opinion of the Independent Consulting Engineer, the above-stated value for soft, indirect, and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for payment from Aerotropolis Area Metropolitan Coordinating District to Vendors.

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs commonly referred to as "In-Tract Expenses" that are eligible to be paid for by the CAB. This Report is the 36th deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered June 24, 2020, states "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer"), and Richmond American Homes of Colorado, Inc. ("Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

SUMMARY OF FINDINGS

To date, Schedio Group has reviewed a total of $106,148,710.44 of incurred expenses associated with In-Tract Improvements. Of the $106,148,710.44 reviewed, Schedio Group has verified $77,681,536.31 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, to date, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer is $77,681,536.31.

Per *The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 35*, prepared by Schedio Group LLC and dated September 12, 2024 ("ERVC 35"), Schedio Group had verified $75,590,124.82 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was $75,590,124.82.

ΣΧΕΔΙΟ
SCHEDIO GROUP

Regarding this Report, Schedio Group has reviewed $2,188,712.36 incurred expenses associated with In-Tract Improvements and proofs of payments associated with current and previously reviewed expenses.

Of the $2,188,712.36 reviewed in expenses, Schedio Group has verified $2,091,411.49 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Proofs of payments from prior reports were received and included in the current report, causing the Total Verified Public Amount to be higher than the reviewed amount. Therefore, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer is **$2,091,411.49**. See *Figure 1 – Summary of Verified In-Tract Public Improvements Segregated by Source* and *Figure 2 – Summary of Verified Soft, Indirect, and Hard Costs Segregated by Service Plan Category* below.

DETERMINATION OF PUBLIC PRORATION PERCENTAGES

The ratio of Total Public Area to Total Area yields a Public Proration Percentage that can be applied to select costs with both public and private components. Areas were taken directly from or derived from the plats. See *Figure 3 – Determination of Public Proration Percentages* below.

Figure 3 - Determination of Public Proration Percentages

Public Proration Percentages were calculated and applied as deemed appropriate by Schedio Group.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

VERIFICATION OF PAYMENTS

Schedio Group verified proofs of payments totaling $2,176,040.02 associated with costs reviewed in this Report. Of the $899,028.44in verified payments, $2,094,411.49 is associated with the design and construction of Public Improvements.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed a site visit on October 4, 2024. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated October 10, 2024.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that the in-Tract public Improvements considered in the attached Engineer's Report from January 2024 through September 2024 are reasonably valued at **$2,091,411.49**.

In the opinion of the Independent Consulting Engineer, the above-stated value for soft, indirect, and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of **$2,091,411.49**.

SECOND SUPPLEMENT TO INTERGOVERNMENTAL AGREEMENT AMONG THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF ADAMS (THE "COUNTY"), THE CITY OF AURORA (THE "CITY") AND THE AEROTROPOLIS AREA COORDINATING METROPOLITAN DISTRICT ("AACMD") ESTABLISHING THE AEROTROPOLIS REGIONAL TRANSPORTATION AUTHORITY

RECITALS

1. The Aerotropolis Regional Transportation Authority (the "**Authority**" or "**ARTA**") is a political subdivision and body corporate of the State of Colorado formed pursuant to Section 43-4-601, *et seq*., C.R.S.

2. The Authority was organized pursuant to the Intergovernmental Agreement Among the Board of County Commissioners of the County of Adams (the "**County**"), the City of Aurora (the "**City**") and the Aerotropolis Area Coordinating Metropolitan District ("**AACMD**") Establishing the Aerotropolis Regional Transportation Authority, dated February 27, 2018 (the "**Establishing Agreement**") and the Regional Transportation Authority Law, Section 43-4-601, et seq., C.R.S. (the "**RTA Law**") (the City, County, and AACMD are collectively referred to herein as the "**Governing Bodies**" or the "**Members**").

3. The Authority was organized for the general purposes of constructing, or causing to be constructed, a Regional Transportation System, as more particularly described in the Establishing Agreement and Exhibit A thereto (as used herein, the "**Regional Transportation System**"), consistent with the detailed phasing plan and budget attached to the Establishing Agreement as Exhibit D (the "**Capital Plan**").

4. As set forth in the Establishing Agreement, the Capital Plan may be modified, amended or supplemented upon approval by the Governing Body of each Member and the unanimous vote of the Board of Directors of the Authority (the "Board"), and the Regional Transportation System as set forth in Exhibit A may be modified, supplemented and finalized in the Capital Plan or amended from time-to-time in accordance with Article VII of the Establishing Agreement.

5. Pursuant to Article VII, Section 7.01 of the Establishing Agreement, the Establishing Agreement may be amended only with the consent of the Governing Bodies and the unanimous approval of the ARTA Board.

6. The Board of Directors of the Authority has unanimously approved supplementing Exhibit A and Exhibit D to the Establishing Agreement with Exhibit A-1 and Exhibit D-1 hereof in order to identify certain additional regional transportation infrastructure projects as additional components of the Regional Transportation System, and has requested each of the Governing Bodies consent to the same.

7. Each of the Governing Bodies, for itself, has determined it to be in the best interests of the Authority and such Governing Body to supplement Exhibit A and Exhibit D to the Establishing Agreement with Exhibit A-1 and Exhibit D-1 hereof and that so doing will support the public interest and economic health of the region in alignment with ARTA's goals of fostering and supporting economic development through the expansion and creation of transportation improvements.

NOW, THEREFORE, each of the Governing Bodies by signing below, hereby consents as follows:

1. Consent of Governing Bodies to Supplement Exhibit A and Exhibit D to the Establishing Agreement. Each of the undersigned Governing Bodies hereby consents to supplementing Exhibit A and Exhibit D to the Establishing Agreement with Exhibit A-1 and Exhibit D-1 hereof, respectively. Thereafter, the Regional Transportation System as defined in the Establishing Agreement shall include those regional transportation projects identified in both Exhibit A to the Establishing Agreement and Exhibit A-1 hereof, and the Capital Plan shall be comprised of both Exhibit D to the Establishing Agreement and Exhibit D-1 hereof. This Consent, and Exhibit A-1 and Exhibit D-1 hereof, shall be appended to and shall supplement the Establishing Agreement, and Exhibit A and Exhibit D attached thereto, respectively.

2. Limited Effect. Except as supplemented herein, the Establishing Agreement is in all other respects unmodified and shall remain in full force and effect.
