ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "District") on December 11, 2018. Task Order 01 AACMD/ARTA - Cost Verification was approved on December 19, 2018. This Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is Schedio Group's 56th deliverable associated with Task Order 01 of the MSA as it pertains to AACMD.

Per the *Amended and Restated Capital Construction and Reimbursement Agreement* ("CCRA") entered into on December 22, 2021, between The Aurora Highlands Community Authority Board and Aurora Highlands, LLC, a Nevada limited liability company ("Developer"):

> Section N: "It is the intent of the CAB that AH LLC continue to be reimbursed for Verified Costs of the Improvements and AH Advances (collectively Verified Costs of the Improvements and AH Advances are referred to herein as "AH Reimbursements"), and to set forth the terms for such reimbursement." See Article II, Section 2.1 of the CCRA for pertaining to AH Reimbursements.

Per the *Agreement Regarding Coordination of Facilities Funding for ATEC Development Area* ("ATEC Agreement") entered into on December 22, 2021, between the Aurora Highlands Community Authority Board and Aurora Tech Center Development, LLC ("ATEC"):

> Recitals: Section F: "In order for the Property to be developed, the public improvements that are a part of the Long-Term Capital Improvement Plan, which includes the public improvements that will support the development of the Property, (the "ATEC Improvements") must be designed, funded, acquired, constructed, or installed."
>
> Recitals: Section G: "It is anticipated that the proceeds of CAB Obligations will include, as issued in the discretion of the CAB from time to time, proceeds to be used to fund the ATEC Improvements."

This Report consists of a review of costs incurred and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

SUMMARY OF FINDINGS

Schedio Group reviewed $3,896,268.19 of incurred expenses associated with Draw Request No. 78. Of the $3,896,268.19 reviewed, Schedio Group verified $3,896,268.19 as being associated with the design and construction of Public Improvements. DETERMINATION OF PUBLIC PRORATION PERCENTAGE

As final plats are not available for the entire Aurora Highlands ("AH") development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Total Area as a percentage from Norris Design, the planner for the Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire AH development. Schedio Group and Norris Design reserve the right to revise the project's Public Proration Percentage should additional information become available that would warrant such and either credit or debit the verified amount to date at that time.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

VERIFICATION OF PAYMENTS

As Draw No. 78 will be ratified during an upcoming board meeting, vendors have not yet received payment for services rendered as of the date of this report.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed a site visit on December6, 2024. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

Various job code changes were implemented between Draw 26 and Draw 78. These job code changes were determined by others (developer, program manager, construction manager, etc.). Schedio Group was not involved in determining the job code changes. Schedio Group has incorporated the job code changes into Draw 78. As a result of the job code changes, historical and current verified dollar amounts have, in some cases, shifted from one job code (project segment) to another job code (project segment), which has caused ARTA's financial obligation to change per the following agreements:

- Intergovernmental Agreement Among The Board Of County Commissioners Of The County Of Adams, The City of Aurora And The Aerotropolis Area Coordinating Metropolitan District Establishing The Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated February 27, 2018

- Intergovernmental Agreement Regarding Design and Construction of The Aurora Highlands Parkway Among Aerotropolis Area Coordinating Metropolitan District and Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated August 12, 2020

Schedio Group has been reviewing, and will continue to review, details associated with the cost code changes. Based on our reviews to date, Schedio Group has no reason to doubt the validity of the cost code changes. Schedio Group reserves the right to revise any verified amount(s) and its(their) respective assignment to a Cost Code or Job Code throughout the review process.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of costs associated with the design and construction of Public Improvements of similar type and function as those described in the attached Engineer's Report dated December 11, 2024.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that the Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that the Public Improvements considered in the attached Engineer's Report, from November 1, 2024, (date of Clanton Invoice No. 21094-25) to November 30, 2024 (date of Knight Pay App No. 6), are reasonably valued at **$3,155,968.73**.

In the opinion of the Independent Consulting Engineer, the above-stated value for soft, indirect, and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for payment from Aerotropolis Area Metropolitan Coordinating District to Vendors.

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs commonly referred to as "In-Tract Expenses" that are eligible to be paid for by the CAB. This Report is the 38th deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered June 24, 2020, states "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer"), and Richmond American Homes of Colorado, Inc. ("Builder") states "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements.".

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

SUMMARY OF FINDINGS

To date, Schedio Group has reviewed a total of $109,143,304.51 of incurred expenses associated with In-Tract Improvements. Of the $109,143,304.51 reviewed, Schedio Group has verified $80,170,846.14 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, to date, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer is $80,939,652.32.

Per *The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 37*, prepared by Schedio Group LLC and dated November 13, 2024 ("ERVC 37"), Schedio Group had verified $80,170,846.14 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was $80,170,846.14.

ΣΧΕΔΙΟ
SCHEDIO GROUP

Regarding this Report, Schedio Group has reviewed $790,525.49 incurred expenses associated with In-Tract Improvements and proofs of payments associated with current and previously reviewed expenses.

Of the $790,525.49 reviewed in expenses, Schedio Group has verified $768,806.18 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Proofs of payments from prior reports were received and included in the current report, causing the Total Verified Public Amount to be higher than the reviewed amount. Therefore, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer is **$768,806.18**. See *Figure 1 – Summary of Verified In-Tract Public Improvements Segregated by Source* and *Figure 2 – Summary of Verified Soft, Indirect, and Hard Costs Segregated by Service Plan Category* below.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated December 11, 2024.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that the in-tract public Improvements considered in the attached Engineer's Report from September 2024 through November 2024 are reasonably valued at **$768,806.18**.

In the opinion of the Independent Consulting Engineer, the above-stated value for soft, indirect, and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of **$768,806.18**.

The Secretary reported that, prior to the December 19, 2024 meeting, each of the members of the Board had been notified of the date, time and place of such meeting and the purpose for which such meeting was called; notice of the meeting was duly given and posted as required by law; and notice of the meeting was published in accordance with the CABEA.

Thereupon there was introduced the following resolution:

RESOLUTION

A RESOLUTION AUTHORIZING THE AURORA HIGHLANDS COMMUNITY AUTHORITY BOARD (THE "CAB") TO MAKE CERTAIN AMENDMENTS TO THE DOCUMENTS RELATING TO ITS SUBORDINATE SPECIAL TAX REVENUE DRAW DOWN BONDS, SERIES 2021B, ISSUED IN THE MAXIMUM PRINCIPAL AMOUNT OF UP TO $70,000,000 ("BONDS"), IN ORDER TO EXTEND THE PERIOD DURING WHICH THE CAB MAY MAKE DRAWS ON THE BONDS, WHICH IS NECESSARY AS A RESULT OF DELAYS IN THE CONSTRUCTION OF PUBLIC IMPROVEMENTS CAUSED BY CERTAIN ENTITITES, EVENTS AND CIRCUMSTANCES BEYOND THE CONTROL OF THE CAB; APPROVING AN AMENDMENT TO INDENTURE OF TRUST AND RELATED DOCUMENTS AND INSTRUMENTS IN CONNECTION THEREWITH, INCLUDING, WITHOUT LIMITATION, CERTAIN TAX DOCUMENTS REQUIRED UNDER THE TAX CODE; AUTHORIZING THE EXECUTION AND DELIVERY THEREOF AND PERFORMANCE BY THE CAB THEREUNDER; AUTHORIZING INCIDENTAL ACTION; REPEALING PRIOR INCONSISTENT ACTIONS; AND ESTABLISHING THE EFFECTIVE DATE HEREOF.

WHEREAS, the CAB is a public corporation and political subdivision of the State, duly organized and existing as a separate legal entity under the Colorado Constitution and other laws of the State, including particularly Title 29, Article 1, Part 2, C.R.S. (the "Act"); and

WHEREAS, the Aerotropolis Area Coordinating Metropolitan District (the "Coordinating District"); The Aurora Highlands Metropolitan District No. 1 ("District No. 1"); The Aurora Highlands Metropolitan District No. 2 ("District No. 2"); The Aurora Highlands Metropolitan District No. 3 ("District No. 3") and ATEC Metropolitan District No. 2 ("ATEC No. 2") (District No. 1, District No. 2, District No. 3, ATEC No. 2 and, if and when the Coordinating District is required to include property within its boundaries in accordance with the Inclusion Agreement and impose its mill levies in accordance with the Coordinating District Revenue Pledge Agreement, the Coordinating District, are referred to herein, collectively, as the "Financing Districts," and the Financing Districts, ATEC Metropolitan District No. 1 ("ATEC No. 1") and, to the extent the Coordinating District does not constitute a Financing District within the meaning hereof, the Coordinating District (are referred to herein, collectively, as the "CAB Districts") are quasi-municipal corporations and political subdivisions of the State, each duly organized and existing as a metropolitan district under the Colorado Constitution and other laws of the State, including particularly Title 32, Article 1, C.R.S.; and

WHEREAS, the CAB Districts have entered into that certain Third Amended and Restated The Aurora Highlands Community Authority Board Establishment Agreement, dated as of December 15, 2022 (originally effective November 21, 2019 and, as so amended and restated and as may be further modified or amended and restated from time to time in accordance with the provisions thereof and hereof, the "CABEA"), for the purpose of creating the CAB in order that the CAB may establish a method of coordinating, the design, planning, construction, acquisition, financing, operations and maintenance of the public infrastructure improvements serving and supporting the development of real property located within the Service Area of the CAB; and

WHEREAS, pursuant to the Act, the CAB generally may, to the extent provided by contract (such as the CABEA), exercise any general power of a special district specified in Part 10 of Article 1 of Title 32, C.R.S., other than levying a tax or exercising the power of eminent domain, and may additionally issue bonds payable solely from revenue derived from one or more of the functions, services, systems, or facilities of the CAB, from money received under contracts entered into by the CAB, or from other available money of the CAB; and

WHEREAS, the CAB is authorized pursuant to the Act and the CABEA to issue bonds for payment and/or reimbursement of the costs of the design, planning, acquisition, construction, installation, relocation, redevelopment and/or completion of the public infrastructure improvements serving and supporting the development of the real property in the Service Area of the CAB (the "Public improvements"), including, without limitation, the development of property in the Service Area known as the commonly known as The Aurora Highlands ("The Aurora Highlands Development"); and

WHEREAS, the CAB and the CAB Districts have developed a long term financing plan to fund the Public Improvements, which plan contemplates the issuance by the CAB from time to time of bonds and other obligations to finance and refinance such Public Improvements, and which plan contemplates updates by the CAB from time to time to take into account changing City approved development plans, real estate and financial markets, construction costs, availability of construction materials and such other matters as may arise over an extended period of time (the "Long Term Capital Improvements Plan"); and

WHEREAS, the Board of Directors of the CAB (the "Board") previously determined that it was in the best interests of the CAB, the Financing Districts, their respective inhabitants, taxpayers, and the public, that the CAB finance the design, planning, acquisition, construction, installation, relocation, redevelopment and/or completion of Public Improvements serving and supporting the development of real property in the Service Area of the CAB, including The Aurora Highlands Development, in furtherance of effectuating the Long Term Capital Improvements Plan (as more particularly defined in Section 1.01 of the Original Indenture (defined below), the "Project"); and

WHEREAS, the Board determined that for the purpose of financing a portion of the costs of the Project, the CAB was to issue its Subordinate Special Tax Revenue Draw Down Bonds, Series 2021B, in the aggregate maximum principal amount of up to $70,000,000 (the "Bonds"); and

WHEREAS, the Bonds were issued pursuant to an Indenture of Trust dated December 22, 2021 between the CAB and Zions Bancorporation, National Association, as trustee ("Trustee") thereunder (the "Original Indenture"); and

WHEREAS, the Bonds were issued as draw down bonds, and constitute "cash flow" subordinate special limited tax revenue obligations of the CAB, payable solely from and to the extent of the Subordinate Pledged Revenue; and

WHEREAS, the Bonds were issued pursuant to the provisions of the CABEA, the Act, and all other laws thereunto enabling; and

WHEREAS, the Original Indenture pursuant to which the Bonds were issued provided that the period during which draws could be made on the Bonds was the period from the Closing Date (as defined therein) to but not including the date which is the 36-month anniversary of the Closing Date (being December 22, 2024) (defined therein as the "Draw Period"); and

WHEREAS, the Original Indenture further provided that *in the event that less than 15% of the maximum principal amount of the Bonds authorized thereunder remained undrawn on the 36-month anniversary of the Closing Date*, the Draw Period could be extended from the Closing Date to, but not including, the date which is the 60-month anniversary of the Closing Date *with the written consent of the Consent Parties* with respect to 100% in aggregate principal amount of the Bonds then Outstanding and such other items as may be required by Bond Counsel; and

WHEREAS, no principal whatsoever has been drawn down on the Bonds as of the date hereof, and thus, the "less than 15% remaining undrawn" provision is not satisfied; therefore, an extension of the Draw Period cannot be done within the parameters of the Original Indenture simply by obtaining consent of 100% of the Consent Parties, and the Original Indenture must be amended in order to extend the Draw Period; and

WHEREAS, at the time of issuance of the Bonds, the CAB reasonably believed that the progress of development with the Financing Districts would occur at a rate and the corresponding required governmental approvals would be obtained in a time frame such that the land developer ("Developer") would be constructing and funding public improvements in the three-year period following the issuance of the Bonds costing at least $70,000,000, and that therefore the Bonds would be fully drawn down within 36 months from the Closing Date; and

WHEREAS, as a result of significant delays at the governmental level adversely affecting the process for obtaining the necessary development permits and approvals, the Developer was unable to complete the anticipated public improvements in the anticipated three-year time frame following the issuance of the Bonds; and

WHEREAS, the CAB and the Developer have conferred on the current status of matters relating to the necessary governmental approvals and the Developer has represented to the CAB that it expects to have Project Costs eligible for payment from amounts drawn down on the Bonds in the next 24 months in an amount at least equal to the amount available to be drawn down on the Bonds; and

WHEREAS, the Board has determined and hereby determines that it is in the best interests of the property owners, taxpayers and occupants within the Financing Districts and the Service Area of the CAB, including The Aurora Highlands Development, to extend the period for making draws on the Bonds in order to provide the planned public improvements; and

WHEREAS, pursuant to Section 18-8-308, C.R.S., all known potential conflicting interests of the members of the Board of Directors of the CAB (the "Directors") were disclosed to the Colorado Secretary of State and to the Board in writing at least 72 hours in advance of this meeting; additionally, in accordance with Section 24-18-110, C.R.S., the appropriate Board members have made disclosure of their personal and private interests relating to the Bonds in writing to the Secretary of State and the Board; finally, the Board members having such interests have stated for

the record immediately prior to consideration of this Resolution on first reading and the adoption of this Resolution on second reading the fact that they have such interests and the summary nature of such interests and the participation of those Board members is necessary to obtain a quorum or otherwise enable the Board to act; and

WHEREAS, the Board desires to authorize the execution and delivery of the Amendment Documents and the performance by the CAB thereunder, together with the execution, completion, and delivery of such certificates and other documents as may be necessary to effect the intent of this Resolution.
