The Bonds to be drawn will be dated the date of such draw and will comply in all respects with the 2020A Indenture and the Authorizing Resolution. The amount and date of such draws will be evidenced

by a notation in the records of the Authority. Such draw shall be further evidenced by a bond or bonds in Authorized Denominations, substantially in the form attached as Exhibit A to the 2020A Indenture.

The appropriate officers of the Authority are hereby authorized and directed to prepare and furnish to any interested person certified copies of all proceedings and records of the Authority relating to the Bonds and such other affidavits and certificates as may be required to show the facts relating to the authorization and issuance thereof.

Section 3. Delegation of Authority. The Board hereby delegates Matthew Hopper, the President of the Authority as the Authorized Delegate or such other authorized officer of the Authority to complete, revise and finalize the bond details for the Bonds to be drawn according to this Resolution, with the approval of the Authority's general counsel, to affect the purposes of the Authority.

Section 4. Findings and Declarations of the Board. The Board, having been fully informed of and having considered all the pertinent facts and circumstances, hereby finds, determines, and declares as follows:

(a) For the purpose of financing or reimbursing costs of the acquisition, construction and installation of the Public Improvements, the Board hereby determines to issue and make a draw on the Bonds.

(b) The Board specifically elects to apply all of the provisions of Title 11, Article 57, Part 2, C.R.S., to the Bonds.

Section 5. Authorization. In accordance with the Constitution of the State of Colorado; the Act; the Supplemental Public Securities Act; and all other laws of the State of Colorado thereunto enabling, the Authority shall issue the Bonds for the purposes of financing or reimbursing costs of the Public Improvements.

Section 6. Permitted Amendments to Resolution. Except as otherwise provided herein, the Authority may amend this Resolution in the same manner, and subject to the same terms and conditions, as apply to an amendment or supplement to the 2020A Indenture as provided therein.

Section 7. Authorization to Execute Other Documents and Instruments. The President, Vice President, Treasurer and Assistant Secretaries of the Authority shall, and they are each hereby authorized and directed, to take all actions necessary or appropriate to effectuate the provisions of this Resolution, including, but not limited to, such certificates, documents, instruments, and affidavits as may be reasonably required by Bond Counsel, the Trustee, or general counsel to the Authority. The execution by the President, Vice President, Treasurer or any Assistant Secretary of any document not inconsistent herewith shall be conclusive proof of the approval by the Authority of the terms thereof.

Section 8. Pledge. The creation, perfection, enforcement, and priority of the pledge of the Pledged Revenue to secure the payment of the principal of, premium, if any, and interest on the Bonds shall be governed by Section 11-57-208 of the Supplemental Public Securities Act, the 2020A Indenture, and this Resolution. The amounts pledged to the payment of the principal of, premium, if any, and interest on the Bonds shall immediately be subject to the liens of such pledges without any physical delivery, filing, or further act. Such recourse shall not be available either directly or indirectly through the Board or the Authority, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of a Bond, each purchaser or transferee thereof specifically waives any such recourse.

Section 10. Conclusive Recital. Pursuant to Section 11-57-210 of the Supplemental Public Securities Act, the Bonds shall contain a recital that the Bonds are issued pursuant to certain provisions of the Supplemental Public Securities Act. Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after delivery for value.

Section 11. Limitation of Actions. Pursuant to Section 11-57-212 of the Supplemental Public Securities Act, no legal or equitable action brought with respect to any legislative acts or proceedings in connection with the authorization or issuance of the Bonds shall be commenced more than thirty days after the authorization of such securities.

Section 12. Ratification and Approval of Prior Actions. All actions heretofore taken by the officers and agents of the Authority and the members of the Board, not inconsistent with the provisions of this Resolution, relating to the authorization and issuance of the Bonds, or the execution and delivery of any documents in connection therewith, are hereby ratified, approved, and affirmed.

Section 13. Resolution Irrepealable. After the issuance of the Bonds, this Resolution shall be and remain irrepealable until such time as the Bonds shall have been fully discharged pursuant to the terms thereof and of the Indentures.

Section 14. Repealer. All orders, bylaws, and resolutions of the Authority, or parts thereof, inconsistent or in conflict with this Resolution, are hereby repealed to the extent only of such inconsistency or conflict.

Section 15. Severability. If any section, paragraph, clause, or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "District") on December 11, 2018. Task Order 01 AACMD/ARTA - Cost Verification was approved on December 19, 2018. This Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is Schedio Group's second deliverable associated with Task Order 01 of the MSA as it pertains to AACMD.

Section 4.1 of the First Amended and Restated Facilities Funding and Acquisition Agreement entered into on August 23, 2018, between Aerotropolis Area Coordinating Metropolitan District and Aurora Highlands, LLC, a Nevada limited liability company ("Developer") states, "...the District agrees to make payment to the Developer for all Developer Advances and /or Verified Costs, together with interest thereon." This report and verification consist of a review of costs incurred, and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

SUMMARY OF FINDINGS

Schedio Group reviewed \$3,031,734.38 of expenses incurred associated with Draw Request No. 25. Of the \$3,031,734.38 reviewed, Schedio Group verified \$3,031,734.38 as being associated with the design and construction of Public Improvements; of which, \$2,931,167.39 is associated with AACMD, \$51,297.77 with ATEC Metropolitan District ("ATEC MD"), and \$49,269.22 with Aerotropolis Regional Transportation Authority ("ARTA"). As costs associated with ARTA are reviewed and verified separately, they will not be included in this Report. The total amount verified associated with AACMD and ATEC MD is \$2,982,465.16.

For a summary of verified expenses associated with the design and construction of Public Improvements for AACMD and ATEC MD, please see *Figure 1 – Summary of Verified Expenses for AACMD and ATEC MD*. For a more detailed accounting of costs reviewed, verified, and segregated by project and vendor, see *Exhibit A – Summary of Costs Reviewed*.

In addition to the above verified amounts, due to ARTA receiving a \$429,551.30 credit via Draw No. 25*, the Total Amount Verified herein, as costs associated with the design and construction of public improvements, is **\$3,412,016.46** (\$2,982,465.16 + \$429,551.30).

DETERMINATION OF PUBLIC PRORATION PERCENTAGE

As final plats are not available for the entire The Aurora Highlands (“TAH”) development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Total Area as a percentage from Norris Design, the planner for The Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire TAH development. Schedio Group and Norris Design reserve the right to revise the project’s Public Proration Percentage should additional information become available that would warrant such and either credit or debit the verified amount to date at that time.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. With one exception, Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales. The noted exception was costs associated with Big West Consulting invoices.

Although Big West Consulting costs are shown in this Report as being verified at 100%, Schedio Group will ultimately verify Big West Consulting costs at 50%, as \$300.00 per hour is not a reasonable or industry standard rate in the Denver Metro Area for professional services related to landscape design and/or procurement of landscape materials. Detailed communications were had with representatives of both Norris Design and Brightview while considering the Big West invoices.

The adjustment to the Big West Consulting costs associated with this Report (Draw No. 25) will occur in Schedio Group’s Engineer’s Report and Verification of Costs associated with Draw No. 26, at which time all appropriate credits or debits will be made.

VERIFICATION OF PAYMENTS

As Draw No. 25 was ratified during a board meeting on July 16, 2020, vendors have not yet received payment for services rendered as of the date of this report.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed a site visit on July 16, 2020. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group, LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction and verification of costs associated with the design and construction of Public Improvements of similar type and function as those described in the attached Engineer's Report dated July 17, 2020.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report, from West Direct Equipment Savers Invoice No. 43568859 dated May 1, 2020 through Summit Strategies Invoice No. 1265 dated July 7, 2020, including a credit to ARTA, are reasonably valued at **\$3,412,016.46**.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for reimbursement from Aerotropolis Area Metropolitan Coordinating District to Aurora Highlands, LLC, a Nevada limited liability company.
