Bonds, notes, or other financial obligations issued under this Section are not an indebtedness of the CAB or the cooperating or contracting parties within the meaning of any provision or limitation specified in the Colorado Constitution or statutes. Each Bond, note, or other financial obligation issued under this Section must recite in substance that it is payable solely from the revenues and other available funds of the CAB pledged for the payment thereof, and that it is not a debt of the CAB or the cooperating or contracting parties within the meaning of any provision or limitation specified in the Colorado Constitution or statutes. Notwithstanding anything in this Section to the contrary, Bonds, notes, and other obligations may be issued to mature at such times not beyond forty (40) years from their respective issue dates, shall bear interest at such rates, and shall be sold at, above, or below the principal amount thereof, at a public or private sale, all as determined by the CAB Board. Interest on any Bond, note, or other financial obligation issued under this Section is exempt from taxation except as otherwise may be provided by law. The resolution, trust indenture, or other security agreement under which Bonds, notes, or other financial obligations are issued is a contract with the holders thereof and may contain such provisions as the CAB Board determines to be appropriate and necessary in connection with the issuance thereof and to provide security for the payment thereof, including, without limitation, any mortgage or other security interest in revenue, money, rights, or property of the CAB. The provisions of this Section shall apply to any Bonds issued by the CAB.
- (a) The proceeds of any Bonds, the interest on which is intended to be excludable from gross income of the bondholders thereof for federal income tax purposes, shall be used solely to finance items that will not adversely affect the exclusion of such interest from such gross income.
- (b) The CAB Districts acknowledge that the CAB may enter into pledge agreements with one or more CAB Districts, pursuant to which such CAB District(s) will be obligated to impose *ad valorem* property taxes for the payment of obligations issued by the CAB to fund Actual Capital Costs of Public Improvements. Notwithstanding any other provision contained in this CABEA, for so long as there remains in effect between the CAB and any CAB District such a pledge agreement, the provisions of such pledge agreement shall supersede every financial obligation of such CAB District under this CABEA with respect to the funding of

Actual Costs of Public Improvements. Any provisions of this CABEA purporting to require such CAB District to impose *ad valorem* property taxes, collect Development Fees, or otherwise pay moneys to the CAB to fund Actual Capital Costs of Public Improvements shall be of no force and effect during the term of such pledge agreement by the terms of the pledge agreement, and the application of any moneys to be imposed, collected, or received by the CAB District under such pledge agreement for the purpose of funding Actual Capital Costs of Public Improvements shall be governed solely by the terms of such pledge agreement.

The CAB Districts acknowledge that the CAB may enter into pledge agreements with one or more CAB Districts, pursuant to which such CAB District(s) will be obligated to impose ad valorem property taxes for the payment of the cost of Operations and Maintenance Services and to fund obligations issued by the CAB to reimburse Developer advances to fund the cost of Operations and Maintenance Services. Notwithstanding any other provision contained in this CABEA, for so long as there remains in effect between the CAB and any CAB District such a pledge agreement, the provisions of such pledge agreement shall supersede every financial obligation of such CAB District under this CABEA with respect to the funding of Operations and Maintenance Services and the repayment of Developer advances to fund the cost of Operations and Maintenance Services. Any provisions of this CABEA purporting to require such CAB District to impose ad valorem property taxes, collect Fees, or otherwise pay moneys to the CAB to fund Operations and Maintenance Services shall be of no force and effect during the term of such pledge agreement by the terms of the pledge agreement, and the application of any moneys to be imposed, collected, or received by the CAB District under such pledge agreement for the purpose of funding the cost of Operations and Maintenance Service shall be governed solely by the terms of such pledge agreement.

5.4 Funding Account.

- (a) Prior to or upon the execution of this CABEA, the CAB will establish the Funding Account.
- (b) All revenue received by the CAB Districts (exclusive of any revenue received from the imposition of an ARI Mill Levy imposed pursuant to the AACMD/ARTA ARI Mill Levy IGA or the CAB Districts ARI Mill Levy IGAs) will be transferred on a monthly basis to the CAB for deposit in the Funding Account and application in accordance with the Final Budget for the Budget Year. Notwithstanding the foregoing, if any Bond document or any pledge agreement with respect to any outstanding obligations of any CAB District requires revenue to be deposited directly with a bond trustee or other Third-Person, the applicable CAB District(s) shall be entitled to make such payments, and the failure to deposit such funds into the Funding Account shall not be considered a default under this CABEA. The CAB District(s) making such deposits shall provide the remaining CAB Districts with appropriate supporting documentation evidencing that such deposits are being made in a timely manner.
- (c) The CAB shall, pursuant to each CAB District's respective Final Budget, deposit the required portion of revenues from Development Fees, revenue Bond proceeds, and any other revenues received from other sources, including Developer Capital Advances, into the Funding Account.

- (d) Each CAB District acknowledges that the CAB may borrow funds for deposit into the Funding Account in reliance on each CAB District's covenants to comply with the requirements of this CABEA.
- 5.5 <u>Disbursement of Funds</u>. The CAB shall have the sole authority to withdraw moneys from the Funding Account for use in the payment of Actual Capital Costs and Actual Operations and Maintenance Costs as specified by the Final Budget for the CAB. Such funds, together with any interest thereon, shall be used only to pay Actual Capital Costs and Actual Operations and Maintenance Costs incurred by the CAB. The CAB shall provide each CAB District with an annual audit reflecting funds withdrawn and payments made from the Funding Account.
- 5.6 <u>Interest on Bonds</u>. With respect to the CAB Bonds, the CAB Districts covenants they will not take any action or omit to take any action, if such action or omission would cause the interest on such Bonds to lose any of the following applicable exclusion(s):
- (a) exclusion from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "**Tax Code**");
- (b) exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code except to the extent such interest is required to be included in the adjusted current earnings adjustments applicable to corporations under Section 56 of the Tax Code in calculating corporate alternative minimum taxable income; or
- (c) exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law.

Without limiting the generality of the foregoing, the CAB shall maintain such records regarding the investment of the proceeds of any Bonds that are issued by either the CAB to fulfill any rebate obligations pursuant to Section 148 of the Tax Code. The foregoing covenant shall remain in full force and effect, notwithstanding the payment in full or defeasance of the Bonds, until the date on which all obligations of the CAB in fulfilling the above covenant under the Tax Code and State law have been met.

5.7 Pledge of Payment. The CAB Districts acknowledge that the CAB will determine the Actual Capital Costs and the Actual Operations and Maintenance Costs and will determine the mill levy that, if imposed by all CAB Districts and together with projected Fee revenue, would be sufficient to pay such Actual Capital Costs and Actual Operations and Maintenance Costs. The CAB Districts further agree to impose such mill levies as are determined by the CAB to be sufficient, together with projected Fee revenue, to pay Actual Capital Costs and Actual Operations and Maintenance Costs. The financial obligations of the CAB Districts to remit CAB District revenues to the CAB to fund the Actual Capital Costs and Actual Operations and Maintenance Costs under this CABEA shall be Multiple-Fiscal Year Financial Obligations of each CAB District, payable from ad valorem property taxes generated as a result of the certification by each CAB District of a debt service and operations mill levy and any revenue derived from Development Fees or other Fees, rates, tolls, or other charges of the CAB Districts. The full faith and credit of each CAB District, as limited by this CABEA, is hereby pledged to

the punctual payment of the amounts to be paid under this CABEA. Such amounts shall, to the extent necessary, be paid out of the general revenues of each CAB District or out of any funds available for that purpose.

For the purpose of raising such general revenues, and for the purpose of providing the necessary funds to make payments under this CABEA as the same become due, the Board of each CAB District shall annually determine, fix, and certify a rate of levy for *ad valorem* property taxes to the County, which when levied on all of the taxable property of such CAB District, shall raise direct *ad valorem* property tax revenues which, when added to other funds of the CAB District legally available therefor, will be sufficient to promptly and fully pay the amounts to be paid under this CABEA, as well as all other Multiple-Fiscal Year Financial Obligations or general obligation indebtedness of such CAB District, as the same become due. Except as limited in this CABEA, each CAB District covenants to levy such mills which are from time to time lawful, and as necessary, together with other moneys of the CAB District, to pay the amounts to be paid under this CABEA, along with all other general obligation indebtedness or Multiple-Fiscal Year Financial Obligations of the CAB District.

Notwithstanding anything to the contrary set forth in this CABEA, no CAB District shall be obligated to impose a mill levy in excess of what is allowable under its Service Plan.

5.8 Effectuation of Pledge; Appropriation; Regulatory Amendment. Except as limited by this CABEA, the amounts to be paid under this CABEA are hereby appropriated for that purpose, and such amounts shall be included in the annual budgets and the appropriation resolutions or measures to be adopted or passed by the board of directors of each CAB District in each year this CABEA remains in effect. The CAB shall direct the mill levy to be imposed each year by the CAB Districts. No provisions of any constitution, statute, resolution, or other measure enacted after the execution of this CABEA shall in any manner be construed as limiting or impairing the obligations of a CAB District to levy, administer, enforce, and collect the ad valorem property taxes and other revenues required for the payment of its obligations under this CABEA.

It shall be the duty of the Board of each CAB District annually, at the time and in the manner provided by law for the levying of such CAB District's taxes, to ratify and carry out the provisions of this CABEA regarding the levy and collection of the *ad valorem* property taxes specified under this CABEA, and to require the officers of the CAB District to cause the appropriate officials of the County, to levy, extend, and collect such taxes in the manner provided by law.

5.9 CAB Reliance; Funding Obligations Pending Dispute Resolution. The CAB Districts agree that their authority to modify this CABEA is limited so as to prohibit a repeal of the obligations set forth in this CABEA. The CAB Districts each agree, notwithstanding any fact, circumstance, dispute, or any other matter, that it will not take or fail to take any action which would delay a payment to the CAB or impair the CAB's ability to receive payment due under this CABEA. Each CAB District acknowledges that the CAB may issue revenue Bonds and the CAB may obtain financial commitments and security for its Bonds from Third-Persons, all of whom shall be relying on performance of the payment obligations of the CAB Districts under this CABEA. The purpose of this Section is to ensure that the CAB receives all payment

due under this CABEA in a timely manner so that the CAB may pay Actual Capital Costs and Actual Operations and Maintenance Costs. Notwithstanding that the bondholders are not in any manner third party beneficiaries of this CABEA, and do not have any rights in or rights to enforce or consent to amendment of this CABEA, each CAB District agrees that during the pendency of any litigation which may arise under this CABEA, all payments shall be made by such CAB District for the purpose of enabling the CAB to make payments on its Bonds. If a CAB District believes it has valid defenses, setoffs, counterclaims, or other claims, it shall make all payments to the CAB as described in this CABEA and seek to recover such payments by actions at law or in equity for damages or specific performance.

5.10 <u>Parameters for Bond Issuance</u>. Unless otherwise previously approved in writing by the City, all Bonds issued by any of the CAB Districts and/or the CAB shall be subject to the applicable provisions of the CAB Districts' Service Plans.

The CAB shall appoint not less than five (5) members to the TAH Design Review Committee, three (3) of whom having experience in architecture, engineering, land planning, landscape architecture, real estate development, contracting, building, code enforcement, or a related field that the CAB Board deems relevant and appropriate.

In such case, the written resolution of the board of directors of the Terminating District shall establish a Transition Period of ninety (90) to one hundred twenty (120) days to unwind the mutual covenants of this CABEA related to the Covenant Enforcement Services. During such transition period, the Terminating District agrees to work cooperatively with the CAB and the other CAB Districts to develop and execute transition procedures that minimize impact to the CAB Districts' property owners.

RECITALS

- A. The CAB was organized pursuant to Section 29-1-203.5, C.R.S., and The Aurora Highlands Community Authority Board Establishment Agreement approved on November 21, 2019 (the "CABEA") by Aerotropolis Area Coordinating Metropolitan District ("AACMD"), The Aurora Highlands Metropolitan District Nos. 1 through 3 (together, "TAH"), and ATEC Metropolitan District Nos. 1 and 2 (together, "ATEC" and, collectively with AACMD and TAH, the "CAB Districts") for the general purposes of effectuating the coordination of the CAB Districts in the financing of the operation and maintenance of Public Improvements (defined therein) and services within their combined service area (the "Service Area").
- B. The Developer has an interest in and is the current master developer of a residential and retail commercial development located in the City of Aurora, Colorado (the "City") commonly known as The Aurora Highlands (the "Property"), which Property is located within the Service Area.
- C. In order for the Property to be developed, the Public Improvements must be designed, funded, acquired, constructed, or installed, including the In-Tract Improvements, defined below.
- D. Funds related to the design, testing, engineering, and construction of the Public Improvements, together with the related consultant and management fees associated with the construction of the Public Improvements, will be expended on the In-Tract Improvements ("Construction Related Expenses").
- E. The CABEA provides, in part, that the CAB shall adopt, and from time to time amend, a "**Long Term Capital Improvements Plan**" and have the authority to plan for, design, engineer, test, construct and acquire Public Improvements ("**Long Term Capital Improvements Plan**").
- F. The Developer has entered into one and will enter into more agreements for the purchase and sale of real estate with builders and developers of the Property ("**Builders**").

- I. The CAB does not have funds available to construct the In-Tract Improvements and the CAB and the Developer have determined that for reasons of economic efficiency and timeliness, it is in the best interest of the CAB to have the CAB, the Developer and each Builder enter into Waiver and Release of Reimbursement Rights Agreement pursuant to which the Builder will finance, design, engineer, test, and construct the In-Tract Improvements.
- J. It is the intent of the CAB that bonds be issued to the Developer pursuant to a Resolution adopted by the CAB and the Indenture of Trust relating to the Subordinate Special Tax Revenue Draw-Down Bonds, Series 2020B ("Subordinate Indenture") to be exchanged, over time, for the Verified Costs of the In-Tract Improvements pursuant to the terms thereof ("Subordinate Bonds").

3.6 <u>Further Acts</u>. Each of the Parties hereto shall execute and deliver all such documents and perform all such acts as reasonably necessary, from time to time, to carry out the matters contemplated in this Agreement.

- 3.7 Not to be Construed Against Drafter; No Implied Waiver. This Agreement shall not be construed more strictly against one Party than the other merely by virtue of the fact that it may have been initially drafted by one of the Parties or its counsel. No failure by a Party to insist upon the strict performance of any term, covenant, or provision contained in this Agreement, no failure by a Party to exercise any right or remedy under this Agreement, and no acceptance of full or partial payment owed to a Party during the continuance of any default by the other Party shall constitute a waiver of any such default unless such waiver is made in writing by the Party to be bound thereby. - 3.10 Governing Law and Jurisdiction. This Agreement shall be governed and construed under the laws of the State of Colorado. Venue for any legal action relating to this Agreement shall be exclusive to the State District Court in and for the County of Adams, Colorado.
- 3.11 <u>Inurement</u>. Each of the terms, covenants and conditions hereof shall be binding upon and inure to the benefit of the Parties hereto and their respective permitted successors and assigns.
- 3.12 <u>Integration</u>. This Agreement constitutes the entire agreement between the Parties with respect to the matters addressed herein. All prior discussions and negotiations regarding the subject matter hereof are merged herein.
- 3.13 <u>Severability</u>. If any covenant, term, condition, or provision under this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such covenant, term, condition, or provision shall not affect any other provision contained herein, the intention being that such provisions are severable.
- 3.14 <u>Counterparts</u>. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one and the same document.
- 3.15 <u>Paragraph Headings</u>. Paragraph headings are inserted for convenience of reference only.

3.16 <u>Amendment</u>. This Agreement may be amended from time to time by agreement between the Parties hereto; provided, however, that no amendment, modification, or alteration of the terms or provisions hereof shall be binding upon the CAB or the Developer unless the same is in writing and duly executed by the Parties hereto.

COVENANTS AND AGREEMENTS

- 1. Acknowledgement of Anticipated Shortfall. The CAB anticipates that it will not have sufficient revenues to make payment of all of its Operations and Maintenance Expenses for fiscal years 2019 through 2025. Operations and Maintenance Expenses include, but are not limited to, expenses related to statutory compliance, insurance, and the maintenance of facilities under construction or already constructed as of Januarys 1st of each fiscal year covered by this Agreement. Operations and Maintenance Expenses do not include the capital costs of construction projects. In no event shall the Operations and Maintenance Expenses include the payment of principal or interest on any bonds or promissory notes issued by the CAB. The CAB anticipates a shortfall in revenues available for Operations and Maintenance Expenses to be incurred for fiscal years 2019 through 2025 in an aggregate amount of Ten Million Dollars (\$10,000,000) (the "Maximum Shortfall Amount").
- 2. Payment of Budgeted Shortfall. The Developer shall advance funds necessary to fund, or shall directly pay, the CAB's operations, maintenance and administrative expenses on a periodic basis as needed for the fiscal years 2019 through 2025 up to the Annual Shortfall Amount (defined below). The CAB shall, from time to time, provide written notice to the Developer that an advance of all or part of the Annual Shortfall Amount is required. The Developer shall make an advance of funds to the CAB within thirty (30) days of receipt from the CAB of any such written notice that an advance of funds is required ("**Developer Advance**").
- (a) The "**Annual Shortfall Amount**" shall be the shortfall amount budgeted by the CAB for each fiscal year under this Agreement. For the purposes of determining the

Annual Shortfall Amount, on or before October 15 of each year, the CAB shall prepare and deliver to the Developer a proposed budget for the forthcoming budget year which shall include all anticipated general fund revenues and all reasonably anticipated Operations and maintenance Expenses. The Developer shall have thirty (30) days to review and either approve or reject the budget and Annual Shortfall Amount, which approval may include all or any portion of the Operation and Maintenance Expenses represented thereby. If the Develop does not provide any objection to the proposed budget in writing within the thirty- (30)-day review period, the Developer shall be deemed to have approved of and authorized funding of the Annual Shortfall Amount.

- If the Developer rejects all or any portion of the proposed budget, the (b) CAB shall either: (1) remove the objected items; or (2) retain the proposed budget but provide an identification of the Essential Services (hereinafter defined) and return the same to the Developer within ten (10) days following receipt of the Developer's written objection. For purposes hereof "Essential Services" means: (1) the cost of all statutory compliance, including, but not limited to, audit, budget preparation, accounting and required filings with the state or county; (2) the cost associated with any obligations created pursuant to contract entered into prior to the next ensuing budget year (but excluding any debt service payments on bonded indebtedness); (3) reasonable operations and maintenance services for public improvements owned by the CAB, including, but not limited to, all necessary insurance, repair and maintenance; (4) costs to be incurred by the CAB in mediation, arbitration or litigation as and if elected by the Developer below; and (5) such other reasonable costs necessary to provide services to the community; provided, however, that Essential Services shall not include optional services or services which are social in nature. In the event the Developer disagrees with any of the CAB's designation of Essential Services, then the Developer shall nonetheless be obligated to fund such Essential Services; however, the Developer shall have the right to elect mediation, arbitration, or litigation in accordance with this Agreement with respect to the designation of such Essential Services. If the Developer does not elect to proceed to mediation, arbitration or litigation within thirty (30) days following the CAB's designation of the Essential Services, the Developer shall be deemed to have waived such objection and shall have no further right to object to the designation of those Essential Services during that fiscal year. If, however, as a result of such mediation, arbitration, or litigation, a determination is made that some or all the expenses do not constitute Essential Services, upon such determination the Developer's funding obligation for that particular expense shall cease and the CAB shall either remove such expense from the proposed budget or obtain a different funding source for such expense.
- (c) The CAB and the Developer may agree to the advance of additional Operations and Maintenance Expenses above those included in the Annual Shortfall Amount or the Maximum Shortfall Amount. Upon written approval by the Developer of these additional Operations and Maintenance Expenses, the amount of the additional Operations and Maintenance Expenses shall be included in the CAB's budget and the Annual Shortfall Amount or Maximum Shortfall Amount shall be increased by an amount equal to such additional Operations and Maintenance Expenses.
- (d) In addition to the foregoing, the CAB shall, at the time and in the manner required by law, conduct a budget hearing on the proposed budget and shall provide the Developer with notice of the date, time, and location of the budget hearing, together with a copy

of the preliminary budget, as soon as practicable upon scheduling of the budget hearing (the "**Budget Hearing**"). No later than December 15th of each year and after compliance with this Section, the CAB shall adopt a budget for the next fiscal year and provide a copy of the final budget to the Developer the ("**Adopted Budget**").

- (e) Any budget amendments shall follow the same procedures set forth in this Section 2.
- 3. Request for Additional Developer Advance. If the CAB requires additional advances above the Annual Shortfall Amount or the Maximum Shortfall Amount from the Developer in order to meet its operation and maintenance expenses, the CAB shall request such additional funds in writing. Such request shall be accompanied by written explanation regarding the reasons additional funds are required. The Developer shall provide such additional funds within fifteen (15) days of receipt of notice requesting such funds. The amount of the additional funds shall be added to and included in the Annual Shortfall Amount and the Maximum Shortfall Amount.
- 4. <u>Accounting</u>. The Developer shall provide the CAB with written documentation relative to any expenses paid directly to consultants. The CAB shall keep an accounting of each Developer Advance, including the accrued and unpaid interest on such advances, and shall provide unaudited financial statements reflecting this accounting of Developer Advances to the Developer on a monthly basis.
- 5. <u>HC Reimbursement Amount</u>. The Developer acknowledges the CAB has assumed, pursuant to the CABEA, the responsibility for advances made to AACMD by HC Development and Management Services Inc. ("HC") pursuant to an Advance and Reimbursement Agreement by and between AACMD, f/k/a Green Valley Ranch East Metropolitan District No. 1 and HC Development and Management Services Inc. dated January 19, 2015 ("HC Funding Agreement"). The amount owing to HC as of June 30, 2019, including interest, is \$143,018.72 and continues to accrue interest from July 1, 2019 until paid in full pursuant to the terms of the HC Funding Agreement ("HC Reimbursement Amount"). The Developer acknowledges the CAB shall reimburse the HC Reimbursement Amount to HC prior to payment of any amounts owing to Developer hereunder.
- Advances whether advanced to the CAB or directly paid to consultants of the CAB by the Developer, pursuant to this Agreement, including any amounts paid directly by the Developer during any period of inactive status pursuant to Section 7 below, to the extent it has funds available from the imposition of its taxes, fees, rates, tolls, penalties and charges, and from any other revenue legally available, after the payment of its annual debt service obligations and annual operations, maintenance and administrative expenses, which repayment is subject to annual budget and appropriation. Simple interest shall accrue on each Developer Advance from the date of deposit into the CAB's account or from the date of direct payment by the Developer, until paid, at the rate of eight percent (8%) per annum. It is hereby agreed and acknowledged that this Agreement evidences an intent to reimburse the Developer hereunder, but that this Agreement shall not constitute a debt or indebtedness of the CAB within the meaning of any constitutional or statutory provision, nor shall it constitute a multiple fiscal year financial

obligation, and the making of any reimbursement hereunder shall be at all times subject to annual appropriation by the CAB in its absolute discretion. By acceptance of this Agreement, the Developer agrees and consents to all of the limitations in respect of the payment of the principal and interest due hereunder and in the CAB's Service Plan.

- 7. Priority of Payments. Subject to the provisions of Section 6 above, payments to reimburse the Developer shall be made on December 2 of each year and shall be applied as follows: (a) first to the 2017-2018 OFA accrued and unpaid interest and then to the 2017-2018 principal amount due; then (b) to the 2019 OFA accrued and unpaid interest and then to the 2019 OFA principal amount due; and then (c) first to the accrued and unpaid interest and then to the principal amount due pursuant to this Agreement.
- 8. <u>Representations</u>. The Developer hereby represents and warrants to and for the benefit of the CAB as follows:
- (a) The Developer is a Nevada limited liability company in good standing and qualified to conduct business under the laws of the State of Colorado.
- (b) The Developer has the full power and legal authority to enter into this Agreement. Neither the execution nor delivery of this Agreement nor the compliance by the Developer with any of its terms, covenants or conditions is or shall become a default under any other agreement or contract to which Developer is a party or by which the Developer is or may be bound. Developer has taken or performed all requisite acts or actions which may be required by its organizational or operational documents to confirm its authority to execute, deliver and perform each of its obligations under this Agreement.

RESOLUTION NO. 2020-04-

RESOLUTION OF THE BOARD OF DIRECTORS OF THE AURORA HIGHLANDS COMMUNITY AUTHORITY BOARD IMPOSING FACILITIES FEES ON RESIDENTIAL AND COMMERCIAL PROPERTY

- A. The Aurora Highlands Community Authority Board (the "CAB") is a political subdivision and public corporation of the State of Colorado created pursuant to Section 29-1-203.5, C.R.S., and that certain The Aurora Highlands Community Authority Board Establishment Agreement, made and entered into effective November 21, 2019 (the "CABEA"), by and between Aerotropolis Area Coordinating Metropolitan District, The Aurora Highlands Metropolitan District Nos. 1 through 3, and ATEC Metropolitan District Nos. 1 and 2 (collectively, the "Districts").
- B. The CAB is authorized in the CABEA to impose and, from time to time, increase or decrease fees, rates, tolls, penalties, or charges for services, programs, and facilities furnished by the CAB on behalf of the Districts in accordance with the approved Service Plans for the Districts and Section 32-1-1001(1)(j) and (k), C.R.S.
- C. Section 32-1-1001(1)(j), C.R.S., also provides that until paid, all such fees, rates, tolls, penalties or charges shall constitute a perpetual lien on and against the property served, which lien may be foreclosed in the same manner as provided by the laws of the State of Colorado for the foreclosure of mechanics' liens.
- D. The CABEA further provides that the CAB is authorized to provide for various improvements, including, but not limited to, water, sewer, street, park and recreation, and other public improvements needed for the area served by the Districts and all other necessary, incidental and appurtenant facilities (the "**Public Improvements**").
- E. The Districts and the CAB anticipate that the CAB will be the issuer of certain bonds to be incurred for purposes of financing the Public Improvements.
- F. The CAB has determined that the Public Improvements to be provided by the CAB and/or, in the future, one or more additional Districts, would be of benefit to the residents and taxpayers of the Districts, and therefore, to assist the Districts and the CAB in defraying the costs of the Public Improvements, the CAB desires to establish a fee for services and/or facilities provided by the CAB, to be imposed upon single-family residential property (the "Single-Family Residential Facilities Fee"), multi-family residential property (the "Multi-Family Residential Facilities Fee"), within the Districts (the Single-Family Residential Facilities Fee, Multi-Family Residential Facilities Fee, and the Commercial Facilities Fee referred to collectively herein as the "Facilities Fee(s)").
- G. The property currently within the boundaries of the Districts is described on **Exhibit A** attached hereto and incorporated herein and, as additional property is included within the boundaries of the Districts, such additional property shall become subject to either the Residential Facilities Fee or the Commercial Facilities Fee.

NOW, THEREFORE, be it resolved by the Board of Directors of The Aurora Highlands Community Authority Board, Adams County, Colorado, that:

- 1. <u>Definitions</u>. The following capitalized terms shall have the respective meanings set forth below:
 - "Commercial Space" means the gross square footage of interior space intended for non-residential use within any buildings, excluding parking structures, constructed within the Property for which a building permit is required by the City, as determined according to the area described in the building permit for such space.
 - "Multi-Family Residential Dwelling Unit" means each dwelling unit within any residential building intended to be rented for occupancy by multiple individuals or families.

- ii. each dwelling unit within any residential building intended to be owned and for occupancy by multiple individuals or families.
- 2. <u>Adoption of Facilities Fees</u>. The Board of Directors of the CAB hereby finds, determines, and declares that it is in the interest of the CAB, the Districts, and their inhabitants and taxpayers to exercise their power to impose the following Facilities Fees:

- 2. <u>Payment of Facilities Fees</u>. Facilities Fees are due and shall be paid within ten (10) days of the issuance of each building permit unless otherwise specified by resolution of the CAB (the "**Due Date**"). The Facilities Fees shall be paid to the CAB. The CAB may impose

penalties for non-compliance as permitted by law. Upon collection of the Facilities Fee by the CAB and provision of an adequate legal description of the subject property, the CAB shall cause a release of its lien applicable to the subject property. Without limiting the foregoing, a late charge on any past-due amounts shall accrue from the date due at a rate of \$150.00 per month, or up to five percent (5%) per month, not to exceed twenty-five percent (25%) of the amount due, whichever is greater, pursuant to Section 29-1-1102(3), C.R.S. Interest will also accrue on the outstanding Facilities Fee, exclusive of assessed late fees, from and after the Due Date, at the rate of 18% per annum pursuant to Section 29-1-102(7), C.R.S.

- 3. <u>Prepayment of Facilities Fees.</u> Nothing herein shall prevent any party from prepaying the respective Facilities Fee at any time with the consent of the CAB. Prepaid Facilities Fees shall not be refunded or reimbursed.
- 4. <u>Modification/Future Events</u>. The Facilities Fees adopted herein, and the rate, thereof have been established based on projected budgetary requirements of the CAB using various assumptions regarding the cost of Public Improvements, bond issues and interest rates therefor, together with operations expenses and maintenance expenses. Actual costs may differ from projections, and the CAB may determine to modify the Facilities Fees imposed hereunder based upon actual circumstances.
- 5. <u>Notification/Collection</u>. The appropriate officers, agents and/or employees of the CAB are hereby authorized to establish a system for notification of adoption of this Resolution and collection of amounts due hereunder. Such notification shall provide for the recording of this Resolution or of an appropriate Notice of Facilities Fee upon the property to be charged.
- 6. <u>Status as Lien/Foreclosure</u>. Pursuant to Section 32-1-1001(1)(j), C.R.S., the Facilities Fees shall, until paid, constitute a perpetual lien on and against the property subjected to the Facilities Fees hereunder from and after the date of adoption of this Resolution by the Board of Directors of the CAB, which lien may, in the event of non-payment of the Facilities Fee as required in this Resolution, be foreclosed upon in the same manner as provided by the Laws of the State of Colorado for the foreclosure of mechanics' liens. Upon payment of the appropriate Facilities Fee and a request by the party making the payment, the properties subject to such Facilities Fee shall be released from the lien thereof by the recording of a form of Release of Lien by the CAB.
- 5. <u>Legal Action</u>. The CAB shall be entitled to institute such remedies and collection proceedings as may be authorized under Colorado law, including, but not limited to, foreclosure of its perpetual lien with respect to any Single-Family Residential Dwelling Unit, Multi-Family Residential Dwelling Unit, or Commercial Space for which payment of the Facilities Fee is in default. The owner of the defaulting property shall pay all costs, including attorneys' fees, incurred by the CAB in connection with the foregoing. In foreclosing such lien, the CAB will enforce the lien only with respect to any property that is in default with regard to payment of the Facilities Fee, and only to the extent necessary to collect the unpaid Facilities Fee, accrued interest thereon, and costs of collection (including, but not limited to, reasonable attorneys' fees).
- 7. <u>Priority of Lien</u>. Except for the lien against the property within the Districts created by the imposition of property taxes by the Districts and other taxing jurisdictions pursuant to Section 32-1-1202, C.R.S., all liens for unpaid Facilities Fees shall, to the fullest

extent permitted by law, have priority over all other liens of record affecting the property subject to such Facilities Fees and shall run with such property and remain in effect until paid in full.

- 8. <u>Severability</u>. Judicial invalidation of any of the provisions of this Resolution or of any paragraph, sentence, clause, phrase or word herein, or the application thereof in any given circumstance, shall not affect the validity of the remainder of this Resolution, unless such invalidation would act to destroy the intent or essence of this Resolution.
- 6. <u>Information</u>. Any inquiries pertaining to this Resolution or the Facilities Fees may be directed to the CAB's manager, controller, or other person, as directed by the CAB: The Aurora Highlands Community Authority Board c/o CliftonLarsonAllen LLC, 8390 E. - 5. <u>Failure to Give Notice</u>. Failure of an owner of property to give notice as required by Section 4 shall in no way affect or eliminate the requirement for a Tax-Exempt Entity or an owner of a Tax-Exempt Property to pay the Annual Fee pursuant to Section 6.
- Payment of the Annual Fee. Any Tax-Exempt Entity which is an owner of real or 6. personal property shall be required to annually pay to the Authority the Annual Fee. The Annual Fee shall be prorated for any portion of a year during which a Tax-Exempt Entity acquires an Interest in the Property or in which an owner of real or personal Property becomes a Tax-Exempt Entity. The Annual Fee shall be paid to the Authority at such time or times as property taxes are due and payable in accordance with State law, and shall be paid as directed in writing by the Authority. Any Annual Fee not paid when due shall accrue interest at the same rate at which unpaid property taxes accrue interest, in accordance with State law. Any Tax-Exempt Entity required to pay the Annual Fee specifically authorizes the revenues derived from the Annual Fee to be pledged by the Authority to payment of debt service on the Bonds or for payment of operating and maintenance costs of the Public Improvements. Use of the revenue derived from the Annual Fee shall be limited to the repayment of the Bonds, in accordance with the Bond Documents, and if not limited, also for the payment of operating and maintenance expenses of the Public Improvements. An Excluded Tax-Exempt Entity will not be responsible for payment of the Annual Fee.
- (a) Declarant acknowledges and agrees to the imposition of the Annual Fee until the date that all Bonds are fully repaid and there are no more debt payments or Operating Expenses to be paid by the Authority in connection with the Public Improvements (the "<u>Termination Date</u>").
- (b) On or about January 15 of any calendar year following a calendar year in which real or personal property, or any portion thereof, is Exempt Property, the Authority will deliver written notice to the owner of such Exempt Property of the Annual Fee due for the calendar year in which such property, or the applicable portion thereof, is Exempt Property;

provided that delinquencies or failures in providing such notice will not affect the validity or collectability of such Annual Fee. The amount of such Annual Fee will be pro-rated, based on that portion of the calendar year during which such Property, or the applicable portion thereof, is Exempt Property.

- (c) Each Annual Fee due for a calendar year will be due and payable in arrears on April 15 of the following calendar year.
- (d) Declarant grants the Authority all right, power and authority to enforce this Declaration and collect the Annual Fee. Until paid, each Annual Fee due hereunder, together with interest accrued on such unpaid amounts as set forth in Section 6(e) and attorneys' fees, disbursements and costs and expenses incurred by the Authority to collect such unpaid amounts and/or to enforce the Authority's rights set forth in the Declaration, shall, to the extent permitted by law, constitute a perpetual and prior lien of the Authority against the Exempt Property as set forth in Section 32-1-1001(1)(j), C.R.S. To the extent permitted by law, the Authority may, but is not obligated to, record a statement of lien in the real property records of Adams County, Colorado against the applicable portion of the Property with respect to any Annual Fee that is not paid when due.
- (e) If an owner fails to pay any amount due under the Declaration to the Authority on or prior to the date such amount becomes due, such owner shall pay to the Authority interest on such unpaid amount from the due date thereof until paid at the rate one percent per month simple interest.
- 7. <u>Enforcement</u>. An Annual Fee that is not paid in full when due shall constitute a lien against the Tax-Exempt Property. The lien shall attach from the date that an Annual Fee was not paid when due and may, but need not be, evidenced by the recordation of a statement of lien in connection therewith and shall be enforceable in any judicial or non-judicial proceeding allowed by law, including without limitation, suit in the nature of a suit to foreclose a mortgage, deed of trust or mechanic's lien under the applicable provisions of the laws of the State. The Authority shall have the right and authority to enforce this Declaration by proceedings at law or in equity against any Person or Persons violating or attempting to violate the covenants set forth in this Declaration. Such right and authority of the Authority includes the ability to enforce this Declaration by restraining such violation, compelling compliance or recovering damages.
- 7. <u>Governing Law and Venue</u>. This Declaration will be governed by, and enforced in accordance with, the laws of the State of Colorado. Venue for legal proceedings shall be proper in the County of Adams.
- 8. Run with the Land: Reasonableness. This Declaration, as recorded, shall run with the Property, and shall be binding upon all Owners of the Property and their respective successors and assigns. If and to the extent that any of the restrictions or covenants herein would otherwise be unlawful or void for violation of (i) the rule against perpetuities, (ii) the rule restricting restraints on alienation, or (iii) any other applicable statute or common law rule analogous thereto or otherwise imposing limitations upon the time for which such covenants may be valid, then the provisions concerned will continue and endure only through the Termination Date. The covenants set forth herein are reasonable and necessary to the effect the financing,

provision, and maintenance of the Public Improvements benefitting the Property and the Owners and users thereof. Declarant, on behalf of its successors and assigns, covenants that it will not contest the effectiveness or enforceability of this Declaration by any legal proceedings in any forum.

- 9. <u>Assignment</u>. Any and all of the rights, powers, and reservations of the Authority or Declarant contained in this Declaration may be assigned (in whole or in part) to any Person, and such assignment shall be evidenced by a recorded document executed by both the assignor and the assignee. Upon such assignment, the assignee shall, to the extent of such assignment, have the same rights and powers as are given to the assignor herein and shall assume the obligations of such assignor.
- 10. <u>Severability</u>. Invalidation of any of the provisions contained in this Declaration, or of the application thereof to any Person by judgment or court order, will in no way affect any of the other provisions of this Declaration or the application thereof to any other Person or circumstance, and the remainder of this Declaration will remain in effect; provided, however, that in the event such invalidation would render the remaining portions of this Declaration ineffective to carry out the intentions of the Declarant as expressed or implied by this Declaration, then the objectionable provision(s) hereof will be construed, and this Declaration will be presumed amended, as if such provision was replaced with an enforceable provision which effectuates, as nearly as possible, the intent of the Declarant, which includes the payment of property tax revenue (or the payment of the Annual Fee in lieu thereof), to or at the direction of the Authority for payment of Bonds issued to finance or refinance the Public Improvements and, if permissible under the Bond Documents, the Operating Expenses.
- 11. <u>No Common Interest Community</u>. This Declaration does not create a "common interest community," under the Act. Therefore, the Act does not apply to this Declaration or to the Declarant or the CAB Districts, and the terms of this Declaration shall be read, construed and interpreted accordingly. Accordingly, Declarant is not a "declarant," and this Declaration is not a "declaration," as such terms are used and defined in the Act.
- 12. <u>No Third Party Beneficiary</u>. It is expressly understood and agreed that enforcement of the terms and conditions of this Declaration, and all rights of action relating to such enforcement, shall be strictly reserved to the Authority, and its duly authorized successor and assign, and nothing contained in this Declaration shall give or allow any claim or right of action by any other Person with respect to this Declaration. However, if any of the rights, powers, and reservations of the Authority are assigned, pursuant to Section 15, the assignee shall be considered a third party beneficiary with enforcement rights hereunder as if it were an original party hereto.
- 13. <u>Amendment by Declarant</u>. Amendments to this Declaration may be made as follows and will be effective upon recording against the Property in the records of the Adams County Clerk and Recorder.
 - (a) This Declaration may be amended by Declarant to cause additional real property to be subject to this Declaration without the prior consent of any other Person.

- (b) This Declaration may by amended by Declarant, to the extent Declarant is an Owner of any portion of the Property, with the written consent of the following:
- (i) the Owners who hold a fee interest in more than fifty percent (50%) of the total acreage of the Property;
 - (ii) the Authority; and
- (iii) such other consents as may be required pursuant to any Bond Documents.
 - (c) Declarant may, without the consent of any other Person, release portions of the Property or Interests in Tax-Exempt Property from this Declaration and the requirement to pay the Annual Fee if:
 - (i) like-kind land of similar acreage is included into the boundaries of the Property which, based on the reasoned opinion of an external and independent financial advisor at the time of the release, is expected to maintain the levels of revenue pledged to the Bonds that are assumed to be lost in the future from release of a parcel; or,
 - (ii) the Interest in Tax-Exempt Property released does not have the effect of reducing or impairing the revenue pledged to the Bonds due to the remaining value of the unreleased Interests exceeding the anticipated revenues pledged to the Bonds, as determined in writing by an external and independent financial advisor at the time of release.
- 14. <u>Merger</u>. Notwithstanding the fact that Owners collectively own all Property subject to this Declaration, such ownership and any future ownership of all property subject to this Declaration by any single Owner will not act to merge the covenants, burdens and benefits created by this Declaration with the underlying real property. Any amendment or termination of this Declaration or the covenants, burdens and benefits created herein may only be effected by amendment in accordance with Section 13.
- 15. Third-party Beneficiaries; Assignment. Declarant acknowledges, and each Owner, by acquiring an Interest in the Property or any portion thereof, shall be deemed to have acknowledged, that the Authority will have a direct cause of action and full right and authority to enforce the obligations running with the Property under this Declaration. Except as provided in this Section 15, nothing contained in this Declaration will be construed to give any right of action by any other Person with respect to this Declaration; provided, however, to the fullest extent permitted by law, any and all of the rights and powers of the Authority may be assigned (in whole or in part) to any Person by an instrument executed by both the assignor and the assignee and recorded in the records of the Clerk and Recorder of Adams County, Colorado; and, upon any such assignment, the assignee will be a third-party beneficiary hereunder, and to the extent of such assignment, have the same rights and powers of the assignor, as provided for in this Declaration.

- 16. <u>Covenant Running with the Land; Duration</u>. This Declaration shall be deemed to be a covenant running with the land, or equitable servitudes, as the case may be, and shall be effective in perpetuity unless earlier terminated in accordance with Section 6. The benefits, burdens and other provisions contained in this Declaration shall be binding upon and shall inure to the benefit of Declarant, the District, the Authority, and their respective successors and assigns.
- 17. Severability and Reformation. Invalidation of any of the provisions contained in this Declaration, or of the application thereof to any Person, by judgment or court order, will in no way affect any of the other provisions of this Declaration or the application thereof to any other Person or circumstance, and the remainder of this Declaration will remain in effect and full force; provided, however, that in the event such invalidation would render the remaining portions of this Declaration ineffective to carry out the intentions of the Declarant as expressed or implied by this Declaration, then the objectionable provision(s) hereof will be construed, and this Declaration will be presumed amended, as if such provision was replaced with an enforceable provision which effectuates, as nearly as possible, the intent of the Declarant as expressed or implied herein.

Copies of the Service Plans are available from the Division of Local Government in the State Department of Local Affairs (the "**Division**"), https://dola.colorado.gov/lgis/, or from the District Manager at the contact information provided below.

THE AURORA HIGHLANDS COMMUNITY AUTHORITY BOARD

The Service Plans disclose and establish the necessity for, and anticipate one or more intergovernmental agreements between and/or among two or more of the Districts concerning the financing, construction, operation and maintenance of Public Improvements contemplated in the Service Plans and concerning the provision of services in the community to be served by the Districts.

Pursuant to the Colorado Constitution, Article XIV, Sections 18(2)(a) and (b), and Section 29-1-203, C.R.S., metropolitan districts may cooperate or contract with each other to provide any function, service or facility lawfully authorized to each, and any such contract may provide for the sharing of costs, the imposition of taxes, and the incurring of debt.

Pursuant to Section 29-1-203.5, C.R.S., metropolitan districts may contract with one another for the joint exercise of any function, service or facility lawfully authorized to each, including the establishment of a separate legal entity to do so as a political subdivision and public corporation of the State of Colorado.

The Districts have entered into that certain The Aurora Highlands Community Authority Board Establishment Agreement, dated as of November 21, 2019, as amended and restated by

the First Amended and Restated The Aurora Highlands Community Authority Board Establishment Agreement, dated as of _______, 2020 (collectively, the "CABEA"), for the purpose of creating The Aurora Highlands Community Authority Board (the "Authority") in order to achieve efficiencies in coordinating the designing, planning, construction, acquisition, financing, operating, and maintaining of the Public Improvements and the provision of certain services. The CABEA may be subject to additional amendments.

The CABEA binds the Districts concerning capital expenditures and operation and maintenance expenses, with the intent that the cost of providing facilities and services to the entire Development will be shared by the current and future residents, occupants, taxpayers, fee payers, and property owners throughout the combined service area of the Districts (the "Service Area"), both presently and under various circumstances which may occur in the future.

Prior to the organization of the Authority, the Coordinating District coordinated the planning, design, and construction of the Public Improvements. Pursuant to the CABEA, the Districts agree that the Authority shall enter into one or more agreements with the Coordinating District pursuant to which the Coordinating District will coordinate the planning, design, and construction of certain of the Public Improvements and that nothing in the CABEA is intended to limit the authority of the Coordinating District or the Authority to enter into such agreements.

The Authority generally may, to the extent provided by contract (such as the CABEA), exercise any general power of a special district specified in the Special District Act, other than levying a tax or exercising the power of eminent domain, and may additionally issue bonds payable solely from revenue derived from one or more of the functions, services, systems, or facilities of the Authority, from money received under contracts entered into by the Authority, or from other available money of the Authority.

It is the intent that the Authority will provide for residents and property owners the opportunity to participate in the Development through representation on the Authority Board of Directors (the "Authority Board"), as the Development ultimately transitions from construction and development needs to operations and maintenance of all the Public Improvements.

The Districts intend to cooperate with one another and with the Authority to effectuate the financing of, and operation and maintenance of, the Public Improvements, and effectuate the provision of services, in a manner that is equitably allocated among the Districts and the residents and taxpayers of the Districts.

Pursuant to the CABEA, the Districts have agreed that: (i) the Authority shall own, operate, maintain, finance and construct the Public Improvements throughout the Service Area pursuant to a Long Term Capital Improvements Plan (as defined in the CABEA) benefiting the Districts; and (ii) each of the Districts shall transfer certain revenues received by it in order to fund the costs of construction, operation, and maintenance of such Public Improvements from its taxes and fees. Additionally, the CABEA provides that the Authority will: (A) facilitate the planning, design, acquisition, construction, installation, relocation, redevelopment, financing, and operation and maintenance of the Public Improvements; and (B) provide certain services contemplated by the Service Plans of the Districts on behalf of the Districts, including covenant

enforcement and design review services, to benefit the taxpayers, property owners, and residents in the Development.

A copy of the CABEA is available from the Authority Manager, CliftonLarsonAllen, 8390 East Crescent Parkway, Suite 300, Greenwood Village, Colorado, 80111; (303) 779-5710.

Authority Board of Directors

The Coordinating District may initially appoint up to five (5) board members to the Authority Board. Each of the Financing Districts may appoint one (1) board member to the Authority Board. Subject to certain exceptions related to the Coordinating District, to be eligible to be appointed as a member to the Authority Board the candidate must be currently serving on the District Board of Directors that he or she is being appointed to represent on the Authority Board. The CABEA includes provisions regarding alternate board members, the voting process, appointment of vacancies, the process by which additional special districts may join the Authority, and the process of additional appointments to the Authority Board under such circumstances.

DEBT AUTHORIZATION

The Authority is authorized pursuant to the CABEA to issue bonds for payment and/or reimbursement of the costs of the design, planning, acquisition, construction, installation, relocation, redevelopment and/or completion of the Public Improvements with respect to the Development and to secure payment of the principal of and interest on such bonds with certain property tax revenues, among other things, transferred to it by the Districts.

In accordance with the Service Plans, the Districts, at special elections of the qualified electors for each District, duly called and held in accordance with law and pursuant to due notice, voted in favor of, among other matters, the issuance of indebtedness and the imposition of taxes for the payment thereof, for the purpose of providing the Public Improvements as follows:

District	Total Service Plan/
	Voted Debt Authorization
Coordinating District	\$8,000,000,000
TAH No. 1	\$4,000,000,000
TAH No. 2	\$4,000,000,000
TAH No. 3	\$4,000,000,000
ATEC No. 1	\$4,000,000,000
ATEC No. 2	\$4,000,000,000

The Authority anticipates issuing its Special Tax Revenue Draw-Down Bonds, Series 2020A, in the total aggregate principal amount of up to \$190,000,000 (the "Series 2020A Bonds"), and its Subordinate Special Tax Revenue Draw-Down Bonds Series 2020B, in the total aggregate principal amount of up to \$38,000,000 (the "Series 2020B Bonds", and collectively with the 2020A Bonds, the "Bonds"), for the purpose of paying and/or reimbursing the costs of the design, planning, acquisition, construction, installation, relocation, redevelopment and/or completion of Public Improvements with respect to the Development.

The Bonds shall be special limited tax revenue obligations of the Authority and shall be payable solely from: (i) certain pledged revenue by the Districts pursuant to capital pledge agreements entered into by and between each District and the Authority contemporaneously with the closing on the Bonds (each a "Capital Pledge Agreement" and, collectively the "Capital Pledge Agreements"); and (ii) the imposition and collection of fees imposed by the vote of the Authority Board, which fees are required to be paid to the Authority by developers of the Development.

TAXES AND FEES IMPOSED ON PROPERTIES WITHIN THE DISTRICT

Ad Valorem Property Taxes

The Districts' primary source of revenue is from property taxes ("Mill Levies") imposed on property within the boundaries of the respective Districts. Along with other taxing entities, each District must certify their respective Mill Levies no later than December 15th of each year for payment and collection in the following year. The Mill Levies imposed by each District along with the other taxing entities determines the taxes paid by each property owner within each respective District.

The Districts, through that certain Mill Levy Policy Agreement dated April _____, 2020, agree that the number of mills equal to the Mill Levies required to be imposed by each District under its Capital Pledge Agreement and the period during which each District is required to impose its respective Mill Levies are intended to create an equitable tax burden on the taxpayers in each District, and that such Mill Levies and their terms of imposition, as applicable to each District, are fair and equitable.

Debt Mill Levy

The Service Plans provide the "Maximum Debt Mill Levy" each District is permitted to impose upon the taxable property within each District to generate revenues for the repayment of Debt. The Maximum Debt Mill Levy is calculated as follows:

For the portion of any aggregate District's Debt which exceeds fifty percent (50%) of the District's assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall be fifty (50) mills less the number of mills necessary to pay unlimited mill levy Debt. The Maximum Debt Mill Levy may be adjusted due to changes in the statutory or constitutional method of assessing property tax or in the assessment ratio ("Gallagher Adjustment"). The purpose of such Gallagher Adjustment is to assure, to the extent possible, that the actual tax revenues generated by the mill levy are neither decreased nor increased, as described in more detail below.

For the portion of any aggregate District's Debt which is equal to or less than fifty percent (50%) of the District's assessed valuation, either on the date of issuance or at any time thereafter, the debt mill levy imposed to repay such portion of Debt shall <u>not</u> be subject to the fifty (50) mill limitation discussed above, and, as a result, the debt mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation of rate.

The Districts shall not impose a debt mill levy (or use the proceeds of any mill levy for repayment of Debt) on any single property developed for residential uses for any period which exceeds fifty (50) years after the year of the initial imposition of such debt mill levy unless a majority of the members of the Board of Directors of the District are residents of the District and have voted in favor of a refunding of a part or all of the Debt and such refunding will result in a net present value savings as set forth in Section 11-56-101, C.R.S. et seq.

Operations and Maintenance Mill Levy

In addition to imposing a debt mill levy, the Districts are also authorized by their respective Service Plans to impose a separate mill levy to generate revenues for the provision of administrative, operations and maintenance services (the "Operations and Maintenance Mill Levy"). The amount of the Operations and Maintenance Mill Levy may be increased as necessary, separate and apart from the Maximum Debt Mill Levy.

Aerotropolis Regional Transportation Authority-- ARI Mill Levy

On February 27, 2017, the Board of County Commissioners of the County of Adams, the City, and the Coordinating District entered into that certain Intergovernmental Agreement Establishing the Aerotropolis Regional Transportation Authority ("ARTA") for the general purposes of constructing, or causing to be constructed, a Regional Transportation System as set forth in the Capital Plan of the ARTA Establishment Agreement generally to serve the regional transportation infrastructure needs of the area surrounding Denver International Airport, which includes the Development. The Coordinating District holds one (1) seat on the ARTA Board of Directors.

The Service Plans require the Districts under certain circumstances to impose an Aurora Regional Improvements Mill Levy (the "ARI Mill Levy" or "ARI Mill Levies") for the payment of the costs of the planning, design, permitting, construction, acquisition and financing of certain regional improvements in the amount of five (5) mills, subject to the Gallagher Adjustment, minus any mill levy imposed by ARTA for such purpose.

Gallagher Amendment and Gallagher Adjustment

State ad valorem property taxes are imposed on the assessed value of property, and not the "actual" market value of property. The assessed value of commercial property (together with vacant land and certain other non-residential property, collectively "Commercial Property") is 29% of "actual" (or market) value, while the assessed value of residential property ("Residential Property") is, as of the date of this Disclosure, 7.15% of actual value, and is subject to change for adjustments in the residential assessment rate as described in more detail below.

The Gallagher Amendment to the Colorado Constitution (Section 3(1(b), art. X, COLO. CONST.) generally requires that the statewide residential assessed values comprise approximately forty-five percent (45%) of the total assessed value in the State with commercial and other assessed values making up the other fifty-five percent (55%) of the assessed values in the State.

The result of the Gallagher Amendment is that residential assessment rates fluctuate, usually downward, as overall investment and valuation increases statewide.

The Service Plans provide that if, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement; the mill levy limitations or mill levy imposition amounts set forth in the Service Plans may be increased or decreased to reflect such changes, such increases or decreases to be determined by each of the Districts' Boards in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of assessed valuation shall be deemed to be a change in the method of calculating assessed valuation.

Changes occurred in the method of calculating assessed valuation in the State for tax year 2017 and 2019 to comply with the requirements of the Gallagher Amendment. The residential assessment ratio remained at 7.96% since the 2003 levy year, until the 2017 Colorado General Assembly approved a decrease in the residential assessment rate to 7.20% for property tax years commencing on and after January 1, 2017, and the 2019 Colorado General Assembly approved a decrease in the residential assessment rate to 7.15% for property tax years commencing on and after January 1, 2019. Any decrease in the residential assessment ratio will reduce the assessed valuation of residential properties (assuming the actual value of such properties remains static), and will result in a decrease in revenues generated from the imposition of ad valorem property taxes on such residential properties, absent an increase in the number of mills imposed to make up for such loss in revenues pursuant to the authorized Gallagher Adjustment.

District Property Tax Calculation Example-Reduction in Residential Assessment Ratio (Note: The following example does not include Overlapping Mill Levies)

Tax Imposition Year	Tax Collection Year	Actual Value ¹ (V)	Assessment Ratio (R)	Assessed Value (AV) [V x R = AV]	Mill Levy ² /Rate ³ (M)	Amount of District Tax Due ⁴ [AV x M]
2017	2018	\$450,000	7.96%	\$35,820	77.930/.077930	\$2,791.45
2018	2019	\$450,000	7.20%	\$32,400	86.156/.086156	\$2,791.45
2019	2020	\$450,000	7.15%	\$32,175	86.7584/.0867584	\$2,791.45
2020	2021	\$450,000	7.00%	\$31,500	88.6175/.0886175	\$2,791.45

¹Based on a project actual value, not a representation of any actual current or future actual value

(a) The Residential Assessment Ratio in 2017 (for collection in 2018) was 7.96%. Therefore, if in 2018 the Actual Value of the Property was \$450,000, the Assessed Value of the Property would have been \$35,820 (i.e., \$450,000 x 7.96% = \$35,820). If a District certified a combined debt and operations mill levy of 77.930 mills, it would have generated approximately \$2,791.45 in revenue for the respective District.

²Based on a projected mill levy, not a representation of any actual current or future mill levy

³Each mill is equal to 1/1000th of a dollar

⁴ Not a representation of any actual or current amount of District tax due

- (b) The Residential Assessment Ratio in 2018 (for collection in 2019) was 7.20%. Therefore, if in 2019 the Actual Value of the Property remained at \$450,000, the Assessed Value of the Property would have been \$32,400 (i.e., $$450,000 \times 7.20\% = $32,400$). Therefore, the respective District would need to have certified a combined mill levy of 86.156 in order to generate the same revenue in 2019 as was collected in 2018.
- (c) The Residential Assessment Ratio in 2019 (for collection in 2020) was 7.15%. Therefore, if in 2020 the Actual Value of the Property remained at \$450,000, the Assessed Value of the Property would have been \$32,175 (i.e., $$450,000 \times 7.15\% = $32,175$). Therefore, the respective District would need to have certified a combined mill levy of 86.156 in order to generate the same revenue in 2020 as was collected 2019.
- (d) If in 2020 the Actual Value of the Property remains at \$450,000, but if the State Legislature should determine to change the Residential Assessment Ratio for 2020 to 7.00%, the Assessed Value would be \$31,500 (i.e., \$450,000 x 7.00% = \$31,500), the respective District would need to certify a combined mill levy of 88.6175 in order to generate the same revenue for collection in 2021 as was collected 2020.

ENGINEER'S REPORT

INTRODUCTION

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "District") on December 11th, 2018. Task Order 01 AACMD/ARTA - Cost Verification was approved on December 19, 2018. This report is Schedio Group's first deliverable associated with Task Order 01 of the MSA as it pertains to AACMD.

Section 4.1 of the First Amended and Restated Facilities Funding and Acquisition Agreement entered into on August 23, 2018 between Aerotropolis Area Coordinating Metropolitan District and Aurora Highlands, LLC, a Nevada limited liability company ("Developer") states, "...the District agrees to make payment to the Developer for all Developer Advances and /or Verified Costs, together with interest thereon." This report and verification consist of a review of costs incurred, and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

SUMMARY OF FINDINGS

From February 24, 2015 to March 31, 2019, the Developer incurred costs associated with planning and entitlement totaling \$8,526,344.49. In this report, these costs will be referred to as Past Expenses. Of the Past Expenses reviewed, Schedio Group verified \$4,888,612.10 as pertinent to the planning, design and construction of Public Improvements, therefore eligible for Developer Reimbursement. For a complete list of incurred and verified Past Expenses, see *Exhibit A - AACMD Soft and Indirect Costs February 24, 2015 to March 31, 2019* of *Exhibit C - Affidavit as Proof of Payment*.

In addition to Past Expenses, Schedio Group reviewed costs incurred associated with Lender Draw Request Nos. 1-21. Schedio Group verified \$21,401,450.54 (\$21,377.511.50 + \$23,939.05) as costs associated with the design and construction of Public Improvements for AACMD and \$125,615.80 as costs associated with the design and construction of Public Improvements for ATEC MD.

Of the \$21,401,450.52 verified, \$26,391,739.39 was not associated with "In-Tract" Public Improvements and therefore qualify to be paid for from Series A Bond proceeds. Verified costs totaling \$23,939.05 associated with Filing No. 1 In-Tract Public Improvements, qualify to be paid for Series B Bond proceeds. See *Figure 1 – Summary of Verified Costs and Breakouts as Series A and Series B Bonds*.

Project consultants and their roles include, but are not limited to:

- Aztec Consultants (Land Surveyor)
- Beam, Longest & Neff (Transportation Engineer)

- · Contour Services (Construction Management)
- · CTL Thompson (Geotechnical Engineer)
- · Ecological Resource Consultants (Environmental Engineer)
- EV Studio (Architectural and Structural Engineer)
- · Felsburg Holt and Ullevig (Traffic Engineer)
- HR Green (Civil Engineer)
- Merrick (Civil Engineer)
- Norris Design (Land Planning / Landscape Architecture)
- Schedio Group (Cost Verifications AACMD/ARTA)
- Summit Strategies (Program Management AACMD/ARTA)
- Terra Forma Solutions (Program Management AACMD)

For a more detailed accounting of costs reviewed, verified and segregated by project and consultant/contractor, see *Exhibit A – Summary of Costs Reviewed*. The total verified amount shown in Exhibit A is \$21,527,066.34. This amount includes costs associated with AACMD and ATEC MD. The verified amount from Exhibit A *plus* the verified amount of Past Expenses sums to the Total Verified Amount of \$26,415,678.44 shown in Figure 1 above.

DETERMINATION OF PUBLIC PRORATION PERCENTAGE

As final plats are not available for the entire The Aurora Highlands development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Overall Area as a percentage from Norris Design, the planner for The Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire TAH development. Schedio Group and Norris Design reserve the right to revise the project's Public Proration Percentage should additional information become available that would warrant such.

VERIFICATION OF COSTS

Schedio Group reviewed soft, indirect and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

VERIFICATION OF PAYMENTS

CliftonLarsonAllen, the District's Accountant, will verify payments for incurred expenses, except for payments associated with Past Expenses.

As proofs of payments associated with Past Expenses were not made available to Schedio Group at the time of this report, an executed affidavit serves as proof of payment for incurred Past Expenses. See Exhibit C – Affidavit as Proof of Payment.

VERIFICATION OF CONSTRUCTION

Schedio Group LLC performed site visits on June 11, 2019, June 25, 2019, July 16, 2019, November 14, 2019, December 16, 2019, January 15, 2020, February 24, 2020, and March 11, 2020 (Draw 21).

Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report, or prepare a subsequent report, should additional information become available that would warrant such.

ENGINEER'S VERIFICATION

Timothy A. McCarthy, P.E. / Schedio Group, LLC (the Independent Consulting Engineer) states as follows:

- 1. The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction and Verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated April 9, 2020.
- 2. The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.
- 3. The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.
- 4. The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report, from CGF Management Inv. No. 2259 dated February 24, 2015 through AACMD Draw Request 21 dated March 19, 2019, are reasonably valued at \$26,415,678.44.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for reimbursement to Aurora Highlands, LLC, a Nevada limited liability company by Aerotropolis Area Metropolitan Coordinating District.

EXHIBIT A

D.A. Davidson & Co. (hereinafter referred to as "Davidson" or "underwriter") intends/ proposes to serve as an underwriter, and not as a financial advisor or municipal advisor, in connection with the issuance of the Bonds.

As part of our services as underwriter/senior managing underwriter, Davidson may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds.

Disclosures Concerning the Underwriters Role:

- (i) MSRB Rule G·17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- (ii) The underwriters' primary role is to purchase the Bonds with a view to distribution in an arm's-length transaction with the Issuer. The underwriters financial and other interests that may differ from those of the Issuer.
- (iii) Unlike a municipal advisor, the underwriters do not have a fiduciary duty to the Issuer under the federal securities laws and are, therefore, not required by federal law to act in the best interests of the Issuer without regard to their own financial or other interests.
- (iv) The underwriters have a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with their duty to sell the Bonds to investors at prices that are fair and reasonable.
- (v) The underwriter will review the official statement for the Bonds in accordance with, and as part of, their respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.

Disclosures Concerning the Underwriters Compensation:

As underwriter, Davidson will be compensated by a fee and/or an underwriting discount that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the issuance of the Bonds. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Bonds. While this form of compensation Is customary in the municipal securities market, it presents a conflict of interest since the underwriter may have an incentive to recommend to the Issuer a transaction that is unnecessary or to recommend that the size of the transaction be larger than is necessary.

Additional Conflicts Disclosure:

Davidson has not identified any additional potential or actual material conflicts that require disclosure.

ARTICLE II

MILL LEVY POLICY

Section 2.01. Purpose of Agreement. The primary purpose of this Agreement is to set forth the agreement of the CAB Districts that the respective obligations of each CAB District under the CABEA and the applicable Capital Pledge Agreement are fair and equitable in light of the benefits received by the CAB Districts.

Section 2.02. Mutual Benefits. Each of the CAB Districts hereby acknowledges that the design, acquisition, installation, construction, operation and maintenance of the Public Improvements benefits each of the CAB Districts. The CAB Districts also agree that their respective obligations under the Capital Pledge Agreements and the CABEA are reasonable in light of the long term benefits to be derived from the regional nature of the Development, and that the Development does and will in the future continue to provide benefits to each CAB District and their respective taxpayers, inhabitants, occupants and property owners. In addition, growth anticipated in the Residential Districts is expected to support the demand for the commercial development planned within ATEC No. 2, and such commercial development will serve the anticipated residents within the Residential Districts.

Section 2.03. Fair Representation on Authority Board. Each CAB District agrees that it is fairly represented on the Board of Directors of the Authority.

Section 2.04. Imposition of Mill Levies.

- (a) In light of the benefits derived and to be derived in the future from the Authority's issuance of Debt in accordance with the CABEA and the Capital Pledge Agreements and the funding of Public Improvements from proceeds of such Debt, each CAB District agrees to cooperate and coordinate with each other CAB District in good faith to ensure that the Mill Levies to be imposed by the CAB Districts under the Capital Pledge Agreements (and the operations mill levies to be imposed by ATEC No. 1 under the CABEA) are imposed and certified in the amounts, at the times, and in the manner set forth in each of the Capital Pledge Agreements and the CABEA, as applicable to each CAB District.
- (b) Each CAB District is relying upon the timely performance of each of the other CAB Districts in entering into its respective Capital Pledge Agreement. The CAB Districts each agree that failure of any CAB District to perform its obligations under its Capital Pledge Agreement will cause harm to each of the other CAB Districts. In addition, in issuing the Initial Series of Bonds and any future Debt for the purpose of funding, reimbursing or otherwise providing Public Improvements, the Authority is relying on the CAB Districts' performance of their respective obligations under the Capital Pledge Agreements.
- (c) Each CAB District agrees to collect and enforce the collection of the Pledged Revenue and the Operations Revenue to be derived from imposition of the CAB Districts' respective Mill Levies (and the operations mill levies to be imposed by ATEC No. 1 under the CABEA) as required under the applicable Capital Pledge Agreement and the CABEA. Each CAB District further agrees that it will transfer or cause to be transferred to the Authority all Pledged Revenue and Operations Revenue in accordance with the terms of the applicable Capital Pledge Agreement and the CABEA, and that it will not withhold or allow to be withheld any portion of its Pledged Revenue or Operations Revenue prior to remittance thereof to the Authority. Notwithstanding the foregoing, it is acknowledged that ATEC No. 1's obligations with respect to revenue derived from its operations mill levy are set forth in the CABEA (and not in its Capital Pledge Agreement; thus, such revenue does not constitute "Operations Revenue" within the meaning of this Agreement); accordingly, ATEC No. 1 agrees to fulfill its obligations under the CABEA with respect to revenue derived from its operations mill levy.
- (d) Each CAB District agrees to accept direction from the Authority pursuant to the terms of the CABEA and the Capital Pledge Agreements with respect to the number of mills representing each CAB District's Mill Levy to be certified in each tax levy year. In addition, ATEC No. 1 agrees to accept direction from the Authority pursuant to the terms of the CABEA with respect to the number of mills to be certified by ATEC No. 1 for operations purposes in each tax levy year.
- (e) Colorado ad valorem property taxes are imposed on the assessed value of property, and not the "actual" market value of property. The CAB Districts acknowledge that, as a result of the Gallagher Amendment, commercial property (together with vacant land and certain other non-residential property, collectively, "Commercial Property") is

assessed at a significantly higher rate than residential property ("Residential Property"). The assessed value of Commercial Property is 29% of "actual" (or market) value, while the assessed value of Residential Property is 7.15% of actual value (as of the date of this Agreement, and subject to change for adjustments occurring after January 1, 2019 in the residential assessment rate). As a result, a mill levy of any particular number of mills imposed on Commercial Property will derive significantly more tax revenue than if the same number of mills were imposed on Residential Property. As a result of this differential, the Capital Pledge Agreements provide for the imposition of higher Mill Levies by the Residential Districts and lower Mill Levies for CAB Districts with Commercial Property. The CAB Districts agree that the number of mills equal to the Mill Levies required to be imposed by each CAB District under its Capital Pledge Agreement and the period during which each CAB District is required to impose its Mill Levies are intended to create an equitable tax burden on the taxpayers in each CAB District, and that such Mill Levies and their terms of imposition, as applicable to each CAB District, are fair and equitable.

Section 2.05. Representations.

- (a) Each CAB District represents and warrants that it has reviewed the CABEA, has had ample opportunity to seek and obtain legal, accounting and other advice in connection therewith, and has voluntarily entered into the CABEA.
- (b) Each CAB District represents and warrants that it has reviewed the applicable Capital Pledge Agreement, has had ample opportunity to seek and obtain legal, accounting and other advice in connection therewith, and has voluntarily entered into the applicable Capital Pledge Agreement.
