Per the Amended and Restated Capital Construction and Reimbursement Agreement ("CCRA") entered into on December 22, 2021, between The Aurora Highlands Community Authority Board and Aurora Highlands, LLC, a Nevada limited liability company ("Developer"):

Section N: "It is the intent of the CAB that AH LLC continue to be reimbursed for Verified Costs of the Improvements and AH Advances (collectively Verified Costs of the Improvements and AH Advances are referred to herein as "AH Reimbursements"), and to set forth the terms for such reimbursement." See Article II, Section 2.1 of the CCRA for pertaining to AH Reimbursements.

Per the Agreement Regarding Coordination of Facilities Funding for ATEC Development ("ATEC Agreement") entered into on December 22, 2021, between the Aurora Highlands Community Authority Board and Aurora Tech Center Development, LLC ("ATEC"):

Recitals: Section F: "In order for the Property to be developed, the public improvements that are a part of the Long Term Capital Improvement Plan, which includes the public improvements that will support the development of the Property, (the "ATEC Improvements") must be designed, funded, acquired, constructed or installed."

Recitals: Section G: "It is anticipated that the proceeds of CAB Obligations will include, as issued in the discretion of the CAB from time to time, proceeds to be used to fund the ATEC Improvements."

This Report consists of a review of costs incurred, and verification of costs associated with the design and construction of Public Improvements. Accrued interest is not considered in this report.

#### **DETERMINATION OF PUBLIC PRORATION PERCENTAGE**

As final plats are not available for the entire the Aurora Highlands ("AH") development at the time of this report, Schedio Group was unable to calculate an area-based Public Proration Percentage for application to expenditures with both public and private components. Instead, Schedio Group requested an estimate of Public Area compared to Total Area as a percentage from Norris Design, the planner for the Aurora Highlands development. As a result, Norris Design provided an estimated Public Proration Percentage of 40% for the entire AH development. Schedio Group and Norris Design reserve the right to revise the project's Public Proration Percentage should additional information become available that would warrant such and either credit or debit the verified amount to date at that time.

#### **VERIFICATION OF COSTS**

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

#### **VERIFICATION OF PAYMENTS**

As Draw No. 45 will be ratified during an upcoming board meeting, vendors have not yet received payment for services rendered as of the date of this report.

#### **VERIFICATION OF CONSTRUCTION**

Schedio Group LLC performed a site visit on March 4, 2022. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

#### SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

Various job code changes were implemented between Draw 26 and Draw 45. These job code changes were determined by others (developer, program manager, construction manager, etc.). Schedio Group was not involved in determining the job code changes. Schedio Group has incorporated the job code changes into Draw 45. As a result of the job code changes, historical and current verified dollar amounts have, in some cases, shifted from one job code (project segment) to another job code (project segment), which has caused ARTA's financial obligation to change per the following agreements:

 Intergovernmental Agreement Among The Board Of County Commissioners Of The County Of Adams, The City of Aurora And The Aerotropolis Area Coordinating Metropolitan District Establishing The Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated February 27, 2018

 Intergovernmental Agreement Regarding Design and Construction of The Aurora Highlands Parkway Among Aerotropolis Area Coordinating Metropolitan District and Aerotropolis Regional Transportation Authority, prepared by McGeady Becher P.C. and dated August 12, 2020

Schedio Group has been reviewing, and will continue to review, details associated with the cost code changes. Based on our reviews to date, Schedio Group has no reason to doubt the validity of the cost code changes. Schedio Group reserves the right to revise any verified amount(s) and its(their) respective assignment to a Cost Code or Job Code throughout the review process.

#### **ENGINEER'S VERIFICATION**

Timothy A. McCarthy, P.E. / Schedio Group, LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction and verification of costs associated with the design and construction of Public Improvements of similar type and function as those described in the attached Engineer's Report dated March 9, 2022.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that Public Improvements considered in the attached Engineer's Report, from February 7, 2020 (date of COA Invoice No. 612052) to March 1, 2022 (date of OxBlue Invoice No. 468770), are reasonably valued at \$1,241,498.25.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect and hard costs associated with the design and construction of the Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for reimbursement from Aerotropolis Area Metropolitan Coordinating District to Aurora Highlands, LLC, a Nevada limited liability company.

#### **ENGINEER'S REPORT**

#### **INTRODUCTION**

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs, commonly referred to as "In-Tract Expenses", that are eligible to be paid for by Series B bonds. This Report is the 5th deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered into June 24, 2020 states, "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states, "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements."

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Richmond American Homes of Colorado, Inc. ("Builder") states, "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements."

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

#### **SUMMARY OF FINDINGS**

To date, Schedio Group has reviewed a total of \$25,153,510.69 of incurred expenses associated with In-Tract Improvements. Of the \$25,153,510.69 reviewed, Schedio Group has verified \$17,059,231.09 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer, to date, is \$17,059,231.09.

Per The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 4, prepared by Schedio Group LLC and dated February 17, 2021 ("ERVC4"), Schedio Group reviewed a total of \$22,901,353.55 of incurred expenses associated with In-Tract Improvements. The total amount reviewed for ERVC4 has been revised to \$22,861,311.55. This revision was necessary as several invoices in ERVC4 lacked proofs of payments at the time that ERVC4 was finalized, but have been made available

for this Report. Of the \$22,861,311.55 reviewed, Schedio Group had verified \$15,991,790.43 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was \$15,991,790.43.

Regarding this Report, Schedio Group has reviewed \$2,292,199.14 of incurred expenses associated with In-Tract Improvements from the following sources:

Bridgewater Homes in the amount of \$ 770,585.70

Pulte Homes in the amount of \$ 84,041.16

Richmond American Homes in the amount of \$ 1,437,572.27

Of the \$2,292,199.14 reviewed, Schedio Group has verified **\$1,067,440.67** as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer is **\$1,067,440.67**. See Figure 1 – Summary of Verified In-Tract Public Improvements Segregated by Source and Figure 2 – Summary of Verified Soft, Indirect and Hard Costs Segregated by Service Plan Category below.

Public Proration Percentages were calculated and applied as deemed appropriate by Schedio Group.

#### **VERIFICATION OF COSTS**

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

#### **VERIFICATION OF PAYMENTS**

Schedio Group verified proofs of payments totaling \$1,531,952.12 associated with costs reviewed in this Report. Of the \$1,531,952.12 in verified payments, \$1,067,440.67 is associated with the design and construction of Public Improvements.

#### **VERIFICATION OF CONSTRUCTION**

Schedio Group LLC performed a site visit on March 4, 2022. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

#### SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

#### **ENGINEER'S VERIFICATION**

Timothy A. McCarthy, P.E. / Schedio Group, LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated March 11, 2022.

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report, from February 2019 to February 2022 are reasonably valued at \$1,067,440.67.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of \$1,067,440.67 related to:

- The Aurora Highlands In-Tract Public Improvements in the amount of \$1,067,440.67.

# **ENGINEER'S REPORT**

# **INTRODUCTION**

Schedio Group LLC ("Schedio Group") entered into a Master Service Agreement ("MSA") for Engineering Services with Aerotropolis Area Coordinating Metropolitan District ("AACMD" and/or "CAB") on December 11, 2018. The purpose of this Engineer's Report and Verification of Costs Associated with Public Improvements ("Report") is to identify costs, commonly referred to as "In-Tract Expenses", that are eligible to be paid for by Series B bonds. This Report is the 4th deliverable associated with the MSA.

The Capital Construction and Reimbursement Agreement (In-Tract Improvements) between The Aurora Highlands Community Authority Board ("CAB") and Aurora Highlands, LLC ("Developer") entered into June 24, 2020 states, "The Developer intends to enter into a Waiver and Release of Reimbursement Rights agreement with every Builder pursuant to which the Builder will agree to separately design, construct, and fund certain of the IN-Tract Improvements…"

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Pulte Home Company, LLC ("Pulte Homes" and "Builder") states, "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements."

The Waiver and Release of Reimbursement Rights between The Aurora Highlands Community Authority Board ("CAB"), Aurora Highlands, LLC ("Developer") and Richmond American Homes of Colorado, Inc. ("Builder") states, "The Builder hereby irrevocably and perpetually consents, grants, transfers and pledges to the Developer all right, title and interest of the Builder, in and to any reimbursement of costs incurred in the planning, design, engineering, testing, construction, and installation of the In-Tract Improvements."

As a result of the three agreements referenced above, reimbursements associated with costs verified herein as associated with the design and construction of In-Tract Public Improvements will be reimbursed by the CAB to the Developer.

# **SUMMARY OF FINDINGS**

To date, Schedio Group has reviewed a total of \$22,901,353.55 of incurred expenses associated with In-Tract Improvements. Of the \$22,901,353.55 reviewed, Schedio Group has verified \$16,122,089.16 as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, the Total Verified Public Amount eligible for reimbursements from the CAB to the Developer, to date, is \$16,805,118.03.

Per The Aurora Highlands Community Authority Board and Aerotropolis Area Coordinating Metropolitan District – Engineer's Report and Verification of Costs Associated with Public Improvements No. 3 ("ERVC3"), prepared by Schedio Group LLC and dated October 13, 2021, Schedio Group reviewed a total of \$17,520,819.28 of incurred expenses associated with In-Tract Improvements. The total amount reviewed for ERVC2 has been revised to \$16,580,576.76. This revision was necessary as several invoices in ERVC2 lacked proofs of payments at the time that ERVC3 was finalized. Of the \$16,580,576.76

reviewed, Schedio Group had verified \$11,638,168.23 as Public Captial Costs associated with the design and construction of In-Tract Public Improvements. Therefore, in prior reports, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer was \$11,638,168.23.

Regarding this Report, Schedio Group has reviewed \$6,750,581.59 of incurred expenses associated with In-Tract Improvements from the following sources:

Pulte Homes in the amount of \$5,155,900.66 Richmond American Homes in the amount of \$1,268,454.94

Of the \$6,320,776.79 reviewed, Schedio Group has verified **\$4,353,622.20** as Public Capital Costs associated with the design and construction of In-Tract Public Improvements. Therefore, the Total Verified Public Amount eligible for reimbursement from the CAB to the Developer is **\$4,353,622.20**. See Figure 1 – Summary of Verified In-Tract Public Improvements Segregated by Source and Figure 2 – Summary of Verified Soft, Indirect and Hard Costs Segregated by Service Plan Category below.

#### **DETERMINATION OF PUBLIC PRORATION PERCENTAGES**

The ratio of Total Public Area to Total Area yields a Public Proration Percentage that can be applied to select costs with both public and private components. Areas were taken directly from or derived from the plats. See *Figure 3 – Determination of Public Proration Percentages* below.

Figure 3 - Determination of Public Proration Percentages

Public Proration Percentages were calculated and applied as deemed appropriate by Schedio Group.

# **VERIFICATION OF COSTS**

Schedio Group reviewed soft, indirect, and hard costs associated with the design and construction of Public Improvements. Schedio Group found costs associated with Public Improvements to be reasonable when compared to similar projects, during similar timeframes in similar locales.

# **VERIFICATION OF PAYMENTS**

Schedio Group verified proofs of payments totaling \$6,320,776.79 associated with costs reviewed in this Report. Of the \$6,750,581.59 in verified payments, \$4,353,622.20 was associated with the design and construction of Public Improvements.

# **VERIFICATION OF CONSTRUCTION**

Schedio Group LLC performed a site visit on February 7, 2022. Observation of the constructed improvements was performed to ensure that Public Improvements are being constructed in general conformance with the approved construction drawings. Photos are available from Schedio Group LLC upon request.

#### SPECIAL CIRCUMSTANCES AND NOTABLE METHODOLOGIES

Schedio Group reserves the right to revise or amend this report should additional information become available that would warrant such.

# **ENGINEER'S VERIFICATION**

Timothy A. McCarthy, P.E. / Schedio Group, LLC (the Independent Consulting Engineer) states as follows:

The Independent Consulting Engineer is an engineer duly qualified and licensed in the State of Colorado with experience in the design, construction, and verification of Public Improvements of similar type and function as those described in the attached Engineer's Report dated February 13, 2022 (revised February 17, 2022).

The Independent Consulting Engineer has reviewed applicable construction and legal documents related to the Public Improvements under consideration to state the conclusions set forth in this Engineer's Verification.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report were constructed in general accordance with the approved construction drawings.

The Independent Consulting Engineer finds and determines that In-Tract Public Improvements considered in the attached Engineer's Report, from August 22, 2021 to February 1, 2022 are reasonably valued at \$4,353,622.20.

In the opinion of the Independent Consulting Engineer, the above stated value for soft, indirect and hard costs associated with the design and construction of the In-Tract Public Improvements is reasonable and consistent with costs of similar improvements constructed for similar purposes during the same timeframe and similar locales and is eligible for Developer Reimbursement by The Aurora Highlands Community Authority Board to Aurora Highlands, LLC.

Schedio Group recommends reimbursement from The Aurora Highlands Community Authority Board to Aurora Highlands, LLC in the amount of \$4,353,622.20 related to:

- The Aurora Highlands In-Tract Public Improvements in the amount of \$4,353,622.20.

## Section 3. Procedures for Providing Quarterly and Annual Reports.

- (a) **Provisions of Quarterly Information to Trustee**. The Authority, as to the form attached hereto as Appendix A, the Developer as to the form attached hereto as Appendix B and the Coordinating District and ATEC District No. 2, as applicable, as to the form attached hereto as Appendix C, hereby undertake and agree, respectively, to provide to the Trustee within 45 days after the end of each calendar quarter (being March 31, June 30, September 30, and December 31) (each a "Quarterly Report Deadline") commencing with the calendar quarter ending on December 31, 2021, the information set forth in the form of the quarterly report attached hereto (each a "Quarterly Report"). The Authority shall further provide its Audited Financial Statements as part of the September 30 Quarterly Report in each year beginning in 2022. The Trustee will provide the information required by Section 2 of the Authority's Quarterly Report to the Authority not later than 10 days after the end of each calendar quarter. Any or all of the items required to be updated in the Quarterly Report may be incorporated by reference from other documents, including offering documents of debt issues which are available to the public on the MSRB's internet website or filed with the SEC. The Developer and the Authority, as applicable, shall clearly identify each such document incorporated by reference.
- (b) **Provision of Reports to the MSRB**. Within 5 business days after receipt of each Quarterly Report from the Developer, the Coordinating District, ATEC District No. 2 and the Authority, the Trustee shall provide to the MSRB (in an electronic format as prescribed by the MSRB) the Quarterly Report. Each Quarterly Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 3(a) above; provided that the Audited Financial Statements of the Authority may be submitted separately from the balance of the Quarterly Report due on each September 30.

If the Developer, the Coordinating District, ATEC District No. 2 or the Authority fails to provide to the Trustee the information in the Quarterly Report required to be provided by it at least 5 business days prior to the applicable Quarterly Report Deadline, then the Trustee shall provide notice to the Developer, the Coordinating District, ATEC District No. 2 or the Authority (as applicable) that its respective portions of the Quarterly Report remain due, and shall indicate in such notice the applicable Quarterly Report Deadline. If the Developer, the Coordinating District, ATEC District No. 2 or the Authority fails to provide the Trustee the information in the Quarterly Report required to be provided by it by the appliable Quarterly Report Deadline, which results in the Trustee's inability to provide a complete Quarterly Report to the

MSRB within 55 days after the end of each calendar quarter (being March 31, June 30, September 30 and December 31) (each a "Trustee Quarterly Filing Deadline"), then as soon as practicable after the Trustee Quarterly Filing Deadline, the Trustee shall promptly file such portion of the Quarterly Report as has been provided to it as of such date, and shall file or cause to be filed a notice in substantially the form attached hereto as Appendix D with the MSRB.

In addition to the foregoing, the Trustee shall, prior to the date of each filing of a Quarterly Report, determine the appropriate electronic format prescribed by the MSRB. After the Trustee files a Quarterly Report and/or the notice described in the preceding paragraph with the MSRB, the Trustee shall inform the Developer, the Coordinating District, ATEC District No. 2 and the Authority in writing of the date that such report or notice was filed and list all the entities to which it was provided.

(c) **Means of Transmitting Information**. Subject to technical and economic feasibility, the Developer, the Coordinating District, ATEC District No. 2 and the Authority shall employ such methods of information transmission as the Trustee shall reasonably request. All documents provided to the MSRB pursuant to this Agreement shall be in the format prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB.

As of the date of this Agreement, all documents submitted to the MSRB must be in portable document format (PDF) files configured to permit documents to be saved, viewed, printed and retransmitted by electronic means. In addition, such PDF files must be word-searchable, provided that diagrams, images and other non-textual elements are not required to be word-searchable.

  - (iii) a non-payment related default under the Indenture (if the Authority deems such default to be material to the Owners), including a description of such default;

  - (v) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS From 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
    - (vi) modifications to rights of the Owners, if material;

- (x) default, event of acceleration, termination event, modification of terms or other similar events under the terms of the financial obligation of the Authority or a Financing District, any of which reflect financial difficulties.

Whenever the Trustee obtains actual knowledge of the occurrence of any of the aforementioned events, the Trustee shall promptly notify the Authority of such event. For purposes of this paragraph, "actual knowledge" of the Trustee means actual knowledge by an officer of the Trustee having responsibility for matters regarding the Indenture or the Bonds.

- **Section 5. Termination**. The obligations of the Authority, the Coordinating District, ATEC District No. 2 and the Trustee under this Agreement shall terminate at such time as none of the Bonds are Outstanding under the Indenture. David Lucas will be principally responsible for the work performed by Sherman & Howard L.L.C. on your behalf and they will report to and take direction from McGeady Becher, P.C., the Issuer's general counsel, as well as the Issuer's board of directors. Where appropriate, certain tasks may be performed by other attorneys or paralegals, including Sydnee Beam (attorney) and Marie Pozernick (paralegal). At all times, however, Mr. Lucas will coordinate, review, and approve all work completed for the Issuer.

Scope of Services. We are being retained by you to act as special counsel to the Issuer in connection with the Limited Offering Memorandum for the Bonds (the "Limited Offering Memorandum"). As such, we will provide advice to the Issuer on the applicable legal standards to be used in preparing the Limited Offering Memorandum and meeting the Issuer's disclosure

responsibilities. At the conclusion of the transaction we will deliver a letter to you stating, substantially, that we have assisted the Issuer in the preparation of the Limited Offering Memorandum, and that in the course of such assistance, no facts have come to the attention of the attorneys in our firm rendering legal services in connection with this matter that cause them to believe that the Preliminary Limited Offering Memorandum as of its date or the Limited Offering Memorandum as of its date or as of the date of Closing, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided, however, we do not assume responsibility for the accuracy, completeness or fairness of the statements contained in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum, nor do we express any belief with respect to any financial and statistical data and forecasts, projections, numbers, estimates, assumptions and expressions of opinion, and information concerning any feasibility reports or financial forecasts attached thereto, and information concerning The Depository Trust Company and the book-entry system for the Bonds contained or incorporated by reference in the Preliminary Limited Offering Memorandum or Limited Offering Memorandum and its Appendices, which we expressly exclude from the scope of this paragraph. Our letter will be addressed to the Issuer and will be executed and delivered by us in written form on the date the Bonds are exchanged for their purchase price (the "Closing"). We also expect to issue a reliance letter to the Underwriter.

In requesting and accepting such letter, you recognize and acknowledge that: (i) the scope of the activities performed by us described above were inherently limited and do not encompass all activities that you may be responsible for undertaking in preparing the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum; (ii) such activities relied substantially on representations, warranties, certifications and opinions made by your representatives and others, and are otherwise subject to the matters set forth in this letter; and (iii) while statements of negative assurance are customarily given to underwriters of municipal securities to assist them in discharging their responsibilities under the federal securities laws, the responsibilities of the issuer of such securities under those laws may differ from those of underwriters in material respects, and this letter may not serve the same purpose or provide the same utility to you as it would to an underwriter of the Bonds.

Our services as special counsel are limited to those contracted for explicitly herein; the Issuer's execution of this letter constitutes an acknowledgment of those limitations. Specifically, but without implied limitation, our responsibilities do not include any representation by Sherman & Howard L.L.C. in connection with any IRS audit or any litigation involving the Issuer or the Bonds, or any other matter. We do not assume responsibility for the preparation of any collateral documents (e.g., environmental impact statements) which are to be filed with any state, federal or other regulatory agency. Our services are of a traditional legal nature with respect to the Bonds, and we are not acting as a financial advisor or financial expert regarding the issuance of municipal securities or municipal financial products.

Attorney-Client Relationship. In performing our services as special counsel, the Issuer will be our client and an attorney-client relationship will exist between us. We will represent the interests of the Issuer rather than its Board of Directors, its individual members, or the Issuer's employees. We assume that other parties to the transaction will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction. It is our understanding that the Issuer has retained Kutak Rock LLP to serve as bond counsel.

Conflicts of Interest. We would like to disclose past, current, and potential future representations of financial institutions are or may be involved in the issuance of the Bonds or the development of property within the Issuer. Our firm sometimes represents, in other unrelated transactions, certain of the financial institutions that may be involved in this Bond transaction, such as underwriters, credit enhancers, and banks that act as paying agents or trustees (collectively, the "Financial Institutions"). We understand that the underwriter of the Bonds (the "Underwriter") has not been determined at this time. We want to advise you that it is likely that we represent the eventual Underwriter as underwriter's counsel, structuring agent's counsel, or placement agent's counsel in other, unrelated, municipal bond issuances, a number of which may be currently ongoing.

We do not believe that there is a significant risk that any of these representations will materially limit our ability to provide competent and diligent representation of the Issuer in connection with the Bonds, even though certain of the Financial Institutions representations may be characterized as adverse under the Colorado Rules of Professional Conduct (the "Rules"). In any event, during the term of our engagement hereunder, we will not accept a representation of any of the Financial Institutions in any matter in which the Issuer is an adverse party. However, pursuant to the Rules, we do ask that you consent to our representation of the Financial Institutions in current and future transactions that do not directly or indirectly involve the Issuer. We advise you to discuss with your general counsel the advantages and risks involved in waiving current conflicts and future potential conflicts. Your execution of this letter will signify the Issuer's consent to such adverse representations in matters unrelated to the Bonds while we are serving as special counsel hereunder.

<u>Fee Arrangement</u>. Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing, (ii) the responsibilities we will undertake pursuant to this letter, (iii) the time we anticipate devoting to the financing, and (iv) the skill and experience required to complete the services properly, we estimate that our fee as special counsel to the Issuer in connection with the Limited Offering Memorandum would be \$115,000 to \$135,000. If, at any time, we believe that circumstances require an adjustment of this fee estimate, we will consult with you regarding any such adjustment.

In addition, we will expect to be reimbursed for all out-of-pocket expenses, including travel costs, photocopying, deliveries, filing fees, and other necessary office

disbursements in connection with that transaction. At this time, we expect such expenses to be minimal or zero.

We understand and agree that our contingent fees will be paid at Closing out of Bond proceeds. If the financing is not consummated, we understand and agree that we will not be paid. If you prefer, we can provide you with a non-contingent fee arrangement based upon an hourly rate or a fixed transaction fee.

<u>Electronic Communications</u>. Although the Issuer and our firm recognize e-mail may not always be a secure method of communication, and could be intercepted and read by persons who are not the intended recipients, the Issuer and the firm agree to the use of unencrypted e-mail for communications made during the course of this engagement, including communications containing confidential information or advice. The Issuer may, however, at any time request us to use a specified more secure or different method of communication for confidential information or advice, including communications about a particular subject, and we will take reasonable measures to implement the request from the Issuer.

Document Retention. At or within a reasonable period after Closing, we will review the file to determine what materials should be retained as a record of our representation and those that are no longer needed. We will provide you with a copy of the customary transcript of documents after Closing and will return any original documents obtained from you (if a copy is not included in the transcript). We will retain for several years a copy of the transcript and such other materials as correspondence, final substantive work product, documents obtained from you, and documents obtained from third parties. We will not retain such materials as duplicates of the above-described material, or drafts and notes that do not appear needed any longer.

Ordinarily the firm will keep the retained materials until seven years after the final maturity of the Bonds. At the end of that time, unless you advise us in writing to the contrary, we will destroy the bulk of the file. If the file is especially voluminous, we may destroy all or portions of it earlier, as our storage facilities are limited. If you prefer other arrangements for retention or disposition of our files in this matter, please advise us in writing.

Termination of Engagement. Upon delivery of our letter as special counsel, our responsibilities as special counsel will terminate with respect to the Bonds, and our representation of the Issuer and the attorney-client relationship created by this engagement letter will be concluded. Should the Issuer seek the advice of special counsel on a post-closing matter or seek other, additional legal services, we would be happy to discuss the nature and extent of our separate engagement at that time.

Approval. If the foregoing terms of this engagement are acceptable to you, please so indicate by returning the duplicate original of this letter signed by the officer so authorized, retaining the other original for your files. We sometimes do not receive signed engagement letters

back from clients for various reasons, but the client still wishes for us to serve as their counsel. Accordingly, so that we may begin work on this matter soon per your instructions, if you do not return a signed letter to us or inform us of any comments or objections to this letter, we will consider this letter and the referenced fee arrangement to govern our relationship unless you and we agree otherwise in writing.

We are pleased to have the opportunity to serve as your special counsel and look forward to a mutually satisfactory and beneficial relationship. If at any time you have questions concerning our work or our fees, we hope that you will contact us immediately.

In addition, any request, demand, authorization, direction, notice, consent, waiver, or other action by any Consent Party (notwithstanding whether such action was also taken by any other Owner or Consent Party) shall bind the Owner and the Consent Party, and the Owner of and Consent Party with respect to every Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Authority in reliance thereon; and it shall not be necessary to make notation of such action on any Bond authenticated and delivered hereunder.
- **Section 1.07. Notices for Bonds Held by a Depository**. Notwithstanding the provisions hereof which provide for notices to Owners by mail, so long as the Bonds are held by DTC or any other Depository, such notices may be given by electronic means in lieu of mailed notice.
- **Section 1.08. Indenture to Constitute Contract**. This Indenture shall constitute a contract among the Authority, the Trustee, and the Owners, and shall remain in full force and effect until the Bonds are no longer Outstanding hereunder.

#### THE BONDS

## Section 2.01. Authorization and Terms of Bonds.

- (a) In accordance with the Colorado Constitution; the Act; the Supplemental Act; and all other laws of the State thereunto enabling, there shall be issued the Bonds for the purposes hereinafter stated. The aggregate principal amount of the Bonds that may be authenticated and delivered under this Indenture is limited to and shall not exceed \$[BOND PAR], except as provided in Section 2.06 and Section 2.09 hereof.
- (b) The Bonds constitute CAB Obligations within the meaning of the ATEC No. 1 Revenue Pledge Agreement (and as defined herein).
- (c) The Bonds shall be issued only as fully registered Bonds, without coupons, in Authorized Denominations. Unless the Authority directs otherwise, the Bonds shall be numbered separately from 1 upward, with the number of each Bond preceded by "RA-."
- (d) The Bonds shall be issued as a single term bond, be dated as of the date of issuance, and bear interest at the rate per annum set forth below, calculated on the basis of a 360-day year of twelve 30-day months, payable to the extent of Pledged Revenue available therefor on December 1 of each year, commencing December 1, 2022, and shall mature on December 1 in the year and amount set forth below:

Maturity (December 1)	Principal Amount	Interest Rate
2052	\$[BOND PAR]	%

- (e) Pursuant to the limitations of the ATEC No. 1 Election, the maximum interest rate authorized for this issue of Bonds is 12.00% per annum, and the actual interest rate of the Bonds does not exceed such maximum rate. In addition, the maximum repayment cost of the Bonds does not exceed the limitations of the ATEC No. 1 Election and the maximum annual debt service on the Bonds does not exceed the maximum annual tax increases authorized by the ATEC No. 1 Election.
- The principal of and premium, if any, on the Bonds are payable in lawful money of the United States of America to the Owner of each Bond upon maturity or prior redemption and presentation at the principal office of the Trustee. The interest on any Bond is payable to the person in whose name such Bond is registered, at his address as it appears on the registration books maintained by or on behalf of the Authority by the Trustee, at the close of business on the Record Date, irrespective of any transfer or exchange of such Bond subsequent to such Record Date and prior to such Interest Payment Date; provided that any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Owner thereof at the close of business on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such unpaid interest. Such Special Record Date shall be fixed by the Trustee whenever moneys become available for payment of the unpaid interest, and notice of the Special Record Date shall be given to the Owners of the Bonds not less than ten (10) days prior to the Special Record Date by first-class mail to each such Owner as shown on the registration books kept by the Trustee on a date selected by the Trustee. Such notice shall state the date of the Special Record Date and the date fixed for the payment of such unpaid interest.
- (g) Interest payments shall be paid by check or draft of the Trustee mailed on or before the Interest Payment Date to the Owners. The Trustee may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Trustee, provided that the Authority shall not incur any expenses in connection with such alternative means of payment.
- (h) To the extent principal of any Bond is not paid on or prior to the maturity date of such Bond, such principal shall remain Outstanding until paid and shall continue to bear interest at the rate then borne by the Bond, and to the extent interest on any Bond is not paid when due, such interest shall compound annually on each Interest Payment Date at the rate then borne by the Bond; provided, however, that notwithstanding anything herein to the contrary, the Authority shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Bonds, including all payments of principal, premium, if any, and interest, and all Bonds will be deemed defeased and no longer Outstanding upon the payment by the Authority of such amount.

- (i) Subject to the provisions of this Indenture, the Bonds shall be in substantially the form set forth in Exhibit A attached hereto, with such variations, omissions, and insertions as may be required by the circumstances, be required or permitted by this Indenture, or be consistent with this Indenture and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto. The Authority may cause a copy of the text of the opinion of Bond Counsel to be printed on the Bonds. Pursuant to the recommendations promulgated by the Committee on Uniform Security Identification Procedures, "CUSIP" numbers may be printed on the Bonds. The Bonds may bear such other endorsement or legend satisfactory to the Trustee as may be required to conform to usage or law with respect thereto.
- **Section 2.02. Purpose of Issuance of Bonds**. The Bonds are being issued for the purpose of: (a) paying or reimbursing Project Costs and (b) paying costs incurred in connection with the issuance of the Bonds. The underwriting discount allocable to the Bonds will also be paid from the proceeds thereof. The Owners of the Bonds shall not be responsible for the application or disposal by the Authority or any of its officers of the funds derived from the sale thereof.

# Section 2.03. Trustee as Paying Agent and Bond Registrar.

- (a) The Trustee shall perform the functions of paying agent and authenticating registrar with respect to the Bonds. The Trustee shall establish the registration books for the Bonds and thereafter maintain such books in accordance with the provisions hereof. The Authority shall cause the Underwriter to provide the Trustee with an initial registry of the Owners within a reasonable time prior to delivery of the Bonds. The Authority shall be permitted to review the registration books at any time during the regular business hours of the Trustee and, upon written request to the Trustee, shall be provided a copy of the list of Owners of the Bonds. Upon the termination of this Indenture, the Trustee shall promptly return such registration books to the Authority.
- (b) The Trustee shall make payments of principal and interest on the Bonds on each date established herein for payment thereof, in the manner and from the sources set forth herein.
- (c) The Trustee will register, exchange, or transfer (collectively "transfer") the Bonds in the manner provided herein. The Trustee reserves the right to refuse to transfer any Bond until it is satisfied that the endorsement on the Bond is valid and genuine, and for that purpose it may require a guarantee of signature by a firm having membership in the Midwest, New York, or American Stock Exchange, or by a bank or trust company or firm approved by it. The Trustee also reserves the right to refuse to transfer any Bond until it is satisfied that the requested transfer is legally authorized, and it shall incur no liability for any refusal in good faith to make a transfer which it, in its judgment, deems improper or unauthorized.
- (d) In the event the Authority receives any notice or order which limits or prohibits dealing in the Bonds, it will immediately notify the Trustee of such notice or order and give a copy thereof to the Trustee.

(e) In any circumstances concerning the payment or registration of the Bonds not covered specifically by this Indenture, the Trustee shall act in accordance with federal and state banking laws and its normal procedures in such matters.

**Section 2.04. Execution of Bonds; Signatures.** The Bonds shall be executed on behalf of the Authority by the manual or facsimile signature of the President of the Authority, sealed with a manual impression or facsimile of its corporate seal, and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the Authority. In case any officer who shall have signed any of the Bonds shall cease to be such officer of the Authority before the Bonds have been authenticated by the Trustee or delivered or sold, such Bonds with the signatures thereto affixed may, nevertheless, be authenticated by the Trustee and delivered, and may be sold by the Authority, as though the person or persons who signed such Bonds had remained in office.

**Section 2.05. Persons Treated as Owners**. The Authority and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of receiving payment thereof or on account thereof and for all other purposes, whether or not such Bond is overdue, and neither the Authority nor the Trustee shall be affected by notice to the contrary.

Section 2.06. Lost, Stolen, Destroyed, or Mutilated Bonds. Any Bond that is lost, stolen, destroyed, or mutilated may be replaced (or paid if the Bond has matured or come due by reason of prior redemption) by the Trustee in accordance with and subject to the limitations of applicable law. The applicant for any such replacement Bond shall post such security, pay such costs, and present such proof of ownership and loss as may be required by applicable law, or in the absence of specific requirements, as may be required by the Trustee. In the event any such lost, stolen, destroyed, or mutilated Bond shall have become due for payment, instead of issuing a replacement Bond as provided above, the Trustee may pay the same, and may charge the Owner the reasonable fees and expenses of the Trustee in connection therewith.

**Section 2.07. Delivery of Bonds**. Upon the execution and delivery of this Indenture, the Authority shall execute the Bonds and deliver them to the Trustee, and the Trustee shall authenticate the Bonds and deliver them to or for the account of the purchasers thereof, as directed by the Authority and in accordance with a written certificate of the Authority.

Section 2.08. Trustee's Authentication Certificate. The Trustee's certificate of authentication upon the Bonds shall be substantially in the form and tenor set forth in Exhibit A attached hereto. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit hereunder unless and until a certificate of authentication on such Bond substantially in such form shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds issued hereunder.

Section 2.09. Registration, Exchange, and Transfer of Bonds.

- (a) The Trustee shall act as bond registrar and maintain the books of the Authority for the registration of ownership of each Bond as provided herein.
- (b) Bonds may be exchanged at the principal office of the Trustee for a like aggregate principal amount of Bonds of the same maturity of other Authorized Denominations. Bonds may be transferred upon the registration books upon delivery of the Bonds to the Trustee, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Owner of the Bonds to be transferred or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of such Bonds, along with the social security number or federal employer identification number of such transferee. No transfer of any Bond shall be effective until entered on the registration books. In all cases of the transfer of a Bond, the Trustee shall enter the transfer of ownership in the registration books, and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of Authorized Denominations of the same maturity and interest rate for the aggregate principal amount which the Owner is entitled to receive at the earliest practicable time in accordance with the provisions hereof.
- (c) The Trustee shall charge the Owner of such Bond for every such transfer or exchange of a Bond an amount sufficient to reimburse it for its reasonable fees and for any tax or other governmental charge required to be paid with respect to such transfer or exchange.
- (d) The Authority and Trustee shall not be required to issue or transfer any Bonds: (i) during a period beginning at the close of business on the Record Date and ending at the opening of business on the first Business Day following the ensuing Interest Payment Date, or (ii) during the period beginning at the opening of business on a date forty-five (45) days prior to the date of any redemption of Bonds and ending at the opening of business on the first Business Day following the day on which the applicable notice of redemption is mailed. The Trustee shall not be required to transfer any Bonds selected or called for redemption, in whole or in part.
- (e) New Bonds delivered upon any transfer or exchange shall be valid obligations of the Authority, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture, and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.
- **Section 2.10. Cancellation of Bonds**. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture and upon payment of the principal amount, premium, if any, and interest due thereon, or whenever any Outstanding Bond shall be delivered to the Trustee for transfer pursuant to the provisions hereof, such Bond shall be cancelled by the Trustee in accordance with the customary practices of the Trustee and applicable retention laws.
- **Section 2.11. Non-presentment of Bonds.** In the event any Bonds, or portions thereof, shall not be presented for payment when the principal thereof becomes due, either at maturity, the date fixed for redemption thereof, or otherwise, if funds sufficient for the payment thereof,

including accrued interest thereon, shall have been deposited into the Bond Fund or otherwise made available to the Trustee for deposit therein, then on and after the date said principal becomes due, all interest thereon shall cease to accrue and all liability of the Authority to the Owner or Owners thereof for the payment of such Bonds, shall forthwith cease, terminate, and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds in a separate trust account for the benefit of the Owner or Owners of such Bonds, who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his, her or their part under this Indenture with respect to said Bond or on, or with respect to, this Indenture. Such moneys shall not be required to be invested during such period by the Trustee. If any Bond shall not be presented for payment within the period of three years following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall return to the Authority the funds theretofore held by it for payment of such Bond and payment of such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Authority. The obligations of the Trustee under this Section shall be subject, however, to any law applicable to the unclaimed funds or the Trustee providing other requirements for the disposition of unclaimed property.

## Section 2.12. Book-Entry System.

- (a) The Bonds shall be initially issued in the form of single, certificated, fully registered Bonds for each maturity. Upon initial issuance, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of Cede.
- (b) With respect to Bonds registered in the name of Cede or held by a Depository, neither the Authority nor the Trustee shall have any responsibility or obligation to any Participant or Beneficial Owner including, without limitation, any responsibility or obligation with respect to: (i) the accuracy of the records of the Depository or any Participant concerning any ownership interest in the Bonds; (ii) the delivery to any Participant, Beneficial Owner, or person other than the Owner, of any notice concerning the Bonds, including notice of redemption; or (iii) the payment to any Participant, Beneficial Owner, or person other than the Owner, of the principal of, premium, if any, and interest on the Bonds. The Authority and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for purposes of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest on or in connection with the Bonds only to or upon the order of the Owners, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to the payment of the same. No person, other than an Owner, shall receive a certificated Bond evidencing the obligations of the Authority pursuant to this Indenture.
- (c) DTC may determine to discontinue providing its service as Depository with respect to the Bonds at any time by giving notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon the termination of the services of DTC, a substitute Depository which is willing and able to undertake the system of book-entry transfers upon reasonable and customary terms may be engaged by the

Authority or, if the Authority determines in its sole and absolute discretion that it is in the best interests of the Beneficial Owners or the Authority that the Beneficial Owners should be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the name of Cede or other nominee of a Depository but shall be registered in whatever name or names the Beneficial Owners shall designate at that time, and fully registered Bond certificates shall be delivered to the Beneficial Owners.

#### **REVENUES AND FUNDS**

Section 3.01. Source of Payment of Bonds. The Bonds shall constitute special limited tax revenue obligations of the Authority. All of the Bonds, together with the interest thereon and any premium due in connection therewith, shall be payable solely from and to the extent of the Pledged Revenue, including all moneys and earnings thereon held in the funds and accounts created hereunder, and the Pledged Revenue is hereby pledged to the payment of the Bonds. The Bonds shall constitute an irrevocable lien upon the Pledged Revenue and the moneys and earnings thereon held in the funds and accounts herein created, but not necessarily an exclusive such lien.

- (i) So long as no Event of Default shall have occurred and be continuing, amounts in the Project Fund shall be disbursed by the Trustee to the Authority in accordance with requisitions submitted to the Trustee in substantially the form set forth in <a href="Exhibit B">Exhibit B</a> hereto signed by (i) the Authority Representative (or the President of the Authority) and (ii) the Authority Accountant, certifying that all amounts drawn will be applied to the payment of Project Costs (each, a "Project Fund Requisition").
- (ii) The Trustee may rely conclusively on any Project Fund Requisition as to the information and certifications contained therein and shall not be required to make any independent investigation in connection therewith. The execution of any Project Fund Requisition by the Authority Representative (or the President of the Authority) and the Authority Accountant shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent to the payments requested have been completed.
- (c) **Events of Default**. Upon the occurrence and continuance of an Event of Default, the Trustee will cease disbursing moneys from the Project Fund, and instead shall apply such moneys in the manner provided in Article VIII hereof.
- (d) **Disposition of Unused Moneys**. Upon the receipt by the Trustee of a resolution of the Authority determining that all Project Costs have been paid, or that the funds in the Project Fund exceed the amount necessary to pay all Project Costs which the Authority has determined to pay, any balance remaining in the Project Fund shall be credited to the Bond Fund.
- (e) *Termination of Project Fund*. The Project Fund shall terminate at such time as no moneys remain therein.

#### Section 3.05. Revenue Fund; Flow of Funds.

- (a) Transfer of Pledged Revenue; Credit to Revenue Fund. The Authority shall transfer or cause to be transferred all amounts comprising Pledged Revenue to the Trustee as soon as may be practicable after the receipt thereof, but in no event later than the fifteenth (15<sup>th</sup>) day of the calendar month immediately succeeding the calendar month in which such Pledged Revenue is received by the Authority. IN NO EVENT IS THE AUTHORITY PERMITTED TO WITHHOLD ANY PORTION OF THE PLEDGED REVENUE OR TO APPLY ANY PORTION THEREOF TO ANY PURPOSE OTHER THAN REMITTANCE TO THE TRUSTEE FOR APPLICATION AS SET FORTH IN THIS INDENTURE. The Trustee shall credit all Pledged Revenue to the Revenue Fund promptly upon the receipt thereof.
- (b) Application of Pledged Revenue; Flow of Funds. The Trustee shall, in each Bond Year, apply the Pledged Revenue in the order of priority set forth in clauses FIRST through SECOND below and, for purposes of such application: (i) no Pledged Revenue shall flow to a lower priority until all of the higher priorities have been fully funded; (ii) when credits or disbursements to more than one fund, account, or purpose are

required at any single priority level, such credits and/or disbursements shall rank *pari passu* with each other; and (iii) when credits or disbursements are required to go to funds or accounts which are not held by the Trustee under this Indenture, the Trustee may rely upon the written instructions of the Authority with respect to the appropriate funds or accounts to which such credits and/or disbursements are to be made.

FIRST: To the Trustee, an amount sufficient to pay the Trustee Fees then due and payable.

SECOND: To the credit of the Bond Fund, all amounts remaining in the then current Bond Year after the payment set forth in clause FIRST above; *provided*, *however*, that if any additional Senior Bonds are then outstanding, the amount available at this clause SECOND shall be allocated in accordance with the provisions of Section 3.06(a) below.

## Section 3.06. Bond Fund.

- (a) *Credit of Pledged Revenue*. For so long as no additional Senior Bonds have been issued by the Authority, in each Bond Year the Trustee shall credit all Pledged Revenue remaining after the payment of Trustee Fees due and payable in that Bond Year to the Bond Fund. If any additional Senior Bonds are issued, the Authority will so inform the Trustee in writing, and thereafter the Pledged Revenue available at clause SECOND of Section 3.05(b) hereof shall be allocated among the Bonds and such additional Senior Bonds on a pro-rata basis, in accordance with the relative outstanding principal amounts of such issues, and the amount so allocated to the Bonds shall be credited to the Bond Fund.
- (b) Use of Moneys in Bond Fund. Moneys in the Bond Fund shall be used by the Trustee solely to pay the principal of and interest on the Bonds (and, if being optionally redeemed pursuant to Section 5.01(a) hereof, to the premium, if any, due in connection with such optional redemption of Bonds), in the following order of priority:

First: to the payment of current interest due in connection with the Bonds;

Second: to the payment of accrued but unpaid interest on the Bonds (which

interest has not yet compounded);

Third: to the payment of interest due as a result of compounding; and

Fourth: to the extent of any moneys remaining after the payment of all

interest due pursuant to clauses *First* through *Third* above, to the payment of the principal of the Bonds, whether due at maturity or upon prior redemption (and, if upon prior optional redemption pursuant to the provisions of Section 5.01(a) hereof, to the payment of the premium, if any, then due and owing in connection with such

optional redemption of Bonds).

(c) *Mandatory Redemption*. On November 1 of each year, commencing November 1, 2022, the Trustee shall determine the amount then on deposit in the Bond

Fund and, to the extent the amount therein is in excess of the amount required to pay all interest then due on the Bonds on the Interest Payment Date occurring in that year (including current interest, accrued but unpaid interest, and interest due as a result of compounding, if any), the Trustee shall promptly give notice of redemption and take such other actions as necessary to redeem as many Bonds as can be redeemed with such excess moneys on such Interest Payment Date (each, a "Mandatory Redemption Date"), provided that amounts insufficient to redeem at least one Bond in the denomination of \$1,000 will be retained in the Bond Fund. The mandatory redemption of Bonds pursuant to this Section 3.06(c) shall be made by the Trustee without further instruction from the Authority and notwithstanding any instructions from the Authority to the contrary. Notwithstanding anything in this Indenture to the contrary, it is understood and agreed that borrowed moneys shall not be used for the purpose of redeeming principal of the Bonds pursuant to this Section 3.06(c).

#### Section 3.07. Costs of Issuance Fund.

- (a) On the date of issuance of the Bonds and from the proceeds thereof, the amount set forth in Section 3.03(b) above shall be deposited in the Costs of Issuance Fund.
- (b) The Trustee shall disburse amounts from the Costs of Issuance Fund at the direction of the Authority for payment of the fees, costs and expenses incurred in connection with the issuance of the Bonds pursuant to invoices provided to the Trustee which are consistent with the closing memorandum prepared by the Underwriter. Following receipt of the direction of the Authority to disburse funds in accordance with the closing memorandum (which direction may be via email transmission), the Trustee may rely conclusively on the instructions provided in the closing memorandum and shall not be required to make any independent investigation in connection with such payments. Amounts to be disbursed from the Costs of Issuance Fund other than as provided in the closing memorandum must be approved in writing by the Authority prior to disbursement.
- (c) On the date which is ninety (90) days after the date of issuance of the Bonds, the Trustee shall transfer all amounts then remaining in the Costs of Issuance Fund, if any, to the Project Fund. At such time as no moneys remain therein, the Costs of Issuance Fund shall terminate.

**Section 3.08. Moneys to be Held in Trust.** All moneys deposited with or paid to the Trustee under any provision of this Indenture shall be held by the Trustee in trust for the purposes specified in this Indenture, and except for amounts due and owing to the Trustee for its fees and expenses in performance of its duties hereunder, such moneys shall constitute part of the Trust Estate and be subject to the lien hereof. Except to the extent otherwise specifically provided in Section 8.05 hereof, the Authority shall have no claim to or rights in any moneys deposited with or paid to the Trustee hereunder.

**Section 3.09. Pledge of Revenues**. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Bonds provided herein shall be governed by Section 11-57-208 of the Supplemental Act, this Indenture, and the Bond Resolution. The amounts pledged to the payment of the Bonds shall immediately be subject to the lien of such pledge without

any physical delivery, filing, or further act. The lien of such pledge and the obligation to perform the contractual provisions hereof and of the Bond Resolution shall have priority over any and all other obligations and liabilities of the Authority, except as may be otherwise provided in the Supplemental Act, in this Indenture, in the Bond Resolution, or in any other instrument, but subject to any prior pledges and liens. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the Authority irrespective of whether such persons have notice of such liens.

#### ARTICLE IV

## **COVENANTS OF AUTHORITY**

Section 4.01. Performance of Covenants, Authority. The Authority covenants that it will faithfully perform and observe at all times any and all covenants, undertakings, stipulations, and provisions contained in the Bond Resolution, this Indenture, the Bonds, the CABEA, the ATEC No. 1 Revenue Pledge Agreement, and all the Authority's proceedings pertaining hereto. The Authority covenants that it is duly authorized under the Colorado Constitution and other laws of the State, including, particularly and without limitation, the Act, to issue the Bonds and to execute this Indenture and that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken and will be duly taken as provided herein, and that the Bonds are and will be valid and enforceable obligations of the Authority according to the terms thereof.

**Section 4.02. Instruments of Further Assurance**. The Authority covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered, such indentures supplemental hereto and such further acts, instruments, and transfers as the Trustee may reasonably require for the better assuring, transferring, and pledging unto the Trustee all and singular the Trust Estate.

## Section 4.03. Covenant Regarding ATEC No. 1 Required Debt Service Mill Levy.

- (a) The Authority covenants that it will use its commercially reasonable best efforts to cause ATEC No. 1 to levy, on all taxable property of ATEC No. 1, the ATEC No. 1 Required Debt Service Mill Levy in the amounts, at the times and as otherwise provided in the ATEC No. 1 Revenue Pledge Agreement.
- (b) The amounts necessary to pay the principal of, premium, if any, and interest on the Bonds as required hereunder are hereby appropriated for said purposes, and such amounts as appropriate for each year shall be included in the annual budget and the appropriation resolutions to be adopted and passed by the Board in each year, respectively, until the Bonds are fully paid and satisfied.
- (c) The Board shall take all commercially reasonable necessary and proper steps to cause ATEC No. 1 to enforce promptly the payment of the ad valorem property taxes derived from the imposition by ATEC No. 1 of the ATEC No. 1 Required Debt Service Mill Levy pursuant to the ATEC No. 1 Revenue Pledge Agreement.

## Section 4.04. Additional Bonds.

- (a) *In General*. After issuance of the Bonds, no Additional Bonds may be issued except in accordance with the provisions of this Section 4.04. Nothing herein shall affect or restrict the right of the Authority to issue or incur obligations which are not Additional Bonds hereunder; provided that, notwithstanding the foregoing or anything herein to the contrary, the Authority shall not create, incur, assume, or suffer to exist any liens or encumbrances upon the ad valorem tax revenues of the Authority or the Pledged Revenue or any part thereof superior to the lien thereon of the Bonds.
- (b) **Permitted Refunding Bonds**. The Authority may issue Permitted Refunding Bonds at such time or times and in such amounts as may be determined by the Authority in its absolute discretion.
- (c) Senior Bonds. The Authority may issue Additional Bonds which constitute Senior Bonds on parity with the Bonds and the terms of such additional Senior Bonds shall be as provided in the documents pursuant to which they are issued, provided that the Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding have provided their written consent to the issuance of such additional Senior Bonds, or, with or without such consent, the Authority may issue additional Senior Bonds if the following conditions are met as of the date of issuance of such Senior Bonds:
  - (i) the Senior Debt to Assessed Ratio is at or below 65%; and
  - (ii) the principal and interest payment date for the additional Senior Bonds shall be the same as those for the Bonds.
- (d) **Subordinate Bonds**. The Authority may issue Additional Bonds which constitute Subordinate Bonds if each of the following conditions are met as of the date of issuance of such Subordinate Bonds and the Subordinate Bond Documents pursuant to which such Subordinate Bonds are issued contain the provisions necessary and appropriate to incorporate such conditions:
  - (i) The Subordinate Bonds are payable only from that portion of the Pledged Revenue remaining and available at such time as no Bonds or other Senior Bonds are Outstanding (within the meaning of this Indenture, with respect to the Bonds, and within the meaning of the governing instrument pursuant to which such other Senior Bonds were issued, with respect to any other Senior Bonds).
  - (ii) No principal of or interest on the Subordinate Bonds shall be paid or shall be due and owing until after the date on which no Bond is Outstanding under this Indenture, and no other Senior Bonds are outstanding under the governing instrument pursuant to which such other Senior Bonds were issued.
  - (iii) The Subordinate Bonds shall not be subject to acceleration for any reason.
- (e) **Board Determination**. The good faith determination by the Board that the conditions to the issuance of Additional Bonds issued as Permitted Refunding Bonds, additional Senior Bonds or Subordinate Bonds are met shall conclusively determine the

right of the Authority to authorize, issue, sell, and deliver such Additional Bonds in accordance herewith.

**Section 4.05. Additional Covenants and Agreements**. The Authority hereby further irrevocably covenants and agrees with each and every Owner that so long as any of the Bonds remain Outstanding:

- (a) The Authority shall not dissolve, merge, or otherwise alter its corporate structure in any manner or to any extent as might materially adversely affect the security provided for the payment of the Bonds, and will continue to operate and manage the Authority and its facilities in an efficient and economical manner in accordance with all applicable laws, rules, and regulations; provided, however, that the foregoing shall not prevent the Authority from dissolving pursuant to the provisions of the Act.
- (b) At least once a year the Authority will cause an audit to be performed of the records relating to its revenues and expenditures, and the Authority shall use its reasonable efforts to have such audit report completed no later than September 30 of the calendar year immediately succeeding the calendar year which is the subject of such audit. The foregoing covenant shall apply notwithstanding any state law audit exemptions that may exist. In addition, at least once a year in the time and manner provided by law, the Authority will cause a budget to be prepared and adopted. Copies of the budget and audit will be filed and recorded in the places, time, and manner provided by law.
- (c) The Authority will carry general liability, public officials' liability, and such other forms of insurance on insurable property of the Authority upon the terms and conditions, in such amounts, and issued by recognized insurance companies, as in the judgment of the Authority will protect the Authority and its operations.
- (d) Each official of the Authority or other person having custody of any funds of the Authority or responsible for the handling of such funds shall at all times be bonded or insured against theft or defalcation.
- (e) In the event any ad valorem taxes are not paid when due, the Authority shall use its commercially reasonable best efforts to cause ATEC No. 1 to diligently cooperate with the appropriate county treasurer to enforce the lien of such unpaid taxes against the property for which the taxes are owed.
- (f) In the event the Pledged Revenue is insufficient or is anticipated to be insufficient to pay the principal of, and the premium, if any, and interest on the Bonds when due, the Authority shall use its best efforts to refinance, refund, or otherwise restructure the Bonds so as to avoid such insufficiency.
- (g) The Authority will enforce the ATEC No. 1 Revenue Pledge Agreement against ATEC No. 1 in accordance with its terms, including, without limitation, the enforcement of the receipt of the ATEC No. 1 Debt Service Revenues payable to the Authority thereunder, such enforcement to be conducted by the Authority in such time and manner as the Authority reasonably determines will be most efficacious in collecting the ATEC No. 1 Debt Service Revenues and otherwise enforcing the terms thereof, and the

Authority will diligently pursue all reasonable remedies available to the Authority with regard to such enforcement, whether in equity or at law. The Authority will not, without the prior written consent of the Consent Parties with respect to 100% in aggregate principal amount of the Bonds then Outstanding, amend or consent to the amendment of the ATEC No. 1 Revenue Pledge Agreement in any manner which would: (i) reduce the amount of the ATEC No. 1 Debt Service Revenues payable to the Authority thereunder; (ii) delay the receipt by the Authority of the ATEC No. 1 Debt Service Revenues to be remitted to the Authority thereunder; or (iii) otherwise adversely affect the ATEC No. 1 Debt Service Revenues payable to the Authority thereunder or the Authority's rights thereunder in any material respect.

- (h) The Authority will enforce the PILOT Covenant in accordance with its terms, including, without limitation, enforcing the collection of the Annual Fees when due thereunder (together with interest accrued on unpaid amounts and attorneys' fees, disbursements and costs and expenses incurred by the Authority to collect such unpaid amounts and/or to enforce the Authority's rights thereunder) in the manner the Authority deems most efficacious in collecting the same, including, without limitation, the bringing of an action to foreclose any statutory or contractual lien which may exist in connection therewith. The Authority will not reduce the amount of the Annual Fee or amend or supplement the PILOT Covenant in any manner which would adversely affect the amount of the ATEC No. 1 Debt Service PILOT Revenues or the timing of the receipt thereof by the Authority.
- (i) The Authority will not amend or modify or consent to the amendment or modification of the PILOT Covenant in any manner that would have a materially adverse effect on the Pledged Revenue or the security for the Bonds.

#### ARTICLE V

#### PRIOR REDEMPTION

## Section 5.01. Prior Redemption.

(a) *Optional Redemption*. The Bonds are subject to redemption prior to maturity, at the option of the Authority, as a whole or in integral multiples of \$1,000, on December 1, 20\_\_\_\_ and on any date thereafter, upon payment of the principal amount so redeemed plus accrued interest thereon to the date of redemption, together with a redemption premium equal to a percentage of the principal amount so redeemed, as follows:

Date of Redemption	Redemption Premium

(b) *Mandatory Redemption from Available Pledged Revenue*. The Bonds are subject to mandatory redemption, as a whole or in integral multiples of \$1,000, on December 1 of each year, upon payment of par and accrued interest, without redemption premium, solely from and to the extent of amounts in the Bond Fund as provided in Section 3.06(c) hereof.

## Section 5.02. Redemption Procedure and Notice.

- (a) If less than all of the Bonds within a maturity are to be redeemed on any prior redemption date, the Bonds to be redeemed shall be selected by lot prior to the date fixed for redemption, in such manner as the Trustee shall determine. The Bonds shall be redeemed only in integral multiples of \$1,000. In the event a Bond is of a denomination larger than \$1,000, a portion of such Bond may be redeemed, but only in the principal amount of \$1,000 or any integral multiple thereof. Such Bond shall be treated for the purpose of redemption as that number of Bonds which results from dividing the principal amount of such Bond by \$1,000. In the event a portion of any Bond is redeemed, the Trustee shall, without charge to the Owner of such Bond, authenticate and deliver a replacement Bond or Bonds for the unredeemed portion thereof.
- In the event any of the Bonds or portions thereof are called for redemption (b) as aforesaid, notice thereof identifying the Bonds or portions thereof to be redeemed will be given by the Trustee by mailing a copy of the redemption notice by first class mail (postage prepaid), not less than twenty (20) days prior to the date fixed for redemption, to the Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books maintained by or on behalf of the Authority by the Trustee. Failure to give such notice by mailing to any Owner, or any defect therein, shall not affect the validity of any proceeding for the redemption of other Bonds as to which no such failure or defect exists. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the notice, and if funds for the redemption are not irrevocably deposited with the Trustee or otherwise placed in escrow and in trust prior to the giving of notice of redemption, the notice shall be specifically subject to the deposit of funds by the Authority. All Bonds so called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time.

#### **ARTICLE VI**

## **INVESTMENTS AND TAX MATTERS**

#### Section 6.01. Investments.

- (a) All moneys held by the Trustee in any of the funds or accounts created hereby shall be promptly invested or reinvested by the Trustee, at the written direction of the Authority Representative, in Permitted Investments only.
- Such investments shall mature or be redeemable at the option of the owner (b) thereof no later than the respective dates when moneys held for the credit of such fund or account will be required for the purposes intended. The Authority Representative may direct the Trustee to, or in the absence of direction, the Trustee shall, in accordance with this paragraph, invest and reinvest the moneys in any money market fund which is a Permitted Investment so that the maturity date, interest payment date, or date of redemption, at the option of the owner of such investment, shall coincide as nearly as practicable with the times at which money is needed to be so expended. The Trustee shall have no obligation to determine whether any investment directed by the Authority constitutes a Permitted Investment. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees, and it is specifically provided herein that the Trustee may purchase or invest in shares of any investment company that (i) is registered under the Investment Company Act of 1940, as amended (including both corporations and Massachusetts business trusts, and including companies for which the Trustee may provide advisory, administrative, custodial, or other services for compensation), (ii) invests substantially all of its assets in short-term highquality money-market instruments, limited to obligations issued or guaranteed by the United States, and (iii) maintains a constant asset value per share. The Trustee is specifically authorized to implement its automated cash investments system to assure that cash on hand is invested and to charge reasonable cash management fees, which may be deducted from income earned on investments. Unless otherwise confirmed or directed in writing, an account statement delivered periodically by the Trustee to the Authority that the investment transactions identified therein accurately reflect the investment directions given to the Trustee by the Authority shall be sufficient, unless the Authority notifies the Trustee in writing to the contrary within 30 days of the date of such statement.
- (c) Any and all such investments shall be subject to full and complete compliance at all times with the covenants and provisions of Section 6.02 hereof.

#### Section 6.02. Tax Matters.

(a) The Authority covenants for the benefit of the Owners that it will not take any action or omit to take any action with respect to the Bonds, any funds of the Authority, or any facilities financed with the proceeds of the Bonds, if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code; (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code; or (iii) would cause interest on the Bonds to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present State law.

- (b) In the event that at any time the Authority is of the opinion that for purposes of this Section 6.02 it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee under this Indenture or otherwise held by the Authority, the Authority shall so restrict or limit the yield on such investment and shall so instruct the Trustee in a detailed certificate, and the Trustee shall take such action as may be necessary in accordance with such instructions.
- (c) The Authority specifically covenants to comply with the provisions and procedures of the Tax Compliance Certificate.
- (d) The Authority further covenants to pay from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed, or final Treasury Regulations as may be applied to the Bonds from time to time. The payment of such rebate amounts as required by this paragraph supersedes all other provisions of this Indenture concerning the deposit and transfer of interest earnings to or from any other fund or account. Moneys set aside to pay such rebate amounts pursuant to this paragraph are not subject to any lien created hereunder for the benefit of the Owners. This covenant shall survive the payment in full or the defeasance of the Bonds.
- (e) The Authority will not consent to the amendment or modification of the PILOT Covenant in any manner that would cause the amount of the Annual Fee to be an amount different than the ad valorem property taxes that would otherwise be due and payable were the Annual Fee not due thereunder, without the prior receipt by the Authority of an Opinion of Bond Counsel to the effect that such modification or amendment will not have an adverse effect on the exemption from federal income taxation of the interest on the Bonds.
- (f) The covenants contained in this Section 6.02 shall remain in full force and effect until the date on which all obligations of the Authority in fulfilling such covenants under the Code and State law have been met, notwithstanding the payment in full or defeasance of the Bonds.
- **Section 6.03.** Use of Interest Income. The interest income derived from the investment and reinvestment of any moneys in any fund or account held by the Trustee hereunder shall be credited to the fund or account from which the moneys invested were derived.

#### **ARTICLE VII**

#### DISCHARGE OF LIEN

## Section 7.01. Discharge of the Lien of the Indenture.

(a) If the Authority shall pay or cause to be paid to the Trustee, for the Owners of the Bonds, the principal of, premium, if any, and interest to become due thereon at the times and in the manner stipulated herein, and if the Authority shall keep, perform, and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed to be kept, performed, and observed by it or on its part, and if all fees and expenses of the Trustee required by this Indenture to be paid shall have been paid, then

these presents and the estate and rights hereby granted shall cease, terminate, and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof, and assign and deliver to the Authority any property at the time subject to the lien of this Indenture which may then be in its possession, and deliver any amounts required to be paid to the Authority under Section 8.05 hereof, except for moneys and Federal Securities held by the Trustee for the payment of the principal of, premium, if any, and interest on the Bonds.

- Any Bond shall, prior to the maturity or prior redemption thereof, be (b) deemed to have been paid within the meaning and with the effect expressed in this Section 7.01 if, for the purpose of paying such Bond (i) there shall have been deposited with the Trustee an amount sufficient, without investment, to pay the principal of, premium, if any, and interest on such Bond as the same becomes due at maturity or upon one or more designated prior redemption dates, or (ii) there shall have been placed in escrow and in trust with a commercial bank exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities in which such amount may be invested) to pay the principal of, premium, if any, and interest on such Bond, as the same becomes due at maturity or upon one or more designated prior redemption dates. The Federal Securities in any such escrow shall not be subject to redemption or prepayment at the option of the issuer, and shall become due at or prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the Authority and such bank at the time of the creation of the escrow, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule. The sufficiency of any such escrow funded with Federal Securities shall be determined by a Certified Public Accountant.
- (c) Neither the Federal Securities, nor moneys deposited with the Trustee or placed in escrow and in trust pursuant to this Section 7.01, nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, premium, if any, and interest on the Bonds; provided, however, that any cash received from such principal or interest payments on such Federal Securities, if not then needed for such purpose, shall, to the extent practicable, be reinvested subject to the provisions of Article VI hereof in Federal Securities maturing at the times and in amounts sufficient to pay, when due, the principal of, premium, if any, and interest on the Bonds.
- (d) Prior to the investment or reinvestment of such moneys or such Federal Securities as herein provided, the Trustee may require and may rely upon: (i) an opinion of Bond Counsel experienced in matters arising under Section 103 of the Code and acceptable to the Trustee, that the investment or reinvestment of such moneys or such Federal Securities complies with Section 6.02 hereof; and (ii) a report of a Certified Public Accountant that the moneys or Federal Securities will be sufficient to provide for the payment of the principal of, premium, if any, and interest on the Bonds when due.

(e) The release of the obligations of the Authority under this Section 7.01 shall be without prejudice to the rights of the Trustee to be paid reasonable compensation by the Authority for all services rendered by it hereunder and all its reasonable expenses, charges, and other disbursements incurred in the administration of the trust hereby created, the exercise of its powers, and the performance of its duties hereunder.

Section 7.02. Continuing Role as Bond Registrar and Paying Agent. Notwithstanding the defeasance of the Bonds prior to maturity and the discharge of this Indenture as provided in Section 7.01 hereof, the Trustee shall continue to fulfill its obligations under Section 2.03 hereof until such time as the Bonds are fully paid and satisfied.

#### **ARTICLE VIII**

#### **DEFAULT AND REMEDIES**

**Section 8.01. Events of Default**. The occurrence of any one or more of the following events or the existence of any one or more of the following conditions shall constitute an Event of Default under this Indenture (whatever the reason for such event or condition and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, rule, regulation, or order of any court or any administrative or governmental body), and there shall be no default or Event of Default hereunder except as provided in this Section:

- (a) The Authority fails or refuses to remit (or cause to be remitted) the Pledged Revenue to the Trustee as required by this Indenture;
- (b) The Authority defaults in the performance or observance of any of the covenants, agreements, or conditions on the part of the Authority in this Indenture or the Bond Resolution, other than as described in Section 8.01(a) hereof, and fails to remedy the same after notice thereof pursuant to Section 8.12 hereof; or
- (c) The Authority files a petition under the federal bankruptcy laws or other applicable bankruptcy laws seeking to adjust the obligation represented by the Bonds.

It is acknowledged by the Authority and the Trustee that due to the limited nature of the Pledged Revenue, the failure to pay the principal of or interest on the Bonds when due shall not, of itself, constitute an Event of Default hereunder.

WITHOUT LIMITING THE FOREGOING, AND NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS INDENTURE, *THE AUTHORITY ACKNOWLEDGES AND AGREES* THAT APPLICATION OF ANY PORTION OF THE PLEDGED REVENUE TO ANY PURPOSE OTHER THAN REMITTANCE TO THE TRUSTEE FOR APPLICATION AS REQUIRED BY THIS INDENTURE CONSTITUTES AN EVENT OF DEFAULT UNDER SECTION 8.01(a) HEREOF, AND IN NO EVENT SHALL THE AUTHORITY BE PERMITTED TO WITHHOLD ANY PORTION OF THE PLEDGED REVENUE OR APPLY ANY PORTION THEREOF TO ANY PURPOSE OTHER THAN REMITTANCE TO THE TRUSTEE AS REQUIRED BY THIS INDENTURE.

#### Section 8.02. Remedies on Occurrence of Event of Default.

- (a) Upon the occurrence and continuance of an Event of Default, the Trustee shall have the following rights and remedies which may be pursued:
  - (i) Receivership. Upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners, the Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers of the Trust Estate, and of the revenues, income, product, and profits thereof pending such proceedings; subject, however, to constitutional limitations inherent in the sovereignty of the Authority; but notwithstanding the appointment of any receiver or other custodian, the Trustee shall be entitled to the possession and control of any cash, securities, or other instruments at the time held by, or payable or deliverable under the provisions of this Indenture to, the Trustee.
  - (ii) Suit for Judgment. The Trustee may proceed to protect and enforce its rights and the rights of the Owners under the Act, the Bonds, the Bond Resolution, this Indenture, and any provision of law by such suit, action, or special proceedings as the Trustee, being advised by Counsel, shall deem appropriate.
  - (iii) *Mandamus or Other Suit*. The Trustee may proceed by mandamus or any other suit, action, or proceeding at law or in equity, to enforce all rights of the Owners.
- (b) No recovery of any judgment by the Trustee shall in any manner or to any extent affect the lien of this Indenture or any rights, powers, or remedies of the Trustee hereunder, or any lien, rights, powers, and remedies of the Owners of the Bonds, but such lien, rights, powers, and remedies of the Trustee and of the Owners shall continue unimpaired as before.
- (c) If any Event of Default under Section 8.01(a) shall have occurred and if requested by the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section 8.02 as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Owners; provided that the Trustee at its option shall be indemnified as provided in Section 9.01(m) hereof.
- (d) Notwithstanding anything herein to the contrary, acceleration of the Bonds shall not be an available remedy for an Event of Default.

**Section 8.03.** Control of Proceedings. The Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, to the extent permitted by law, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method, and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver, and any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions hereof; and provided further that at its option the Trustee shall be indemnified as provided in Section 9.01(m) hereof.

Section 8.04. Rights and Remedies of Owners. No Owner of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in Section 9.01(h) hereof, or of which under that Section it is deemed to have notice, and unless such default shall have become an Event of Default and the Owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit, or proceedings in their own name, nor unless they have also offered to the Trustee indemnity as provided in Section 9.01(m) hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name; and such notification, request, and offer of indemnity are declared in every case at the option of the Trustee to be conditions precedent to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien of this Indenture by his, her, its, or their action, or to enforce any right hereunder except in the manner herein provided and that all proceedings at law or in equity shall be instituted, had, and maintained in the manner herein provided and for the equal benefit of the Owners of all Bonds then Outstanding.

Section 8.05. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article VIII, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and the fees (including attorneys' fees and any other professionals hired by the Trustee hereunder), expenses, liabilities, and advances incurred or made by the Trustee, shall be deposited in the appropriate funds or accounts created hereunder in the same manner as is provided herein for deposits of other revenue and shall be used for the purposes so provided, until such time as the principal of, premium, if any, and interest on all of the Bonds has been paid in full. Whenever all of the Bonds and interest thereon have been paid in full and all expenses and fees of the Trustee have been paid, any balance remaining in any of the funds held hereunder shall be paid to the Authority.

Section 8.06. Trustee May Enforce Rights Without Bonds. All rights of action and claims under this Indenture or any of the Bonds Outstanding hereunder may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or proceedings relative thereto. Any suit or proceeding instituted by the Trustee shall be brought in its name as the Trustee, without the necessity of joining as plaintiffs or defendants any Owners of the Bonds, and any recovery of judgment shall be for the ratable benefit of the Owners of the Bonds, subject to the provisions of this Indenture.

Section 8.07. Trustee to File Proofs of Claim in Receivership, Etc. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceedings affecting the Authority, the Trustee shall, to the extent permitted by law, file such proofs of claims and other documents as may be necessary or advisable in order to have claims of the Trustee and of the Owners allowed in such proceedings, without prejudice, however, to the right of any Owner to file a claim in his own behalf.

**Section 8.08. Delay or Omission No Waiver**. No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence thereto, and every power and remedy given by this Indenture may be exercised from time to time and as often as may be deemed expedient.

Section 8.09. No Waiver of One Default to Affect Another; Cumulative Remedies. No waiver of any default hereunder, whether by the Trustee or the Owners, shall extend to or affect any subsequent or any other then existing default or shall impair any rights or remedies consequent thereon. All rights and remedies of the Trustee and the Owners provided herein shall be cumulative and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

Section 8.10. Discontinuance of Proceedings on Default; Position of Parties Restored. In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the Authority and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate, and all rights, remedies, and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 8.11. Waivers of Events of Default. The Trustee may in its discretion waive any Event of Default hereunder and its consequences, and shall do so upon the written request of the Consent Parties with respect to not less than a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Consent Parties with respect to one hundred percent (100%) of the Bonds then Outstanding any Event of Default which exists under Section 8.01(a) hereof. In case of any such waiver, or in case any proceedings taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then in every such case the Authority, the Trustee, and the Owners shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

# Section 8.12. Notice of Default; Opportunity to Cure Defaults.

- (a) The Trustee shall give to the Owners of all Bonds notice by mailing to the address shown on the registration books maintained by the Trustee, of all Events of Default known to the Trustee (as determined pursuant to Section 9.01(h) hereof), within ninety (90) days after the occurrence of such Event of Default unless such Event of Default shall have been cured before the giving of such notice; provided that, the Trustee shall be protected in withholding such notice if and so long as a committee of its corporate trust department in good faith determines that the withholding of such notice is not detrimental to the interests of the Owners.
- (b) No default under Section 8.01(b) hereof shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given by the Trustee or by the Owners of not less than twenty-five percent (25%) in aggregate principal

amount of all Bonds Outstanding to the Authority, and the Authority shall have had thirty (30) days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted within the applicable period and diligently pursued thereafter until the default is corrected.

#### **ARTICLE IX**

#### **CONCERNING TRUSTEE**

**Section 9.01.** Acceptance of Trusts and Duties of Trustee. The Trustee hereby accepts the trusts imposed upon it by this Indenture and agrees to perform said trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

- (a) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of any Event of Default which may have occurred, shall undertake to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a reasonable and prudent trustee would exercise or use under the circumstances in the conduct of the affairs of another.
- (b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees, but shall be answerable for the conduct of the same in accordance with the standards specified in Section 9.01(a) and (g) hereof, and shall be entitled to act upon the advice or an opinion of Counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay (and be reimbursed as provided in Section 9.02 hereof) such compensation to all such attorneys, agents, receivers, and employees as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action taken or omitted to be taken in good faith in reliance upon the advice or opinion of such attorneys, agents, receivers, or employees chosen with due care.
- (c) The Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording or filing of this Indenture, or for the validity of the execution by the Authority of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds, and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the Authority, except as expressly herein set forth; but the Trustee may require of the Authority full information and advice as to the performance of the covenants, conditions, and agreements aforesaid. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Article VI hereof.

- (d) The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the validity or sufficiency of this Indenture or of the Bonds. The Trustee shall not be accountable for the use or application of any Bonds or the proceeds thereof (except for funds or investments held by the Trustee) or of any money paid to or upon the order of the Authority under any provision of this Indenture. The Trustee, in its individual or any other capacity, may become the Owner of the Bonds with the same rights which it would have if not the Trustee.
- (e) The Trustee may rely and shall be protected in acting or refraining from acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons.
- (f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper, or proceedings, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Authority by the Authority Representative or the Authority's President or Vice President or such other person as may be designated for such purpose by a certified resolution of the Authority as sufficient evidence of the facts therein contained, and, prior to the occurrence of a default of which the Trustee has been notified as provided in Section 9.01(h) hereof or of which by said Section it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.
- (g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct, and shall not be answerable for any negligent act of its attorneys, agents, or receivers which have been selected by the Trustee with due care.
- (h) Except for an Event of Default occurring under Section 8.01(a) hereof, the occurrence of which the Trustee shall be deemed to have notice, the Trustee shall not be required to take notice or be deemed to have notice of any default hereunder unless the Trustee shall be specifically notified in writing of such default by the Authority or by the Owners of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding. All notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.
- (i) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust in the manner and for the purposes for which they were received but need not be segregated from other funds except to the extent required by this Indenture or by law.

- (j) At any and all reasonable times the Trustee or its duly authorized agents, attorneys, experts, engineers, accountants, and representatives shall have the right, but shall not be required, to inspect any and all books, papers, and records of the Authority pertaining to the Bonds and the Pledged Revenue, and to take such memoranda from and in regard thereto as may be desired.
- (k) Notwithstanding anything in this Indenture to the contrary, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals, or other information or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee, as may be deemed desirable for the purpose of establishing the right of the Authority to the authentication of any Bonds, or the taking of any other action by the Trustee.
- (l) All records of the Trustee pertaining to the Bonds shall be open during reasonable times for inspection by the Authority.
- (m) The Trustee shall not be required to advance its own funds, and before taking any action under this Indenture, other than the payment of monies on deposit in any of the funds as provided for herein, the Trustee may require that indemnity satisfactory to it be furnished to it for the reimbursement of all costs and expenses which it may incur, including attorneys' fees, and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct, by reason of any action so taken. To the extent permitted by law, the Authority agrees to indemnify the Trustee against any claims arising out of the exercise and performance of its powers and duties hereunder in good faith and without negligence; provided that such agreement of the Authority shall not act as a waiver of immunity of the Authority under the Colorado Governmental Immunity Act.
- (n) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise with respect to the Bonds.

### Section 9.02. Fees and Expenses of the Trustee.

- (a) The Trustee shall be entitled to payment and reimbursement of its fees and expenses for ordinary services rendered hereunder (which compensation is not intended by the parties hereto to be limited by any provision of law in regard to the compensation of a trustee of an express trust) as and when the same become due, and all advances, agent, and counsel fees and other ordinary expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services. The Trustee reserves the right to renegotiate its current fees for ordinary services to correspond with changing economic conditions, inflation and changing requirements relating to the Trustee's ordinary services.
- (b) In the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in

connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor.

# Section 9.03. Resignation or Replacement of Trustee.

- (a) The Trustee may resign, subject to the appointment of a successor, by giving thirty (30) days' notice of such resignation to the Authority and to all Owners of Bonds specifying the date when such resignation shall take effect. Such resignation shall take effect on the date specified in such notice unless a successor shall have been previously appointed as hereinafter provided, in which event such resignation shall take effect immediately on the appointment of such successor. The Trustee may petition the courts to appoint a successor in the event no such successor shall have been previously appointed. The Trustee may be removed at any time by an instrument in writing, executed by a majority of the Owners in aggregate principal amount of the Bonds then Outstanding. Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.
- (b) In case the Trustee shall at any time resign or be removed or otherwise become incapable of acting, a successor may be appointed by the Authority so long as it is not in default hereunder; otherwise by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding by an instrument or concurrent instruments signed by such Owners, or their attorneys-in-fact appointed; provided, however, that even if the Authority is in default hereunder it may appoint a successor until a new successor shall be appointed by the Authority or the Owners as herein authorized. The Authority, upon making such appointment, shall forthwith give notice thereof to the Owners by mailing to the address shown on the registration books maintained by the Trustee, which notice may be given concurrently with the notice of resignation given by any resigning Trustee. Any successor so appointed by the Authority shall immediately and without further act be superseded by a successor appointed in the manner above provided by the Authority or the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, as applicable.
- (c) Every successor Trustee shall always be a commercial bank or trust company in good standing, qualified to act hereunder, and having a capital and surplus of not less than \$50,000,000, if there be such an institution willing, qualified, and able to accept the trust upon reasonable or customary terms. Any successor appointed hereunder shall execute, acknowledge, and deliver to the Authority an instrument accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed, or conveyance, become vested with all estates, properties, rights, powers, and trusts of its predecessor in the trust hereunder with like effect as if originally named as the Trustee hereunder, and thereupon the duties and obligations of the predecessor shall cease and terminate; but the Trustee retiring shall, nevertheless, on the written demand of its successor and upon the payment of the fees and expenses owed to the predecessor, execute and deliver an instrument conveying and transferring to such successor, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of the predecessor, who shall duly assign, transfer, and deliver to the successor all properties and moneys held

by it under this Indenture. If any instrument from the Authority is required by any successor for more fully and certainly vesting in and confirming to it the estates, properties, rights, powers, and trusts of the predecessor, those instruments shall be made, executed, acknowledged, and delivered by the Authority on request of such successor.

(d) The instruments evidencing the resignation or removal of the Trustee and the appointment of a successor hereunder, together with all other instruments provided for in this Section, shall be filed or recorded by the successor Trustee in each recording office, if any, where this Indenture shall have been filed or recorded.

Section 9.04. Conversion, Consolidation, or Merger of Trustee. Anything herein to the contrary notwithstanding, any bank or trust company or other person into which the Trustee or its successor may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business as a whole, shall be the successor of the Trustee under this Indenture with the same rights, powers, duties, and obligations, and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, provided that such bank, trust company, or other person is legally empowered to accept such trust.

Section 9.05. Trustee Protected in Relying Upon Resolutions, Etc. The resolutions, opinions, certificates, and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein, and the Trustee shall not be required to make any independent investigation in connection therewith. Such resolutions, opinions, certificates, and other instruments shall be full warrant, protection, and authority to the Trustee for the release of property and the withdrawal of cash hereunder. Except as provided herein, the Trustee shall not be under any responsibility to seek the approval of any expert for any of the purposes expressed in this Indenture; provided, however, that nothing contained in this Section shall alter the Trustee's obligations or immunities provided by statutory, constitutional, or common law with respect to the approval of independent experts who may furnish opinions, certificates, or opinions of Counsel to the Trustee pursuant to any provisions of this Indenture.

INTEDDECT DATE

The Bonds are issued pursuant to that certain Indenture of Trust (the "Indenture") between the Authority and Zions Bancorporation, National Association, as trustee (the "Trustee"), dated as of December 22, 2021, being the date of issuance of the Bonds.

# Capitalized terms used and not otherwise defined in this Bond shall have the respective meanings assigned by the Indenture.

This Bond represents a single term bond of a series aggregating \$[BOND PAR] par value, all of like date, tenor, and effect, issued by The Aurora Highlands Community Authority Board for the purpose of paying the costs of providing certain public improvements, by virtue of and in full conformity with the Constitution of the State of Colorado; Title 32, Article 1, Part 11, C.R.S.; Title 11, Article 57, Part 2, C.R.S.; and all other laws of the State of Colorado thereunto enabling, and pursuant to the duly adopted Bond Resolution, the Indenture, the ATEC No. 1 Election and the CABEA. Pursuant to Section 11-57-210, C.R.S., such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value.

To the extent principal of this Bond is not paid prior to the maturity date of this Bond, such principal shall remain Outstanding until paid and shall continue to bear interest at the rate then borne by this Bond, and to the extent interest on this Bond is not paid when due, such interest shall compound annually on each Interest Payment Date at the rate borne by this Bond; provided, however, that notwithstanding anything herein to the contrary, the Authority shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Bonds, including all payments of principal, premium, if any, and interest, and all Bonds will be deemed defeased and no longer outstanding upon the payment by the Authority of such amount.

The principal of and premium, if any, on this Bond are payable in lawful money of the United States of America to the Owner of this Bond upon maturity or prior redemption and presentation at the principal office of the Trustee. The interest on this Bond is payable to the person in whose name this Bond is registered, at his address as it appears on the registration books maintained by or on behalf of the Authority by the Trustee, at the close of business on the Record Date, irrespective of any transfer or exchange of such Bond subsequent to such Record Date and prior to such Interest Payment Date; provided that any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Owner thereof at the close of business on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such unpaid interest. Such Special Record Date shall be fixed by the Trustee whenever moneys become available for payment of the unpaid interest, and notice of the Special Record Date shall be given to the Owners of the Bonds not less than ten (10) days prior to the Special Record Date by first-class mail to each such Owner as shown on the registration books kept by the Trustee on a date selected by the Trustee. Such notice shall state the date of the Special Record Date and the date fixed for the payment of such unpaid interest.

Interest payments shall be paid by check or draft of the Trustee mailed on or before the Interest Payment Date to the Owners. The Trustee may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Trustee, provided that the Authority shall not incur any expenses in connection with such alternative means of payment.

Notwithstanding the provisions of the Indenture and this Bond which provide for notices to Owners by mail, so long as this Bonds is held by DTC or any other Depository, such notices may be given by electronic means in lieu of mailed notice.

It is hereby recited, certified, and warranted that all of the requirements of law have been fully complied with by the proper officers in issuing this Bond. The Bonds are payable solely from and to the extent of the Pledged Revenue, and the Pledged Revenue is pledged to the payment of the Bonds. The Bonds constitute an irrevocable lien upon the Pledged Revenue, but not necessarily an exclusive such lien.

Reference is hereby made to the Indenture for an additional description of the nature and extent of the security for the Bonds, the accounts and revenues pledged to the payment thereof, the rights and remedies of the registered owners of the Bonds, the manner in which the Indenture may be amended, and the other terms and conditions upon which the Bonds are issued, copies of which are on file for public inspection at the office of the Authority Secretary.

Bonds of this issue are subject to redemption prior to maturity as provided in the Indenture. The Bonds will be redeemed only in integral multiples of \$1,000. In the event a Bond is of a denomination larger than \$1,000, a portion of such Bond may be redeemed, but only in the principal amount of \$1,000 or any integral multiple thereof. Such Bond will be treated for the purposes of redemption as that number of Bonds which results from dividing the principal amount of such Bond by \$1,000. In the event a portion of this Bond is redeemed, the Trustee shall, without charge to the registered owner of this Bond, authenticate and deliver a replacement Bond or Bonds for the unredeemed portion.

Notice of prior redemption shall be given to the registered owner of this Bond not less than twenty (20) days prior to the date fixed for redemption in the manner set forth in the Indenture. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the notice. The Trustee shall not be required to transfer any Bonds selected or called for redemption, in whole or in part.

The Authority and the Trustee may deem and treat the registered owner of this Bond as the absolute owner hereof for all purposes (whether or not this Bond shall be overdue), and any notice to the contrary shall not be binding upon the Authority or the Trustee.

This Bond may be exchanged at the principal office of the Trustee for a like aggregate principal amount of Bonds of the same maturity of other authorized denominations. This Bond may be transferred upon the registration books upon delivery to the Trustee of this Bond, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the owner of this Bond or his attorneyin-fact or legal representative, containing written instructions as to the details of the transfer of the Bond, along with the social security number or federal employer identification number of such transferee. In the event of the transfer of this Bond, the Trustee shall enter the transfer of ownership in the registration books and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations of the same maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time. The Trustee shall charge the owner of this Bond for every such transfer or exchange an amount sufficient to reimburse it for its reasonable fees and for any tax or other governmental charge required to be paid with respect to such transfer or exchange.

If the date for making any payment or performing any action shall be a legal holiday or a day on which the principal office of the Trustee is authorized or required by law to remain closed, such payment may be made or act performed on the next succeeding day which is not a legal holiday or a day on which the principal office of the Trustee is authorized or required by law to remain closed.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

IN TESTIMONY WHEREOF, the Board of Directors of The Aurora Highlands Community Authority Board, in the City of Aurora, Adams County, Colorado (the "Authority"), has caused this Bond to be signed by the manual or facsimile signature of the President of the Authority, sealed with a manual impression or a facsimile of the seal of the Authority, and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the Authority, all as of the original issue date specified above.

WHEREAS, Aerotropolis and the District have entered into a settlement agreement setting forth the terms and conditions for construction of the Improvements to which this Agreement is an exhibit (the "Settlement Agreement");

WHEREAS, the construction of and the presence of the Improvements in the Pipeline Easement Property in accordance with the terms and conditions of this Agreement and the Settlement Agreement will not adversely affect the stability, integrity, operational characteristics or safety of the Northern Line; and

**NOW, THEREFORE**, in consideration for the mutual promises and covenants contained herein, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereto agree as follows:

Subject to all terms and conditions of the Settlement Agreement and this Agreement, the District hereby consents to Aerotropolis's use of the Overlap Area for the purpose of constructing and operating, maintaining, and repairing the Improvements only until such time as the City of Aurora accepts the Improvements for ownership, operations and maintenance (the "Approved Activities") on, in, or under the Overlap Area, provided the Approved Activities are consistent with and do not impair the rights of the District under the Pipeline Easement Deed, and that the Approved Activities adhere to the terms and conditions of the Settlement Agreement and this Agreement. The rights granted by the District under this Agreement are limited to the use by Aerotropolis of the Overlap Area in connection with the Improvements, in compliance with the terms of the Settlement Agreement and this Agreement and for no other purpose. - 3.3. The following risks which may arise during installation of the Temporary Protection are hereby allocated between ARTA and ECCV as follows:
- 3.3.1. - 4.1.5. Upon a final determination of the location of the relocated section of the Northern Line, AACMD shall cause to be recorded an easement on such property to reflect the as-built location of the Northern Pipeline on the same terms and conditions as the ECCV Easement except for the legal description which shall be based on the final location of the relocated portion of the Northern Line (the "New Easement"). Within five (5) days of the tie-in of the Northern Line pursuant to Section 4.1.9 of this Agreement, ECCV shall cause to be

recorded a written instrument terminating all of ECCV's right with respect to the abandoned water line, including (without limitation) all interests in the property on which such abandoned water line is located, including those set forth in the ECCV Easement. - 4.1.7. The Parties agree that during the summer of 2022 or as soon thereafter as the necessary replacement pipe is obtained, ARTA shall construct the relocated section of the Northern Line consistent with the final version of the AECOM drawings referenced in the foregoing Section 4.1.1 except for the final tie-in to the existing Northern Line, subject to the reasonable inspection and approval by ECCV that such relocated section of the Northern Line has been designed and constructed in accordance with the approved 100% AECOM plans referenced in the foregoing Section 4.1.1.
- 4.1.8. Upon construction of the relocated portion of the Northern Line and receipt of ECCV's reasonable approval that the relocated section of the Northern Line has been constructed in accordance with the 100% AECOM plans referenced in Section 4.1.1 of this Agreement, and in advance of the final tie-in of the relocated portion of the Northern Line to the existing Northern Line, ARTA shall have the right to install the permanent road surface for the AH Parkway across the Northern Line and the ECCV Easement in the area of the Tributary T Crossing.
- 4.1.9. The final tie-in of the relocated section of the Northern Line shall occur during the winter shut-down of the Northern Line that is anticipated to occur between January 15, 2023 and February 28, 2023, with the understanding that the winter shut-down of the Northern Line will only last for a two week period and the final tie-in must be completed during that two-week period (the "2023 Construction Window").
- 4.1.10. ECCV shall pay 50% of the cost of constructing the relocated section of the Northern Line, including the cost to tie-in the relocated section of the Northern Line to the existing Northern Line, *provided* that ARTA shall pay 100% of such construction costs exceeding \$1,040,000, *i.e.*, it is expressly understood and agreed by the Parties that in no event shall ECCV be responsible for paying more than \$520,000 towards construction of the relocated section of the Northern Line, including the cost of the final tie-in of such relocated section of the Northern Line to the existing Northern Line.
- 5. **Plaintiffs' Right To Install Casing Pipe.** ARTA shall also have the right, in its sole discretion, to install casing pipe for the relocated portion of the Northern Line to allow construction of the permanent road surface for the AH Parkway over such relocated portion of the Northern Line and the later insertion and tie-in of the relocated water line when material are obtained, subject to the following terms and conditions.

- 5.1.2. If ARTA elects to install casing pipe pursuant to Section 5 of this Agreement, it shall pay 100% of the cost of designing, engineering, and constructing such casing pipe.
- 5.1.3. ARTA's election to install casing pipe pursuant to Section 5 of this Agreement shall not relieve it of its obligation to construct the Temporary Protection pursuant to Section 3 of this Agreement.
- 5.1.4. ARTA's election to install casing pipe pursuant to Section 5 of this Agreement shall not relieve it of its obligations pursuant to Section 4 of this Agreement to finalize the 100% AECOM plans, order the pipe necessary to construct the relocated portion of the Northern Line, construct the relocated portion of the Northern Line, and tie-in the relocated portion of the Northern Line during the 2023 Construction Window.

- 6. **Construction of the Paved Pedestrian Path.** The amenities being constructed for the Aurora Highlands include a paved pedestrian path in the vicinity of the Tributary T Crossing as shown on Exhibit B hereto. As of the Effective Date, Plaintiffs shall have the right to construct that paved pedestrian path across the Northern Line and the Easement in accordance with the final Merrick plans referenced in Section 3.1.1 of this Agreement.
- 7. **Resolution of the Dispute and Dismissal of the Civil Action.** Following the Effective Date of this Agreement the Parties will jointly ask the Adams County District Court to place the Civil Action on the inactive docket, subject to dismissal with prejudice upon the joint motion of the Parties following compliance with all terms and conditions hereof. The Parties agree that, pending such dismissal with prejudice, the Adams County District Court shall have jurisdiction to enforce the terms of this Agreement at the behest of any Party hereto.
- 8. **Release of Claims.** Upon dismissal of the Civil Action with prejudice, the Parties agree that all claims they have or could have had against each other relating to the Dispute, including without limitation all claims for damages, equitable relief, or declaratory relief, and all claims against any of their officers, directors, agents, insurers, attorneys,

5

employees, affiliates, independent contractors, consultants and predecessors or successors-ininterest, shall be released.

- 9. **Counterparts.** This Agreement may be executed in multiple original counterparts, each of which shall constitute and serve as an original hereof. Scanned and emailed signature pages shall be deemed as effective as original signature pages.
- 10. **Non-Reliance, Non-Assignment, and Assumption of Risk.** Each Party represents and warrants to the other that: (a) it has executed this Agreement based upon its own knowledge and with the advice of its respective legal counsel; (b) it is not relying on any statements or representations of the other Party not expressly stated herein; (c) it is assuming the risk of mistake of fact or law as to all facts known or unknown, currently existing or which may arise in the future, with regard to the terms and subject matter of this Agreement; and (d) it has not assigned, hypothecated, or otherwise transferred any claim that is the subject of this Agreement.
- 11. **Authority.** By signing below, each Party represents and warrants to the other that the person signing this Agreement on that Party's behalf has been duly authorized to execute this Agreement and bind that Party to the terms and provisions of this Agreement.
- Agreement may not be assigned by any Party hereto without the written consent of all other Parties hereto, which consent may be withheld by any Party in its sole and absolute discretion. Any assignment made without strictly complying with the foregoing conditions shall be ineffective and void *ab initio*.
- 13. **No Admission of Liability.** The Parties are entering into this Agreement to compromise the Litigation, and each of the Parties understands and agrees that this Agreement does not constitute an admission that the other Party's claims or defenses are valid or invalid; that this Agreement does not constitute an admission of liability, fault or wrongdoing by either of the Parties; and that neither this Agreement nor its contents may be used in any way to establish the right, or lack thereof, to cross the Easement or the Northern Line in any location other than the Tributary T Crossing.
- 14. **Integration.** This Agreement sets forth the entire Agreement of the Parties with respect to the subject matter hereof, and fully supersedes all prior negotiations, agreements, or understandings between or among the Parties hereto relating thereto, all of which are hereby expressly and irrevocable agreed to be ineffective, void, and of no legal significance whatsoever.
- 15. **Amendments and Waiver.** This Agreement may be modified or amended only by a written agreement, supported by consideration, signed by all Parties. No provision of this Agreement shall be deemed waived unless waiver is made expressly in a signed writing. Further, any waiver of a provision of this Agreement shall be limited to the context of the situation concerned and shall not operate as a waiver of the provision in other situations nor in future similar situations. Any forbearance by a Party in exercising any right or remedy

hereunder, or otherwise afforded by law, shall not be a waiver nor preclude the exercise of any such right or remedy.

- 16. **Choice of Law.** The Parties agree that the law of the State of Colorado, without reference to conflict of law principles, shall govern this Settlement Agreement and the execution, validity, interpretation, and performance thereof.
- Adams County District Court and any available remedy at law or equity may be invoked to enforce the terms of this Agreement, including injunctive relief, specific performance, and damages. Other than an award of fees and costs pursuant to this provision, the Parties shall each bear their own attorney's fees and costs in connection with the Dispute and the Civil Action.
- 18. **Severability and Reformation.** In the event any provision or clause of this Settlement Agreement is deemed illegal or unenforceable, such conflict shall not affect the other provisions of the Agreement that can be given effect without the conflicting provision, and to that end the provisions of the Agreement are declared to be severable. Additionally, if a court of competent jurisdiction determines that a provision or clause of this Agreement is illegal or unenforceable, the Parties hereby irrevocably ask the Court to exercise its powers to reform this Agreement to harmonize with the law, with the aim to enforce the intentions of this Agreement to the greatest possible extent.
- 19. **No Waiver of Governmental Immunity.** Nothing in this Agreement or the performance hereof shall constitute a waiver of any of the immunities, rights, protections, or requirements of the Colorado Governmental Immunity Action, C.R.S. §24-10-101, *et seq.*

#### EASEMENT DEED

#### AND TEMPORARY CONSTRUCTION EASEMENT

THIS EASEMENT DEED is made this 25 day of 2006, between the City of Aurora, Colorado, a Colorado municipal Corporation (Grantor), whose address is 15151 East Alameda Parkway, Aurora, CO 80012 and EAST CHERRY CREEK VALLEY WATER AND SANITATION DISTRICT, a quasi-municipal corporation (Grantee), whose address is 6201 S. Gun Club Road, Aurora, Colorado 80016.

WHEREAS, Grantor is the owner of certain real property located in the County of Adams, State of Colorado; and

WHEREAS, Grantee is desirous of constructing and maintaining a water pipeline and related Facilities.

NOW, THEREFORE, in consideration of the sum of One Million Twenty-two Thousand Seven Hundred Twenty-seven and no/100 Dollars (\$1,022,727.00) and other good and valuable consideration, paid by Grantee, the receipt of which is hereby acknowledged by Grantor, Grantor hereby grants, bargains, sells and conveys to Grantee, its successors and assigns, full and free right and authority for a non-exclusive and perpetual easement and temporary construction easement for the construction, maintenance, removal, and replacement of a water pipeline and related Facilities in the County of Adams, State of Colorado, to wit:

The "Easement Property" shall mean the real property located in the City of Aurora, County of Adams, State of Colorado, more particularly described on Exhibits A and C attached hereto and incorporated herein by reference.

It is mutually covenanted and agreed by and between the parties hereto as follows:

- 1. Grantor hereby grants to Grantee, its successors and assigns, a thirty foot (30') perpetual, non-exclusive easement (the "Easement") over, under, across, above and through the Easement Property, as shown on Exhibit A, for the purpose of constructing, laying, operating, maintaining, repairing, replacing, removing and enlarging the water pipeline and related Facilities. The "Facilities" shall mean one water pipeline and all necessary underground, surface, and aboveground facilities and appurtenances thereto necessary or desirable for the transmission of water.
- Grantee shall have and exercise the perpetual right of ingress and egress in, to, over, through and across the Easement Property for any purpose reasonably necessary for the full enjoyment of the rights associated with the Easement.

- 3. Grantor shall not construct or place any structure or building, on any part of the Easement Property, except that Grantor shall be permitted to construct roads, sidewalks, parking areas and install signage, and plant grass, sod, trees or shrubs on the Easement Property. Any structure, building, fence, located on the Easement Property or any shrub, tree, located on the Easement Property which interferes with the use of or obstructs the operation or access to the Easement Property or water pipeline and related facilities may be removed by Grantee without liability for damages arising therefrom. Nothing in this Easement shall preclude the Grantor from using the Easement Property for purposes stated herein, except when the Grantee may be constructing or repairing the Facilities.
- 4. In addition to the permanent Easement, Grantor hereby grants to Grantee, its successors and assigns, a Temporary Construction Easement (TCE) to enter the property of the Grantor to allow the Grantee to construct the water pipeline and related facilities. This Temporary Construction Easement is for an area seventy-two (72) feet in width as described on Exhibit "B" attached hereto and incorporated herein. This Temporary Construction Easement shall expire six (6) months after the initial construction of the Facilities, but in no event shall continue longer than 24 months after the execution of this Easement Deed. During the term of this Temporary Construction Easement, Grantor shall not erect or construct or allow to be erected or constructed any building or other structure within the TCE Area which may interfere with Grantee's full enjoyment of the rights hereunder.
- 5. Grantee covenants and agrees to restore the TCE Area and Easement Property, including landscaping, fences or other improvements to a condition comparable with their original condition, except for trees. Grantee hereby warrants its restoration work for a period of 12 months. After restoration, the Grantor, at Grantor's expense, shall be solely responsible for the maintenance of the surface of the Easement Property, including any street surfacing, curbs, gutters, and landscaping within the Easement Property and TCE Area, except that the Grantee agrees, after any subsequent maintenance or repair of the Facilities by the Grantee, to restore the area as described herein.
- 6. Grantor retains the right to the undisturbed use and occupancy of the Easement Property and the TCE Area insofar as such use and occupancy is consistent with and does not impair the rights of the Grantee herein contained.
- 7. The Grantee agrees that other public utilities may be installed in the Easement Property so long as they do not interfere with the Grantee's rights herein granted. All public or private utilities, crossing the Easement herein granted, must cross at approximately right angles. Any and all utilities or lines which parallel the Grantee's Facilities must be located at least ten (10) feet away from the outside edge of any water lines located in the Easement Property, whether they have been constructed or are to be constructed in the future. Other utilities, public or private, or any one intending to construct a paralleling line of any kind within the Easement Property must first contact the Grantee to ensure that the paralleling line is not within ten (10) feet of the outside edge of the primary line within the Easement Property. All surface and subsurface uses of the Easement Property

for easement, utility or other purposes must be approved in writing by the Grantee prior to installation. Any subsurface use of the Easement Property within ten (10) feet of the outside edge of any water line or that is without the consent of the Grantee shall be at that party's own risk in the event the Grantee excavates its Facilities.

- 8. Grantor covenants and agrees that Grantee shall have the right of subjacent and lateral support on the Easement Property to whatever extent is necessary or desirable for the full, complete and undisturbed enjoyment of the rights of the Grantee under this Easement. Except as otherwise described herein and as permitted in Paragraph 12 below, it is specifically agreed between the parties that Grantor shall take no action, except as set forth herein, which would impair the earth cover over, or the lateral or subjacent support of, any water pipeline and appurtenances within the Easement Property. Only upon obtaining the written permission of the Grantee may the earth cover over any pipeline be modified. Permission will not normally be granted for a modification of the earth cover over a water line of less than four and one half (4 ½) feet nor greater than ten (10) feet measured vertically from the top of any pipeline. Except as provided in Paragraph 12 below, any modification undertaken by the Grantor shall be upon the terms which provide for the reimbursement to the Grantee of the cost of any alterations to any pipeline made necessary by the change.
- 9. Grantee shall not license, permit or authorize use of the Easement Property to any other party.
- 10. Grantor covenants and agrees to and with Grantee, that Grantor owns the easement property in fee simple, and has full right, title and authority to grant the Easement. Grantor further covenants, agrees, and warrants the Easement Property in the quiet and peaceable possession of Grantee against all and every person or persons lawfully claiming or to claim the whole or any part thereof by, through or under Grantor.
- 11. Each and every one of the benefits and burdens of this Easement Deed shall inure to and be binding upon the respective legal representatives, successors and assigns of the parties hereto.
- design for Harvest Mile Road. In order for the Grantor to fully develop its property the Grantor shall have the right to grade and move the earth cover over the Facilities to adjust for the grade of the road. The Grantor agrees that it shall use its best efforts in the design of its roads or streets to avoid causing the Grantee to relocate its water pipeline and related facilities. In the event that the Grantor uses its best efforts in its design and the Grantor cannot avoid the excessive movement of the earth cover over the water pipeline and related facilities, the Grantee agrees that it shall make a vertical relocation of the affected facilities to an adequate depth in the opinion of the Grantee at the Grantee's sole cost and expense. The Grantor hereafter agrees to use its best efforts to ensure that the Grantor's plans for the Grantor's water, sanitary sewer and storm drainage facilities ("Outflows") do not interfere with the Grantee's use of the easement property. According to the terms hereof. The Grantor agrees to allow the participation of the Grantee's engineers to help prevent, to the extent practicable, such interference between the Grantor's Outflows and the water pipeline and related

facilities. In the event that the location of the Facilities interferes with the Grantor's Outflows, the Grantee agrees that it will make a vertical relocation of the Facilities within the Easement Property at its sole cost and expense.

#### RECITALS

WHEREAS, the District is the holder of a perpetual, non-exclusive easement (the "Pipeline Easement") over, under, across, above, and through a portion of certain real property pursuant to an Easement Deed and Temporary Construction Easement granted by the City of Aurora dated April 25, 2006 and recorded with the Adams County Clerk and Recorder on October 31, 2006 at Reception No. B6155188 (the "Pipeline Easement Deed"); and

WHEREAS, pursuant to the Pipeline Easement Deed the District has certain rights within the real property as more particularly described in the Pipeline Easement Deed (the "Pipeline Easement Property"); and

**WHEREAS**, pursuant to the Pipeline Easement Deed, the District has constructed a forty-eight-inch (48") water pipeline and appurtenances thereto on the Pipeline Easement Property (the "Northern Line"); and

WHEREAS, Aerotropolis desires to install flow fill around the Northern Line and make modifications to a blow off valve (the "Temporary Protection"), construct a temporary road surface for a four-lane divided parkway running on an east-west axis known as the Aurora Highlands Parkway (the "Temporary Road"), a permanent road surface for the Aurora Highlands Parkway (the "Permanent Road"), and a pedestrian pathway between the eastbound and westbound lanes of the Aurora Highlands Parkway (the "Pedestrian Pathway", and together with the Temporary Protection, the Temporary Road and the Permanent Road, the "Improvements") within the Pipeline Easement Property as a component of the Aurora Highlands (the "Project"); and

WHEREAS, Aerotropolis and the District have entered into a settlement agreement setting forth the terms and conditions for construction of the Improvements to which this Agreement is an exhibit (the "Settlement Agreement");

WHEREAS, the construction of and the presence of the Improvements in the Pipeline Easement Property in accordance with the terms and conditions of this Agreement and the Settlement Agreement will not adversely affect the stability, integrity, operational characteristics or safety of the Northern Line; and

WHEREAS, Aerotropolis has requested that the District consent to Aerotropolis's non-exclusive use of a portion of the Pipeline Easement Property for Aerotropolis's construction and operation of the Improvements located in the area depicted and described in Exhibit A to this Agreement (the "Overlap Area"), in accordance with the terms and conditions provided for in this Agreement and the Settlement Agreement; and

WHEREAS, the District and Aerotropolis acknowledge and agree it is in their mutual interest to identify their respective rights and obligations in and to the Overlap Area in order to avoid conflict and to agree to the terms under which Aerotropolis may construct, operate, maintain, and repair the Improvements within the Overlap Area.

**NOW, THEREFORE**, in consideration for the mutual promises and covenants contained herein, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereto agree as follows:

- 1. Consent to Use of Overlap Area for Approved Activities. Subject to all terms and conditions of the Settlement Agreement and this Agreement, the District hereby consents to Aerotropolis's use of the Overlap Area for the purpose of constructing and operating, maintaining, and repairing the Improvements only until such time as the City of Aurora accepts the Improvements for ownership, operations and maintenance (the "Approved Activities") on, in, or under the Overlap Area, provided the Approved Activities are consistent with and do not impair the rights of the District under the Pipeline Easement Deed, and that the Approved Activities adhere to the terms and conditions of the Settlement Agreement and this Agreement. The rights granted by the District under this Agreement are limited to the use by Aerotropolis of the Overlap Area in connection with the Improvements, in compliance with the terms of the Settlement Agreement and this Agreement and for no other purpose. Nothing herein is intended to apply nor shall be deemed to apply to the Northern Line or its related facilities, nor to any other District facilities, to the extent located outside of the Overlap Area. The subset of the permitted Approved Activities that involve only the initial construction and installation of the Improvements are referred to herein specifically as the "Construction Activities." Anything beyond the Approved Activities will necessitate an amendment to this Agreement.

COPIES OF THE DISTRICT TECHNICAL SPECIFICATIONS MAY BE OBTAINED FROM THE DISTRICT MANAGER. THE OWNER, HIS ENGINEER OR CONTRACTOR, SHALL SCHEDULE A PRECONSTRUCTION MEETING WITH THE DISTRICT MANAGER AND DISTRICT ENGINEER AT LEAST 48 HOURS PRIOR TO THE START OF CONSTRUCTION. ACCEPTED CONSTRUCTION PLANS REVIEWED AND SIGNED BY THE DISTRICT MANAGER AND DISTRICT ENGINEER. WILL BE DISTRIBUTED AT THE PRECONSTRUCTION MEETING. NO CONSTRUCTION WILL BE PERMITTED UNTIL ALL EASEMENTS ARE SIGNED AND RECORDED AND THE PRECONSTRUCTION MEETING HAS BEEN HELD.
- THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE PROTECTION OF ALL UTILITY LINES WHETHER SHOWN ON THE PLANS OR NOT. THE CONTRACTOR SHALL COORDINATE HIS ACTIVITIES WITH THE AFFECTED UTILITY COMPANIES AND SHALL NOTIFY THE UTILITY NOTIFICATION CENTER, PHONE NUMBER: 303-534-6700, 48 HOURS PRIOR TO STARTING CONSTRUCTION.
- DISTANCE FOR WATER LINES IS THE HORIZONTAL DISTANCE BETWEEN CENTER OF FITTING TO CENTER OF VALVE. METER. ETC. THEREFORE. DISTANCES SHOWN ON THE PLANS ARE APPROXIMATE AND COULD VARY DUE TO VERTICAL ALIGNMENT AND FITTING DIMENSIONS.
- CONTRACTOR SHALL HAVE IN HIS POSSESSION AT ALL TIMES ONE (1) SIGNED COPY OF PLANS APPROVED BY THE DISTRICT MANAGER AND THE DISTRICT ENGINEER.
- AS-BUILT DRAWINGS AS REQUIRED IN THE SPECIFICATIONS ARE TO BE SUBMITTED BY THE CONTRACTOR PRIOR TO PROBATIONARY ACCEPTANCE OF THE CONSTRUCTION.
- 6. THE CONTRACTOR SHALL BE RESPONSIBLE FOR REMOVING AND REPLACING ANY EXISTING SIGNS, STRUCTURES, FENCES, ETC., ENCOUNTERED ON THE JOB AND RESTORING THEM TO THEIR ORIGINAL CONDITION
- 7. THE CONTRACTOR IS RESPONSIBLE FOR:
- NOTIFYING THE DISTRICT 48 HOURS IN ADVANCE OF ANY NEED TO SHUT DOWN ANY PORTION OF THE EXISTING WATER SYSTEM
- 7.B. NOTIFYING THE DISTRICT 48 HOURS IN ADVANCE FOR OBSERVATIONS.
- IN CASE OF AN EMERGENCY AFTER WORKING HOURS, CALL THE DISTRICT OFFICE AT 693-3800 FOR RECORDED INSTRUCTIONS.
- PRIOR TO INSTALLATION OF WATER MAINS, ROAD CONSTRUCTION MUST HAVE PROGRESSED TO AT LEAST THE "SUBGRADE" STAGE. SUBGRADE IS DEFINED AS AN ELEVATION OF NO MORE THAN EIGHT INCHES BELOW THE FINISHED STREET GRADE. ALL VALVE BOXES AND FIRE HYDRANTS WILL BE ADJUSTED TO THE FINAL FINISHED GRADE BY THE CONTRACTOR.
- THE PIPE SPECIFIED BY THE OWNER OR ENGINEER FOR THE WATER LINE IN THE PROJECT SHALL CONFORM TO AWWA C200 WELDED STEEL PIPE STANDARDS AND AWWA M11 STEEL PIPE DESIGN. ALL WATER LINES SHALL HAVE A MINIMUM OF FOUR AND ONE-HALF (5) FEET OF COVER AND BEL ACTED A MINIMUM OF TEN (10) FEET FROM THE SANITARY SEWER, AND THREE (3) FEET FROM THE EDGE OF CONCRETE

Lining and coating of Steel pipe specifications?
