5. Consent Agenda

A. Review and consider approval of August 12, 2020 Special Meeting Minutes

Upon a motion duly made by Vice Chairman Gruber, seconded by Secretary Johnston, and upon vote unanimously carried, the Board approved the Consent Agenda as submitted.

6. Financial Matters

A. Presentation, discussion and possible action concerning July 31, 2020 financial statements

Mr. Gonzales reviewed the July 31, 2020 financial statements with the Board. Director O'Dorisio asked if the Authority should make any changes in tracking or spending policy decisions based on the reduced absorption in 2020. Mr. Mann recommended no changes to the current Authority direction. The Authority has capitalized interest available through the end of 2021 and it's possible that the shortfall in home construction can be made up in 2021 and 2022. The Board concurred.

After further discussion, upon a motion duly made by Director Tedesco, seconded by Vice Chairman Gruber, and upon vote unanimously carried, the Board accepted the July 31, 2020 financial statements.

B. Presentation, discussion and possible action on July Claims Payable in the amount of \$31,706.14

Mr. Gonzales reviewed the July claims with the Board. He reported that approximately 50% of the Ehlers bill is due to inclusion and bond work. Similarly, approximately one

third of the legal bill is due to inclusion work and one third to capital project work. The Board can determine at year-end whether these costs are reclassified into the capital projects fund or the future cost of issuance of the next bond issue.

After discussion, upon a motion duly made by Director Tedesco, seconded by Secretary Johnston, and upon vote unanimously carried, the Board approved the claims in the amount of \$31,706.14.

- C. Presentation, discussion and possible action on AACMD Draw Requests(s) - \$TBD

Mr. Blodgett reported that the verified costs for July are \$1,162,646.24. After discussion, upon a motion duly made by Vice Chairman Gruber, seconded by Treasurer O’Dorisio, and upon vote unanimously carried, the Board approved the July AAMCD Draw Request in the amount of \$1,162,646.24.

- D. Underwriter presentations regarding 2021 bond issuance

1. Jefferies 11:30 a.m.

Mr. Baldwin and the Jefferies team presented a summary of their qualifications and experience related to underwriting the ARTA 2021 bond issuance. Mr. Baldwin stated his experience as the lead banker (for Citi Group at that time) on the 2019 bond issuance would assist Jefferies in obtaining the lowest possible interest rate on the 2021 issuance. They stated their fee schedule would be \$12.50 per \$1,000 of bonds issued. The Board thanked them for their very professional presentation.

2. Citi Group 12:00 p.m.

Mr. Corrado and the Citi Group team presented a summary of their qualifications and experience relating to underwriting the ARTA 2021 bond issuance. They stated their knowledge of the market and experience from the 2019 bond issuance will serve the ARTA Board well in getting the best possible interest rate in the 2021 bond issuance. They stated their fees would be \$12.50 per \$1,000 of bonds issued. The Board thanked Citi Group for their very professional presentation.

No action was taken by the Board.

- E. Consider approval of Market Study update by Metro Study - \$22,100

Mr. Mann reviewed the Market Study update proposal by Metro Study. He stated that their work will begin in late October after receipt of the third quarter 2020 market data from The Aurora Highlands and the study area.

Mr. Blodgett reported Mr. Hayden submitted a revised proposal just prior to the Board meeting which indicates that the proposal includes a review of The Aurora Highlands market only. Should the Authority include Green Valley Ranch East or ATEC there would be a modification to the scope and an additional cost. This can be determined at a later date prior to the bond issuance.
