**THE AURORA HIGHLANDS METROPOLITAN DISTRICT NO. 4
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Aurora Highlands Metropolitan District No. 4 (“District”) was organized by Court Order dated December 5, 2022, to provide financing for the construction and installation of public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District’s service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City). The District is anticipated to operate as a part of the Aurora Highlands Community Authority Board with eight other metropolitan districts: Aerotropolis Area Coordinating Metropolitan District (“AACMD”) (formerly known as Green Valley Ranch East Metropolitan District No. 1), The Aurora Highlands Metropolitan District Nos. 1-3 (“TAH Nos. 1-3”) (formerly known as Green Valley Ranch East Metropolitan District Nos. 2-4), The Aurora Highlands Metropolitan District Nos. 5, (“TAH No.5”), and ATEC Metropolitan District Nos. 1-2 (“ATEC 1-2”) (collectively, the “Districts”). The District’s service area is located in Adams County, Colorado, entirely within the City.

On November 8, 2022, the District voters approved a general obligation indebtedness for all services and improvements of \$52,000,000,000. The District’s current service plan limits the total debt issuance to \$4,000,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the public improvements, and the repayment of the associated debt.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual result because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

Services Provided (Continued)

On November 21, 2019, the ATEC Districts, AACMD and The Aurora Highlands Metropolitan District Nos. 1-3 (collectively, the "CAB Districts") formed The Aurora Highlands Community Authority Board ("CAB") pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. On April 27, 2022, the CAB Districts approved the addition of The Aurora Highlands Metropolitan District Nos. 4-6 to the CAB. It is anticipated that one or more of the CAB Districts may enter into additional intergovernmental agreements concerning the financing, construction, and operations of public improvements benefiting the CAB Districts and their residents and owners.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget at the mill levy adopted by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative Expenditures

The District is a member of the CAB. The District will transfer its net General Fund revenues to the CAB. In return, the CAB will provide all the administrative and operating expenditures, which include the services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, banking, and meeting expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt and Leases

The District has no outstanding debt. Additionally, the District has no operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR eligible funds received by the District are transferred to the CAB, which pays for the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the CAB.

This information is an integral part of the accompanying budget.
