RESOLUTION NO. 2023-11-01**RESOLUTION OF THE BOARD OF DIRECTORS OF
THE AURORA HIGHLANDS METROPOLITAN DISTRICT NO. 6
ESTABLISHING REGULAR MEETING DATES, TIME, AND LOCATION, AND
DESIGNATING LOCATION FOR POSTING OF 24-HOUR NOTICES**

- A. Pursuant to Section 32-1-903(1.5), C.R.S., special districts are required to designate a schedule for regular meetings, indicating the dates, time and location of said meetings.
- B. Pursuant to Section 32-1-903(5), C.R.S., “location” means the physical, telephonic, electronic, or virtual place, or a combination of such means where a meeting can be attended. “Meeting” has the same meaning as set forth in Section 24-6-402(1)(b), C.R.S., and means any kind of gathering, convened to discuss public business, in person, by telephone, electronically, or by other means of communication.
- C. Pursuant to Section 24-6-402(2)(c)(I), C.R.S., special districts are required to designate annually at the board of directors of the district’s first regular meeting of each calendar year, the public place at which notice of the date, time and location of regular and special meetings (“**Notice of Meeting**”) will be physically posted at least 24 hours prior to each meeting (“**Designated Public Place**”). A special district is deemed to have given full and timely notice of a regular or special meeting if it posts its Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- D. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., special districts are relieved of the requirement to post the Notice of Meeting at the Designated Public Place, and are deemed to have given full and timely notice of a public meeting if a special district posts the Notice of Meeting online on a public website of the special district (“**District Website**”) at least 24 hours prior to each regular and special meeting.
- E. Pursuant to Section 24-6-402(2)(c)(III), C.R.S., if a special district is unable to post a Notice of Meeting on the District Website at least 24 hours prior to the meeting due to exigent or emergency circumstances, then it must physically post the Notice of Meeting at the Designated Public Place at least 24 hours prior to the meeting.
- F. Pursuant to Section 32-1-903(1.5), C.R.S., all meetings of the board that are held solely at physical locations must be held at physical locations that are within the boundaries of the district or that are within the boundaries of any county in which the district is located, in whole or in part, or in any county so long as the physical location does not exceed twenty (20) miles from the district boundaries unless such provision is waived.
- G. The provisions of Section 32-1-903(1.5), C.R.S., may be waived if: (1) the proposed change of the physical location of a meeting of the board appears on the agenda of a meeting; and (2) a resolution is adopted by the board stating the reason for which meetings of the board are to be held in a physical location other than under Section 32-1-903(1.5), C.R.S., and further stating the date, time and physical location of such meeting.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of The Aurora Highlands Metropolitan District No. 6 (the “**District**”), Adams County, Colorado:

1. That the provisions of Section 32-1-903(1.5), C.R.S., be waived pursuant to the adoption of this Resolution.

2. That the Board of Directors (the “**District Board**”) has determined that conducting meetings at a physical location pursuant to Section 32-1-903(1.5), C.R.S., would be inconvenient and costly for the directors and consultants of the District in that they live and/or work outside of the twenty (20) mile radius requirement.

3. That regular meetings of the District Board for the year 2024 shall be held on _____ at _____ .m., **at the Construction Trailer, 3900 E. 470 Beltway, Aurora, CO 80019** and/or virtually via electronic means.

4. That special meetings of the District Board shall be held as often as the needs of the District require, upon notice to each director.

5. That, until circumstances change, and a future resolution of the District Board so designates, the physical location and/or method or procedure for attending meetings of the District Board virtually (including the conference number or link) shall appear on the agenda(s) of said meetings.

6. That the residents and taxpaying electors of the District shall be given an opportunity to object to the meeting(s) physical location(s), and any such objections shall be considered by the District Board in setting future meetings.

7. That the District has established the following District Website, www.theaurorahighlands.specialdistrict.net, and the Notice of Meeting of the District Board shall be posted on the District Website at least 24 hours prior to meetings pursuant to Section 24-6-402(2)(c)(III), C.R.S. and Section 32-1-903(2), C.R.S.

8. That, if the District is unable to post the Notice of Meeting on the District Website at least 24 hours prior to each meeting due to exigent or emergency circumstances, the Notice of Meeting shall be posted within the boundaries of the District at least 24 hours prior to each meeting, pursuant to Section 24-6-402(2)(c)(I) and (III), C.R.S., at the following Designated Public Place:

Along the southern boundary of the District, north of E. 26th Avenue, Aurora

9. Timberline District Consulting, LLC, or its designee, is hereby appointed to post the above-referenced notices.

If your district has exposures not listed on the General Liability schedule above, such as airplanes, security staff, bridges, drones, etc., please furnish details. Certain activities may be excluded or restricted.

Attached are the district's **2024 Workers' Compensation Board Member Only (BMO)** renewal documents, which includes the renewal invoice, payment instructions, declarations page, and certificates if applicable.

The minimum stipend per board member continues to be \$1,200 a year for each board member (i.e.: the minimum total stipend for five (5) board members is \$6,000). The annual minimum contribution remains the same at \$450.

There are a couple of important dates to mark on your calendar:

- By **October 20, 2023**, let us know if you would like to make any changes to the renewal coverage.
- By **January 1, 2024**, renewal payment is due.
- By **January 30, 2024**, WC coverage is subject to cancellation for non-payment. If the CSD Pool does not receive payment by January 30, 2024, Workers Compensation coverage will cancel for non-payment.

As a reminder, BMO coverage is designed only for work-related injuries and illness for board members while in the course and scope of their duties as board members, which are strictly administrative functions. If any of the following scenarios apply to your district, you must report it to us for proper classification:

- Non-administrative functions performed by any board member, such as occasionally working at a water/sewer, or other plant operations, helping with landscaping or maintenance, meter reading, plowing snow, and so forth.
- Entering into a contract with a party, whether verbally or written, to perform work for your district, when the party does not provide proof of his/her own workers' compensation insurance coverage.
- Hiring district employee(s).

Not reporting accurately may also affect prior years' coverages as the NCCI administrative rules allow for Audits to be conducted and reconciled for corrected contribution payments for the prior three (3) years.

It is important to note that board members are considered employees under the current Colorado Revised Statute while in the course and scope of their board member administrative duties; therefore, coverage is required unless the district opts out by filing a statement with the Colorado Division of Workers' Compensation no less than 45 days before the start of the coverage year along with an annual resolution adopted and signed by each board member. If the district decides to opt out, please send us a copy of the statement and resolution so that we can properly update our file and non-renew the district's coverage. **Please also note that opting out or canceling BMO coverage will lead to the loss of the 8% Multi Program Discount associated with the district's Property & Liability coverage.**

Finally, the district may qualify for the CSD Pool's SDA Conference Scholarship Program. The CSD Pool sponsors board members who have never attended a Special District Association of Colorado (SDA) Annual Conference in September.

Thank you for renewing your Workers' Compensation Board Member Only coverage with us. If you have any questions regarding your renewal, please do not hesitate to contact us.

**THE AURORA HIGHLANDS METRO DISTRICT NO. 6
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Aurora Highlands Metropolitan District No. 6 (“District”) (formerly known as First Creek Ranch Metropolitan District) was organized to provide construction, installation, financing, and operation of public improvements, including street improvements, park and recreational facilities, water, sanitary sewer, storm drainage, fire stations and other emergency services within the District. The District’s service area is located in Adams County, Colorado.

On November 5, 2002 and November 8, 2016, the District’s voters authorized total general obligation indebtedness of \$52,562,525,000 for the above listed facilities and powers but, the District’s Amended Service Plan limits the total indebtedness to \$4,000,000,000, with a maximum debt mill levy of 50.000 mills, subject to changes in the method of calculating residential assessed valuation. The maximum debt service mill levy shall not apply to the District’s ability to increase its mill levy necessary for the provision of operation and maintenance services. The Amended Service Plan also restricts the District’s powers for fire protection, television relay and translation, and golf course construction unless the District enters into an agreement with the City allowing for these powers.

On November 8, 2016, the District voters approved a mill levy increase to generate property taxes of up to \$4,000,000 annually to pay, in part, the District’s general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2017 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

AACMD, the City of Aurora and Adams County have established the Aerotropolis Regional Transportation Authority (“ARTA”), pursuant to an intergovernmental agreement entered into on February 27, 2018, under the authority of the Regional Transportation Authority Law, Section 43-4-601, *et seq.*, C.R.S., in order to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements. Beginning in 2019, ARTA will impose an ARTA Mill Levy on the District. The District will deposit revenues from the ARTA Mill Levy with AACMD to provide for financing of the regional improvements through ARTA. If the ARTA Mill Levy in any given year is less than 5 mills, the District will impose an Aurora Regional Improvements (“ARI”) Mill Levy and will deposit the ARI Mill Levy revenues with ARTA to be spent only pursuant to a Regional Intergovernmental Improvements Agreement.

On November 21, 2019, the ATEC Districts, AACMD and The Aurora Highlands Metropolitan District Nos. 1-3 (collectively, the “CAB Districts”) formed The Aurora Highlands Community Authority Board (“CAB”) pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. On April 27, 2022, the CAB Districts approved the addition of the District to the CAB. Pursuant to Ordinance No. 2022-06 of the City of Aurora, the City accepted a designation as the approving authority for the District and approved the Consolidated Second Amended and Restated Service Plan for The Aurora Highlands Metropolitan District Nos. 1,2,3,4,5, and 6. It is

anticipated that one or more of the CAB Districts may enter into additional intergovernmental agreements concerning the financing, construction, and operations of public improvements benefiting the CAB Districts and their residents and owners.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property decreases to 27.90% from 29%.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget.

Property Taxes ARI

ARTA imposes a mill levy of 5.000 mills for payment of the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements as contemplated by ARTA. (see "Services Provided" above). The District has agreed to levy an additional 0.883 mills due to a change in calculating the residential assessed valuation.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the General Fund.

Interest income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4%.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative Expenditures

Administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, management, meeting expense, insurance, and other administrative expenses.

Transfers to Other Districts

The District has budgeted for a transfer of the majority of its 2024 revenues to The Aurora Highlands Community Authority Board (CAB) and ARTA. It is anticipated that the District and the CAB will enter into an intergovernmental agreement governing the transfer of these funds.

Debt and Leases

The District's had no outstanding debt. The District has no operating or capital leases.

Reserves

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR eligible funds received by the District are transferred to the CAB, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the CAB

Special Districts Master Services Agreement

The Aurora Highlands Metro District No. 6
 8390 E. Crescent Pkwy., Ste.300, Greenwood Village, CO, 80111
 MSA Date: October 15, 2023

This master service agreement (“MSA”) documents the terms, objectives, and the nature and limitations of the services CliftonLarsonAllen LLP (“CLA,” “we,” “us,” and “our”) will provide for The Aurora Highlands Metro District No. 6 (“you,” “your,” “board of directors” or “the district”). The terms of this MSA will apply to the initial and each subsequent statement of work (“SOW”), unless the MSA is changed in a communication that you and CLA both sign or is terminated as permitted herein.

Scope of professional services

CLA will provide services as described in one or more SOW that will reference this MSA. The SOW will describe the scope of professional services; the nature, limitations, and responsibilities related to the specific services CLA will provide; and the fees for such services.

If modifications or changes are required during CLA’s performance of requested services, or if you request that we perform any additional services, we will provide you with a separate SOW for your signature. Such SOW will advise you of the additional fee and time required for such services to facilitate a clear understanding of the services.

Our services cannot be relied upon to disclose errors, fraud, or noncompliance with laws and regulations. Except as described in the scope of professional services section of this MSA or any applicable SOW, we have no responsibility to identify and communicate deficiencies in your internal control as part of any services.

Board of director responsibilities

The board of directors of the district acknowledge and understand that our role is to provide the services identified in one or more SOWs issued per this MSA and that the board of directors of the district has certain responsibilities that are fundamental to our undertaking to perform the identified services. The district may engage CLA to perform management functions to help the board of directors of the district to meet your responsibilities, but the board of directors of the district acknowledges its role in management of the district.

Responsibilities and limitations related to nonattest services

For all nonattest services we may provide to you, you agree to oversee all management services; evaluate

the adequacy and results of the services; ensure that your data and records are complete; and accept responsibility for the results of the services. CLA and the district agree that the foregoing sentence is not intended and shall not be construed to be a limitation of liability for the benefit of CLA nor an exculpatory clause for the benefit of CLA. CLA is and will remain liable to the district for CLA's negligence and gross negligence in the work that it performs under this MSA or under any SOW.

Fees and terms

See the applicable SOW for the fees for the services.

Work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagements will be deemed to have been completed even if we have not completed the services. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures permitted by this MSA through the date of termination.

Payments may be made utilizing checks, Bill.com, your online banking platform, CLA's electronic payment platform, or any other client initiated payment method approved by CLA. CLA's electronic online bill pay platform claconnect.com/billpay accepts credit card and Automated Clearing House (ACH) payments. Instructions for making direct bank to bank wire transfers or ACH payments will be provided upon request.

Other Fees

You also agree to compensate us for any time and expenses, including time and expenses of legal counsel, we may incur in responding to discovery requests or participating as a witness or otherwise in any legal, regulatory, or other proceedings that we are asked to respond to on your behalf.

Finance charges and collection expenses

You agree that if any statement is not paid within 30 days from its billing date, the unpaid balance shall accrue interest at the monthly rate of one percent (1.00%), which is an annual percentage rate of 12%. In the event that any collection action is required to collect unpaid balances due us, reasonable attorney fees and expenses shall be recoverable if and as provided by Colorado law.

Limitation of remedies

Each party agrees that in no event shall the other party be liable for any indirect, special, incidental, consequential, punitive or exemplary damages, or for loss of profits or loss of goodwill, costs, or attorney fees.

The exclusive remedy available to you shall be the right to pursue claims for actual damages related to CLA's acts or omissions in performance of our duties under the terms of this MSA or any SOW issued under this MSA.

Time limitation

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any dispute that may arise between you and any CLA party. Any legal or equitable action brought by the district to recover on a dispute shall be commenced within the applicable statute of limitations under Colorado state statutes and case law.

CLA shall be authorized to the following cash access services:

Other provisions

Except as expressly permitted by the “Consent” section of this agreement, CLA shall not disclose any confidential, proprietary, or privileged information of the district or you to any person or party, unless the district or you authorizes us to do so, it is published or released by the district, it becomes publicly known or available other than through disclosure by us, or disclosure is required by law. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

Pursuant to authority given by law or regulation, we may be requested to make certain workpapers available to a regulator for its regulatory oversight purposes. We will notify you of any such request, if permitted by law. Access to the requested workpapers will be provided to the regulator under the supervision of CLA personnel and at a location designated by our firm. Furthermore, upon request, we may provide copies of selected workpapers to such regulator. The regulator may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

(“CORA”).

If applicable, accounting standards and procedures will be suggested that are consistent with those normally utilized in a district of your size and nature. Internal controls may be recommended relating to the safeguarding of the district's assets. If fraud is initiated by your employees or other service providers, your insurance is responsible for covering any losses.

The district does not intend hereby to create a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever. CLA expressly understands and agrees that the district's obligations under this MSA shall extend only to monies appropriated for the purposes of this MSA by the board of directors and shall not constitute a mandatory charge, requirement or liability in any ensuing fiscal year beyond the then-current fiscal year. No provision of this MSA shall be construed or interpreted as a delegation of governmental powers by the district, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the district or statutory debt limitation, including, without limitation, Article X, Section 20 or Article XI, Section 6 of the Constitution of the State of Colorado. No provision of this MSA shall be construed to pledge or to create a lien on any class or source of district funds. Nothing in this MSA shall be construed to waive, limit, or otherwise modify, in whole or in part, any governmental immunity that may be available by law to the district, its respective officials, employees, contractors, or agents, or any other person acting on behalf of the district and, in particular, governmental immunity afforded or available to the district pursuant to the Colorado Governmental Immunity Act, §§ 24-10-101, et seq., C.R.S.

For the purposes of this MSA “Data Security Incident” is defined to mean any actual or reasonably suspected: (a) unauthorized use of, or unauthorized access to, CLA systems; (b) inability to access business and other proprietary information, data, or the CLA systems due to a malicious use, attack, or exploit of such business and other proprietary information or systems; (c) unauthorized access to, theft of, or loss of business and other proprietary information, or of storage devices that could reasonably contain such information; (d) unauthorized use of business and other proprietary information or data for purposes of actual or reasonably suspected theft, fraud, or identity theft; (e) unauthorized disclosure of business and other proprietary information or data.

The MSA, and any other documents requiring a signature hereunder, may be signed electronically by the parties in a manner acceptable to the district. The parties agree not to deny the legal effect or enforceability of the MSA solely because it is in electronic form or because an electronic record was used in its formation. The parties agree not to object to the admissibility of the MSA in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

MSA Modification

The MSA may not be amended, altered, or otherwise changed except by a written agreement signed by authorized representatives of the parties.

Termination of MSA

Either party may terminate this MSA at any time by giving 30 days written notice to the other party. In that event, the provisions of this MSA shall continue to apply to all services rendered prior to termination.
