THE AURORA HIGHLANDS METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The Aurora Highlands Metropolitan District No. 2 (“District”) (formerly known as Green Valley Ranch East Metropolitan District No. 3) was organized by Court Order dated November 15, 2004, to provide financing for the construction and installation of public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District’s service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City). The District was formed in conjunction with seven other metropolitan districts: Aerotropolis Area Coordinating Metropolitan District (“AACMD”) (formerly known as Green Valley Ranch East Metropolitan District No. 1), The Aurora Highlands Metropolitan District Nos. 1 and 3 (“TAH Nos. 1 and 3”) (formerly known as Green Valley Ranch East Metropolitan District Nos. 2 and 4), Green Valley Ranch Aurora Metropolitan District No. 1 (“GVA No. 1”) (formerly known as Green Valley Ranch East Metropolitan District No. 5), and Green Valley Ranch East Metropolitan District Nos. 6-8 (collectively the “Districts”). The District’s service area is located in Adams County, Colorado, entirely within the City. The Court Order granting the District’s name change to The Aurora Highlands Metropolitan District No. 2 was recorded on August 16, 2017.

On November 2, 2004, the District voters approved a mill levy increase to generate property taxes of up to \$5,000,000 annually to pay, in part, the District’s general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2005 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized in 2004 for all services and improvements was \$2,405,000,000. On November 8, 2016, the District voters approved a mill levy increase of up to \$4,000,000,000 annually to pay, in part, the District’s general costs of operations and maintenance. The total debt authorized in 2016 for all services and improvements was \$52,000,000,000. The District’s current service plan limits the total debt issuance to \$4,000,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the public improvements, and the repayment of the associated debt.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual result because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

Services Provided (Continued)

AACMD, the City of Aurora and Adams County have established the Aerotropolis Regional Transportation Authority (“ARTA”), pursuant to an intergovernmental agreement entered on February 27, 2018, under the authority of the Regional Transportation Authority Law, Section 43-4-601, *et seq.*, C.R.S., in order to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements. Beginning in 2019, ARTA will impose an ARTA Mill Levy on the District. The District will deposit revenues from the ARTA Mill Levy with AACMD to provide for financing of the regional improvements through ARTA. If the ARTA Mill Levy in any given year is less than 5 mills, the District will impose an Aurora Regional Improvements (“ARI”) Mill Levy and will deposit the ARI Mill Levy revenues with AACMD to be spent only pursuant to a Regional Intergovernmental Improvements Agreement.

On November 21, 2019, the ATEC Districts, AACMD and The Aurora Highlands Metropolitan District Nos. 1-3 (collectively, the “CAB Districts”) formed The Aurora Highlands Community Authority Board (“CAB”) pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. On April 27, 2022, the CAB Districts approved the addition of The Aurora Highlands Metropolitan District Nos. 4-6 to the CAB. It is anticipated that one or more of the CAB Districts may enter into additional intergovernmental agreements concerning the financing, construction, and operations of public improvements benefiting the CAB Districts and their residents and owners.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Property Taxes ARI

ARTA imposes a mill levy of 5.000 mills for payment of the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements as contemplated by ARTA (see “Services Provided” above). The District has agreed to levy an additional 0.883 mills due to a change in calculating the residential assessed valuation.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget at the mill levy adopted by the District, which includes the ARI mill levy.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 7% of the property taxes collected.

Expenditures

Administrative Expenditures

The District is a member of the CAB. The District will transfer its net General Fund revenues to the CAB. In return, the CAB will provide all the administrative and operating expenditures, which include the services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, banking, and meeting expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections, including the property taxes collected for ARTA.

Intergovernmental Transfer CAB

On June 30, 2020, the CAB and the CAB Districts entered into the Mill Levy Policy Agreement, which was amended on December 22, 2021. Pursuant to the Amended and Restated Mill Levy Allocation Policy Agreement, the District agrees to ensure that the mill levies determined by the CAB each year are imposed and transferred to the CAB in accordance with the Revenue Pledged Agreement (described below).

On December 22, 2021, the District entered into the Revenue Pledge Agreement (Pledged Agreement) with the CAB as a part of the 2021 Series A and 2021 Series B Bond issuances. Per the Pledge Agreement, the District agrees to pay such portion of their operations and financing costs as may be funded with the District's Pledged Revenue and Subordinate Pledged Revenue to the extent available to the Districts pursuant to the provisions of the Pledged Agreement and the Amended and Restated Mill Levy Allocation Policy Agreement.

Intergovernmental Transfer ARTA

Per the Intergovernmental Agreement Regarding Imposition, Collection and Transfer of ARI Mill Levy, AACMD requires that the District transfer all revenues derived from ARI Mill Levy to ARTA within sixty (60) days of the District's receipt.

Debt and Leases

The District has no outstanding debt. Additionally, the District has no operating or capital leases.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR eligible funds received by the District are transferred to the CAB, which pays for the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the CAB.

This information is an integral part of the accompanying budget.
