POLICY ON RESPONDING TO OPEN RECORDS REQUESTS**

November 2024

WHEREAS, pursuant to § 32-1-1001(1)(h), C.R.S., the Board of Directors (the “**Board**”) of The Aurora Highlands Metropolitan District No. 2 (the “**District**”) is responsible for the management, control and supervision of all of the business and affairs of the District; and

WHEREAS, pursuant to § 32-1-1001(1)(i), C.R.S., the Board has the authority to appoint an agent; and

WHEREAS, the Board has determined that it is appropriate to designate an official custodian of the District’s records for the protection of such records and in order to permit their inspection by persons entitled to examine and copy such records in an orderly fashion; and

WHEREAS, the Board has determined that it is appropriate to adopt a policy on responding to open records requests; and

WHEREAS, the Board fully supports, and complies with, all Federal and State of Colorado (“**State**”) laws relating to the retention, protection and disclosure of District records including, but not limited to, the Colorado Open Records Act, Title 24, Article 72, Part 2, C.R.S. (“**CORA**”), the Health Insurance Portability and Accountability Act of 1996 (“**HIPAA**”), and the Privacy Rule promulgated by the U.S. Department of Health and Human Services which interprets and implements HIPAA; and

WHEREAS, it is the policy of the District that all public records shall be open for inspection by any person at reasonable times, except as otherwise provided by law; and

WHEREAS, public records are defined by CORA as all writings made or maintained by the District, regardless of the format or medium of the records, subject to certain exceptions and public records expressly include e-mail communications; and

WHEREAS, the Board may have previously adopted a Public Records Request Policy (the “**Original Policy**”) and the Board now desires to adopt this Resolution to amend and restate the Original Policy in its entirety.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of The Aurora Highlands Metropolitan District No. 2:

1. Official Custodian.

(a) The District's manager is hereby designated as the Official Custodian responsible for the maintenance, care and keeping of all records of the District, except as provided herein.

(b) The Official Custodian shall have the authority to designate such agents as they shall determine appropriate to perform any and all acts necessary to enforce and execute the provisions of this Resolution.

2. Policy on Responding to Open Records Request. The following are general policies concerning the release of records:

(a) All public records of the District shall be open for inspection at the times designated herein, unless prohibited by the provisions of CORA or policies adopted by the Board in conformance with CORA.

(b) Every request to inspect and/or copy any District record (a "**Records Request**") shall be submitted to the Official Custodian in writing and be specific as to the information desired. If not submitted to the Official Custodian, any District employee or Board Member that receives the Records Request shall immediately send the Records Request to the Official Custodian. To assist the Official Custodian in responding to requests in a timely and complete manner, the Official Custodian may require records requests to be submitted on a form developed by the Official Custodian.

(c) If any question arises as to the propriety of fully complying with a Records Request, the Official Custodian shall immediately forward it to the District's legal counsel.

(d) The District's legal counsel shall determine the District's obligations under the applicable Federal and/or State law(s). If the District is permitted to make records available for inspection in whole or in part, the District's legal counsel will so notify the Official Custodian, who will assemble the disclosable requested documents for inspection and/or copying in accordance with applicable Federal or State law.

(e) If the District's legal counsel determines the District is not permitted by Federal or State law to make records available for inspection in whole or in part, the District's legal counsel shall provide a written response to the party submitting the Records Request stating the legal basis upon which the Records Request in whole or in part is being denied.

(f) Following the denial of a request for record, upon receipt of the required written notice from the requesting individual that he or she will seek relief from the District Court, the Official Custodian will attempt to meet in-person or speak by telephone with the requesting individual. District personnel are encouraged to utilize all possible means to attempt to resolve the dispute during this time period and will provide a written summary of the District's position at the end of that period to the requestor and to the Board.

(g) No phone or in-person conference is required if the written notice indicates that the requestor needs access to the record on an expedited basis.

(h) Pursuant to CORA, all records must be made available for inspection within 3 working days from the Official Custodian's receipt of the request, unless extenuating circumstances exist. The deadline may be extended by 7 working days if extenuating circumstances exist and the requesting party is notified of the delay within 3 working days of the Official Custodian's receipt of the request. The Official Custodian may set the time during normal office hours and the place for records to be inspected, and require that the Official Custodian or a delegated employee be present while the records are examined.

(i) A public record stored in a digital format that is neither searchable nor sortable will be provided in a digital format. A public record stored in a digital format that is searchable and/or sortable will be provided in such digital format, unless (1) the public record is in a searchable or sortable format and producing the record in the requested format would violate the terms of any copyright or licensing agreement between the District and a third party; (2) producing the record would result in the release of a third party's proprietary information; (3) after making reasonable inquiries, it is not technologically or practically feasible to provide a copy of the record in a searchable or sortable format; or (4) if the Official Custodian would be required to purchase software or create additional programming functionality in its existing software to remove the information. Altering an existing digital public record, or excising fields of information that the Official Custodian is either required or permitted to withhold under this subsection, does not constitute the creation of a new public record under Section (2)(i)(4) of this Resolution.

(j) The Custodian may charge the following fees (collectively, the "**Fees**") for responding to a Records Request:

(i) Printouts, photographs, and copies, when requested, will be provided at a cost of \$0.25 per standard page, and at the actual costs of production for any non-standard page (the "**Copying Fee**"). A standard page shall mean an 8.5-inch by 11-inch black and white copy.

(ii) When it is impractical to make the copy, printout, or photograph of the requested record at the place where the record is kept, the Official Custodian may allow arrangements to be made for the copy, printout, or photograph to be made at other facilities and the cost of providing the requested records will be paid by the person making the request (the "**Outside Copying Fee**").

(iii) If a copy, printout or photograph of a public record is necessary or requested to be provided in a format other than a standard page, the costs will be assessed at the actual cost of production (the "**Production Fee**").

(iv) If data must be manipulated in order to generate a record in a form not otherwise used by the District, such data manipulation will be assessed at the actual costs to the District (the "**Manipulation Fee**"); however, the District is in no way obligated to generate a record that is not otherwise kept, made, or maintained by the District.

(v) The cost for transmitting the requested records will be charged at the actual cost of such delivery (the “**Transmission Fee**”). Transmission Fees will not be charged for transmitting any record via electronic mail, when requested.

2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Aurora Highlands Metropolitan District No. 2 (“District”) (formerly known as Green Valley Ranch East Metropolitan District No. 3) was organized by Court Order dated November 15, 2004, to provide financing for the construction and installation of public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District’s service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City). The District was formed in conjunction with seven other metropolitan districts: Aerotropolis Area Coordinating Metropolitan District (“AACMD”) (formerly known as Green Valley Ranch East Metropolitan District No. 1), The Aurora Highlands Metropolitan District Nos. 1 and 3 (“TAH Nos. 1 and 3”) (formerly known as Green Valley Ranch East Metropolitan District Nos. 2 and 4), Green Valley Ranch Aurora Metropolitan District No. 1 (“GVA No. 1”) (formerly known as Green Valley Ranch East Metropolitan District No. 5), and Green Valley Ranch East Metropolitan District Nos. 6-8 (collectively the “Districts”). The District’s service area is located in Adams County, Colorado, entirely within the City. The Court Order granting the District’s name change to The Aurora Highlands Metropolitan District No. 2 was recorded on August 16, 2017.

On November 2, 2004, the District voters approved a mill levy increase to generate property taxes of up to \$5,000,000 annually to pay, in part, the District’s general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2005 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized in 2004 for all services and improvements was \$2,405,000,000. On November 8, 2016, the District voters approved a mill levy increase of up to \$4,000,000,000 annually to pay, in part, the District’s general costs of operations and maintenance. The total debt authorized in 2016 for all services and improvements was \$52,000,000,000. The District’s current service plan limits the total debt issuance to \$4,000,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the public improvements, and the repayment of the associated debt.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual result because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

**THE AURORA HIGHLANDS METROPOLITAN DISTRICT NO. 2
2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided (Continued)

AACMD, the City of Aurora and Adams County have established the Aerotropolis Regional Transportation Authority (“ARTA”), pursuant to an intergovernmental agreement entered on February 27, 2018, under the authority of the Regional Transportation Authority Law, Section 43-4-601, *et seq.*, C.R.S., in order to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements. Beginning in 2019, ARTA will impose an ARTA Mill Levy on the District. The District will deposit revenues from the ARTA Mill Levy with AACMD to provide for financing of the regional improvements through ARTA. If the ARTA Mill Levy in any given year is less than 5 mills, the District will impose an Aurora Regional Improvements (“ARI”) Mill Levy and will deposit the ARI Mill Levy revenues with AACMD to be spent only pursuant to a Regional Intergovernmental Improvements Agreement.

On November 21, 2019, the ATEC Districts, AACMD and The Aurora Highlands Metropolitan District Nos. 1-3 (collectively, the “CAB Districts”) formed The Aurora Highlands Community Authority Board (“CAB”) pursuant to intergovernmental agreement to govern the relationships between and among the CAB Districts with respect to the financing, construction, and operation of public improvements within their combined service area. On April 27, 2022, the CAB Districts approved the addition of The Aurora Highlands Metropolitan District Nos. 4-6 to the CAB. It is anticipated that one or more of the CAB Districts may enter into additional intergovernmental agreements concerning the financing, construction, and operations of public improvements benefiting the CAB Districts and their residents and owners.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Property Taxes ARI

ARTA imposes a mill levy of 5.000 mills for payment of the planning, design, acquisition, construction, installation, relocation and/or redevelopment and funding of regional transportation improvements as contemplated by ARTA (see “Services Provided” above). The District has agreed to levy an additional 0.510 mills due to a change in calculating the residential assessed valuation.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget at the mill levy adopted by the District, which includes the ARI mill levy.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 6% of the property taxes collected.

2025 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative Expenditures

The District is a member of the CAB. The District will transfer its net General Fund revenues to the CAB. In return, the CAB will provide all the administrative and operating expenditures, which include the services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, banking, and meeting expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections, including the property taxes collected for ARTA.

Intergovernmental Transfer CAB

On June 30, 2020, the CAB and the CAB Districts entered into the Mill Levy Policy Agreement, which was amended on December 22, 2021. Pursuant to the Amended and Restated Mill Levy Allocation Policy Agreement, the District agrees to ensure that the mill levies determined by the CAB each year are imposed and transferred to the CAB in accordance with the Revenue Pledged Agreement (described below).

On December 22, 2021, the District entered into the Revenue Pledge Agreement (Pledged Agreement) with the CAB as a part of the 2021 Series A and 2021 Series B Bond issuances. SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR eligible funds received by the District are transferred to the CAB, which pays for the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the CAB.

This information is an integral part of the accompanying budget.
